TEAM AVERAGES 171 POUNDS

CORNHUSKERS LINE TIPS THE SCALES AT 180.

FOOTBALL RALLY THURSDAY 11 A. M.

BAND TO BE THERE—EAGER AND COLE TO SPEAK.

Saturday's Games Showed Kansas and Ames Not in the Best of Form.

Nebraska will meet Minnesota on Saturday with a team averaging 171 pounds. The back field is light, with an average of 156, while the line looms up with 180.

Following are the weights: Chauner, 161; Shonka, 201; Elliott, 188; Collins, 177; Hornberger, 197; Temple, 181; Fofgren, 160; Warner, 155; O. Frank, 156; Rathbone, 158; E. Frank, 151; Minor, 152.

The following Minnesota line-up was used in the Minnesota-Ames game and will probably be but little changed in the Nebraska game: Pickering, left end; Walker, left tackle; Bromley, left guard; Morrell, center; Robinson, right guard; Young, right tackle; Frank, right end; McGovern, quarterback; Rosenwalk, left half; Stevens, right half; Johnston, full back.

Yesterday for about fifteen minutes the Cornhuskers went through one of the hardest scrimmage practices they have had against the pick of the freshmen.

The regulars did not have an easy time with the first year team and while they made big gains one after another it was far from a walkaway. It is probable that another afternoon of scrimmage will be gone through with today.

Football Rally Thursday.

At 11 o'clock Thursday morning a football rally will be held in Memorial hall where all the "rally enthusiasts" which Nebraska rooters have so far been unable to get rid of, will be turned loose.

The rally will be in reality the first installment of the send-off the team is to receive upon its departure for Minneapolis. The university band will be present to help along the big noise. Coach Cole, Manager Eager and a number of the football players are scheduled for speeches.

Expect Large Attendance.

It is scarcely necessary to say that the team and its closest supporters are looking for a large attendance. After all that has been said and done about football rallies, and since this one was finally secured, there is little fear of a lack of attendants.

The other installment of the send-off will be given at the station Thursday evening when the team boards a train for Minneapolis. Every rooter who cannot go with the team in person is urged to join the crowd at the depot, buy a ticket and go in spirit.

Games Show Weaknesses.

The football contests of Saturday in which Nebraska is vitally interested showed a remarkable weakness on the part of two of the future opponents of the Cornhuskers and an equally remarkable strength on the part of one. Ames was overwhelmed by the powerful attack of the Minnesota Gophers, a 49 to 0 score being handed up. Kansas was held to a close score by St. Mary's, a minor Kansas school, the Jayhawkers being only able to score nine points while their opponents earned a touchdown.

Newspaper reports of the two games all comment on the weakness and lack of knowledge of the game showed by the first year men who make up seven each of the Ames and Kansas teams. The Kansas backfield seems to have shown good form Saturday, but their line was weak. Ames, looked forward to as a stiff contest, failed to show anything, the only redeeming feature of the Aggies' work being their ability to brace and hold the Gophers down a little in the last half.

Another star player has been added to the freshmen squad. This is Earl Krouse, formerly of Beatrice high. Krouse, Purdy, the other freshman half, and Mulligan, the quarter, are all from the same high school and give the freshmen a backfield which is

used to working together. Krouse made a very good showing on his first night, proving himself a nifty line buckler, especially difficult to tackle. He weighs about 170 pounds. He is looked on as excellent material for 1911.

Cole put in a large share of his time Monday night, coaching Seidell, the full-back find of last week. Seidell is a willing fellow, but has much to learn of the game. The coach thinks that nothing can stop him if he once gets on to how to use his marvelous line-bucking power. He is picking up the signals and may be available in case of necessity next Saturday.

NORTHWESTERN PILES UP IOWA.

Purple Retrieves Its Defeat of Last Week by Victory Over Hawkeyes.

Chicago, I.—Northwestern "came back" this afternoon. After a humiliating defeat the week before by a second rate team in which the purple players gave a wretched exhibition of every department of the game, the Evanston men put up a fast and powerful game that Iowa found it impossible to overcome and the purple won 10 to 5.

It was the first time that Northwestern ever defeated the Hawkeyes at football. In the other two games played by the two institutions, the old gold and black won the first, played at Evanston thirteen years ago. Just a decade ago the two teams met at Rock Island in a Thanksgiving-day contest, which was a tie, 15 to 15.

MISSOURI CAPTAIN OUT.

Thatcher Has a Bad Knee and Will Be Unable to Enter Game.

Columbia, Mo.—That Captain Frank B. Thatcher of the Missouri university football team will not be able to get into the game against Iowa Saturday is the statement made here by Dr. D. F. Luby, the Missouri trainer. Thatcher has had a bad knee and injured it again in the Monmouth game. Luby says he will be out of the game for two weeks and possible three. This would keep him out of the Ames contest also and possibly the Oklahoma game, but the rooters think that he will be in shape to play by the time of the Ames game, which will be played here October 22. The loss of Thatcher in the Iowa game will weaken the Missouri line a great deal. With the exception of Johnson, at tackle, the line positions will be filled by Craig, a sophomore. Craig weighs about 175 pounds and is a shifty player, but he lacks Thatcher's aggressiveness.

LINCOLN HIGH GAME.

Local Team to Meet Hastings on the Nebraska Field.

The first home game of the local high school football team will be played on the university athletic field, Hastings high school being the opponents. The showing made by Lincoln Saturday when by a sensational burst of speed they scored twelve points in the last quarter against West Des Moines high school and tied up the score, has aroused a great deal of interest among the followers of the local school. Coach Nichols and Captain Westover are working with the high school boys and expect to have them in much better shape for Hastings than they were for West Des Moines.

Colorado.

The University of Colorado football team has been trying only one change in formation in the line as a result of the new rules. It is to have the center pass the ball sideways instead of through his legs, as custom has always made him do it.

Coach Folsom has been trying the scheme off and on ever since the

season opened, but he has finally come to the conclusion that it will not work effectively. Not that it is not a safe way to pass the ball from the center to the backs, but it does not prove to give the center enough defense of his opponent after the ball is passed. The ball can be more accurately passed to the backfield the new way, but the center cannot simultaneously plunge into the line without turning half way around. It is found that he could easily be toppled over by the opposing center while off his guard.

The center now has to judge his distance to the backs much like he did in the previous game when he was throwing the ball for a punt or a place kick. Folsom says it will take a steady man in the center of the line to place the ball in the hands of the backs. The Colorado quarterback will play back of the backs throughout the season except in cases where the situation demands he play as middleman.

President Northrop of Minnesota has taken action to abolish the gambling alleged to be going on in cigar stores about the university campus.
