## SENIOR OUTING DAY CELEBRATED YESTERDAY

### ONE HUNDRED FIFTY SENIORS JOURNEY TO MILFORD.

### TWO SENIORS NEARLY ARRESTED

#### Boating, Baseball Games, Picnic Lunch and Parade form Large Part of the Day's Entertainment.

Yesterday was Senior Outing Day. One hundred and fifty of the seniors gathered at the Burlington station at 7 o'clock yesterday morning and departed on a special train for Milford, where the day was spent in picnic style.

The morning was partly spent in visiting general points of interest, including the Old Soldiers' Home and the Shogo-Lithia springs. A girls' baseball team entertained the crowd for the rest of the morning. At the close of the first inning the game was called for lunch with the score standing 21 to 4.

#### Picnic Lunch.

At noon a picnic lunch was served on the lawn of the Old Soldiers' Home. Boating entertained a portion of the upper classmen in the early part of the afternoon.

Through this sport two of the members of the class came to grief. They borrowed the city marshal's boat, without his knowledge, and when he discovered the loss of the boat he promptly searched out the offenders and charged them an enormous rate for the use of the appropriated property.

Various forms of amusement entertained the crowd until about 2 o'clock, when all repaired to the Milford baseball lot, where the senior team played the Nebraska Military Academy team. The game was fast and furious, and ended with the score 8 to 2, with the seniors holding the small "2."

The upper classmen returned to Lincoln about 6 o'clock and marched to the campus, where they visited the library and other buildings, and then after gathering around the rock gave university and class yells and dispersed, after spending the last holiday granted them by the university.

Senior Outing Day is the successor to senior "Sneak Day." In past years the seniors on a certain day disappeared mysteriously without knowledge to any one but themselves as to their rendezvous. In the last two years Senior Outing Day has been permitted at the university when the university faculty have been apprised as to what day the upper classmen intended to go.

Last year and this year the custom of taking some members of the junior class along has been followed, and yesterday three members of the junior class were forcibly requested to accompany the crowd of picnickers. The juniors were entertained in various ways, especially in helping with the serving of the lunch and other similar work.

## PATCHING THE BUILDING.

### Workmen Plug Holes in Administration Hall.

With the assistance of several workmen Administration Hall may be able to weather a few seasons more. Workmen were busily engaged yesterday in adding cement to various interstices between the stones which were assuming alarming proportions through the ravages of the weather. The combination of weather displayed by Nebraska seems to have been a little too much for the building.

### Barbour Elected to Board.

Mr. Erwin H. Barbour has been elected a member of the board of education. He is already serving as a member of the city park commission and as a trustee on the cemetery board.

## ENTRIES COMING FOR MEET

### Nebraska High School Athletes to Go to Omaha in Force Next Saturday.

Entries from three schools were received by Coach Carns of the Omaha high school for the inter-scholastic state meet to be held here next Saturday. York high school sent a list of ten men constituting its squad, Falls City will be represented by five and South Omaha by six lads headed by Stryker.

Although no word has been definitely received from Lincoln, a squad of ten men is expected from the high school there. The Lincolnites consider their school has at least fifteen points credited to it before it starts. Mann hopes to take the 100-yard and the 220-yard dashes and Cruse expects to repeat his performance at the Missouri Valley meet held at Des Moines and carry off the first in the 120 high hurdles in record time. The Lincoln relay team which appeared here April 1 at the Auditorium was a little slow at that time, but it has been coached by some of the university athletes since then and has developed speed that will keep the Omaha lads hustling.

Practically all of the large Omaha hotels have arranged rates for entertaining the visitors at a reasonable price in consideration of the number that will appear from each school. Mr. Carns is arranging an entertainment at the Young Men's Christian Association auditorium on Saturday, at which the medals won by the different competitors in the meet will be presented. If possible the Omaha High School Glee Club and the Mandolin Club will be on hand to entertain the audience.

At the head of the officials who will have charge of the meet will be Painter Knox of Council Bluffs, who has for some years been prominent in track events in the west.

The list of events which will be run off by the high school youths will include 100-yard dash, 220-yard dash, 120 high hurdles, 220 low hurdles, quarter-mile run, half-mile run, mile run, hot put, discus throw, high jump, pole vault, broad jump, half-mile relay, and possibly a mile relay.

## TRACK TEAM LEAVES TODAY FOR M. V. MEET

### NEBRASKA'S CHANCES ARE NOT BRIGHTEST.

### NUMBER OF COLLEGES ENTERED

#### Nebraska, Ames, Missouri and Grinnell Look Strong for First Place—Powers Injured.

The first squad of the University of Nebraska track team leaves at 2 p. m. today over the Rock Island for Des Moines to enter the Missouri Valley conference meet. The men will reach Des Moines in the evening and will be ready the next day for the sprints and hurdles, which are started a day ahead of the other events. The men who go today are Coach Cherrington, Captain Burke, Reed, Ankeny, Flaek and Fleming. The remainder of the team will follow tomorrow.

Nebraska's chances are not of the brightest just at present, owing to the injury to Powers, who will be unable to accompany the team. It is impossible to get much accurate dope on the outcome of the meet on account of the large number of small colleges entered, some of whom have good men.

