Scrimmage with a vengeance was the program for King Cole's huskies Wednesday evening. Every candidate for the team was given a thorough work-out for two hours. The freshmen were kept busy handling the varsity eleven. Eighteen men were tried out for positions on the first team.

King Cole has not settled on the line-up for the game with Peru Saturday, and it is very probable that all the men will get a chance to take a whirl at the Normalites before the game is over. The Normal men are touted as being stronger this year than they have ever been before, and it is very probable that the varsity eleven will not run up an enormous score on the men from the little school.

### Shonka at Tackle.

King Cole has made one decision which will give the Cornhusker supporters joy, and it is that Shonka, the big center on last year's team, will hold down one of the tackle positions. Captain Temple will probably be the other tackle. However, Captain "Jack" showed that he was a fast man in the back-field the first year he was on the team, and he may be pulled back behind the line if everything does not go to suit the taste of the coach. This year Temple has shown that he is in the best shape he has ever been in, and chances are, with Shonka and Temple as tackles, that the varsity will have two men as its members who will give all of the western tackles a run for their money for a place on the all-western eleven.

Hornberger as center has been playing a good game and deserves a great deal of credit for the work he has done. Last year he was well trained in having to buck Shonka, and this experience has given him a confidence which has pleased the coaches and the supporters of the Scarlet and Cream eleven.

### Frank Speedy.

Owen Frank, who won his letter last year for his work in the back-field, both as half and quarter, has shown the coach that he is speedier than ever. In signal practice he has been able to get away from his interference time and again. He is heavier this year than he was last, and he will in all probability hold down the back-field job left vacant by Captain Beltzer of last year's team when he graduated.

Collins and Rathbone, both veterans, have not returned, and they are expected to don suits any time. "Ernie" Frank, brother of the veteran, who played a dandy game on the freshman team in 1909, has been worked as one of the other back-field men, along with Gibson, who has developed a rare ability to boot the pigskin. Gibson has been lined up behind the line, and this year he has been able to send the ball through the air for fifty yards time and time again.

Candidates for the line positions will have to be picked from men who have played on the scrub teams in the past. Swanson, one of the medium weight men, has been tried in the position. Buol, another of the huskies, has been showing up well. Two years ago Buol held down a guard position on the reserve team, and this year he is back in school weighing a little less, but lacking none of the surplus steam that he had when he was in school before.

Pearse, a junior, has been showing up well as a candidate for a job as tackle or back-field. He has been working on the squad for two years and has shown that he is well able to take care of his opponent.

Elliott, who won his letter in the Denver game last year, has been worked both in the line and in the back-field. He has developed speed enough so that he can take a back-

field position should occasion demand.

Hascall and Warner are the two candidates for the quarter position. Hascall won his letter in the Iowa game last year and Warner was an end on the freshman team last year. Both men have been working hard and show that they will be able to deliver the goods. However, the coaches are very reticent and have nothing to say regarding the situation and the chances of the Cornhuskers. The first game Saturday will enable them to get a better line on the candidates so that they will be able to tell exactly what the men will be able to do.

### HARD SLUGGER HERE.

Former Peru Man Has Registered in the Law College for Work.

Ward McDowell, who played for two years on the baseball team at Peru Normal, is one of the recruits this year in the freshman law class. McDowell played second base at Peru. He had a hitting average of .440 and was smiled upon at one time by American league magnates. He, however, decided to enter the law school in preference to playing ball for a living. His home is at Hardy, Neb.

McDowell wears a blue sweater which displays a large white "P," standing for Peru. He was a good "pinch hitter" and slugged the ball at the crucial moment so often that he was presented with a gold medal by the students at the close of the season last spring. He wears this medal as a watch fob. McDowell has secured work in a local law office and says that he expects to stay at Nebraska until he completes his course. He may be a candidate for a place on the Nebraska team next spring.

Syracuse university freshmen are taught to swim. They are not merely unceremoniously dropped in, but have an instructor who is not a sophomore.

"The man who has the study habit, the health habit and the work habit, has the key to the situation. Nations have gone down to dust because they quit work to play."—Elbert Hubbard.

## FRATS CHANGE THEIR HOMES

GREEK LETTER ORGANIZATIONS FORM A GROUP.

"FRAT" ROW NOW ESTABLISHED

THIRTEENTH AND R STREETS IS THE CENTER.

Some Organizations Own Their Houses and Have Not Changed for a Number of Years.

Fraternity and sorority houses at the University of Nebraska will largely remain unchanged as regards locations this year. Two sororities will move and one which has never had a home will be housed for the first time. Four fraternities will leave the old chapter house this fall and seek new quarters.

Phi Delta Theta, Alpha Theta Chi, Phi Kappa Psi, Sigma Chi, Delta Tau Delta, and Phi Gamma Delta own or hold an interest in the present chapter houses.

Delta Upsilon will remove its quarters, entering the Schmidt house at the northeast intersection of Thirteenth and R streets. The Phi Gams, in moving to their house at 1216 H street, left a chapter home which had housed the fraternity for six years.

Sigma Nu takes the house occupied by the Kappa Kappa Gamma sorority for the past three years, 1527 M street. Beta Theta Pi removes to the White house on Seventeenth and F streets.

Kappa Sigma will remove from Tenth and H streets to 329 North Seventeenth street.

Kappa Alpha Theta, Alpha Phi, Delta Gamma, Delta Delta Delta and Pi Beta Phi have long leases on the houses which they occupy at present, and will remain in them during the coming year. Alpha Omicron Pi and Chi Omega will stay in the houses to which they removed at the close of the last school year. Alpha Chi Omega and Kappa Kappa Gamma are the only sororities to change locations, but Delta Zeta takes a house for the first time.

Alpha Chi Omega has secured the house at 328 North 13th street. Kappa Kappa Gamma will reverse the ordinary trend and move further from the university, taking a house at 435 North Twenty-fifth street. Delta Zeta starts its first full collegiate year at 1328 South Fifteenth street.

The fraternities and sororities are bunching near the university. There will be six sorority houses within a block of the corner of Thirteenth and R, one two blocks away and one three, while the other three sororities are in east or South Lincoln. Seven fraternity houses will be within five blocks of the east side of the campus, but the men's organizations are further removed than the sororities.

The addresses are as follows:

- Fraternities.**  
 Acacia, 1228 R street.  
 Alpha Tau Omega, 2603 O street.  
 Alpha Theta Chi, 1412 R street.