### Strong Competition.

However, it is thought that the 100 and 220-yard dashes are a throw-up between Wilson of Coe college, Haddock of Kansas and Reed of Nebraska. Our mile relay team will have strong competition from Kansas, Missouri and Grinnell. The 440-yard dash will be a close race between Captain Burke of Nebraska, Berwood of Missouri and Turner of Grinnell. In the half-mile Nebraska will be stronger than at any time this spring, as Amberson is gradually rounding into shape.

Clark should give Steel of Missouri the race of his life in the one mile. Melick in the two-mile will show up well, as he has been improving at each meet. He will find his strongest competitors from Missouri, Ames and Kansas. Graham has an excellent chance in the pole vault and should place in the high jump. Munson and Graham should both place in the broad jump, though uncertain because Iowa has a twenty-two foot man and Wilson of Kansas beats twenty-two. Shonka ought to place in the shot put.

Nebraska, Ames, Missouri and Grinnell are the schools which look to be the strongest contenders for first place. Thirty points will probably be enough to win the meet.

### ANNUAL FEED.

### Y. M. C. A. Committeemen Will Meet Tonight.

The annual committeemen's feed of the Y. M. C. A. will be held tonight in the banquet hall in the basement of the Temple building. Sixty to seventy-five members of the committees will meet to consider plans for the fall work, after rounding up all unfinished business of this year. All officers and members of the

advisory board will meet with the committeemen. Chancellor Avery, Dr. Barker, Prof. Hinman, Dr. Condra, Prof. Heck, Dr. B. L. Paine, Rev. I. F. Roach and L. J. Marsh, '01, are members of the advisory board. After the supper, which will be held at 6 o'clock, the members of the various committees will get down to real hard work, drawing plans for the greater work of the fall. Secretary Joe Der Kinderen has been re-elected for another year at Nebraska, but has not up to this writing announced his decision with regard to the matter. Secretary Der Kinderen came to the university three years ago to fill the position left by Arthur Jorgenson. He has been given a unanimous request to continue his work as executive head of the Nebraska association. All workers of the Y. M. C. A. seem very optimistic, when discussing plans for the future. Big things are in store for Nebraska.

## SENIOR PLAY TICKETS

### Necessary to Secure Them at Once.

As announced in the Nebraskan last week, senior play tickets will be on sale at the Temple Thursday and Friday from 10 o'clock a. m. until 5 p. m. On Thursday only those who have paid the two dollar assessment will be able to purchase tickets, thus giving them choice seats. On Friday all paying their assessment on that day will be sold tickets. After that time tickets will be on sale to all, for a certain period each day, to be announced later. The prices are: Parquet, \$1.00 and 75c; balcony, 75c and 50c; Matinee, 50c everywhere. Do not delay the purchase of tickets. Come early and get the best.

### TOURNEY IN FEW DAYS.

### Many Entries Are Expected for Large Meet.

The tennis tournament that will decide the university championship will be held some time during the present week. Many students who belong to the tennis club have signified their desire to enter the tournament, so it is expected that this year's meet will be the largest in the history of Nebraska. The exact schedule will be out in a few days.

### SENIORS NOTICE.

Being unable to make satisfactory arrangements with the company furnishing the invitations, I find it necessary to call upon those who have ordered invitations to come to the library Thursday or Friday and pay the amount due, as the invitations cannot be obtained from the express company until the full amount is on hand, as they come C. O. D. I also have a number of extras for those who have not ordered. The invitations will be here Thursday or Friday.

H. O. PERRY,  
Chairman.

### Notice.

Cosmopolitan Club meets at Townsend's at 12 o'clock today to have pictures taken. All members are requested to be present.

## "ARMS AND THE MAN" PLAYS TO FULL HOUSE

### BERNARD SHAW PLAY PRESENTED BY DRAMATIC CLUB.

### ACTING AND EFFECTS ARE GOOD

#### Play Deals With War-Time in Bulgaria—Gorgeous Costumes Add Greatly to Picturesqueness of Scenes.

"Arms and the Men" was presented to a full house at the Temple theater last evening. The play was the regular semester play given by the Dramatic Club of the university.

The play was perhaps one of the best ever staged by the Dramatic Club. One of Bernard Shaw's characteristic comedies was given with striking effect. The interpretation of the parts was excellent and the stage effects were of the best. The play was distinctly a costume play, and the stage presented an almost gorgeous appearance throughout. An orchestra engaged by the club furnished the music for the evening.

Laurence Coy as Captain Bluntschli was a typical Shaw man. His acting last evening in the principal part was almost perfect. Miss Eleanor Barbour as Raina also starred. J. A. Nesbit as Major Saranoff and Helen Mitchell as Louka presented strong parts well. S. P. Dobbs as Major Petkoff and Margaret Wheeler as Catherine, his wife, interpreted their parts successfully. Grover Long took the part of Nicola.

### Plot of Play.

The first act opens in the bedroom of a Bulgarian army officer's home. His daughter has just retired when her room is unceremoniously entered by a Servian army officer, who is fleeing from the Bulgarians. In a short time pursuers search the bedroom, but fail to find the captain, as the girl has hidden him and lies to prevent the officer in charge of the search from discovering him.

During the second act the Bulgarian officer returns home in company with a major who is engaged to the officer's daughter. The major, while delighted to reach his fiancée's home, starts to make love to the pretty maid as soon as he is alone with her. The maid very subtly lays plans to entrap the major.

In the third act the Servian captain returns in order to see the daughter, and then developments come thick and fast, with the result that things are unexpectedly and humorously fixed up to give general satisfaction.
