## GIRL'S MASS MEETING TODAY

### SORORITY ASKS FOR BERTHS

GIRLS MAY GO TO KANSAS IN A SPECIAL CAR.

### TEAM GETS READY FOR DENVER

COLD WEATHER PUTS NEW LIFE INTO CORNHUSKERS.

Basketball Team is in Need of a Coach—An All Round Man is Desired.

One of the leading sororities has notified Manager Eager of the athletic department that its members, a majority of them at least, want a special car for the Kansas-Nebraska football game to be played at Lawrence November 5. The sorority does not want its name given out as circumstances may arise which would prevent carrying out the plan.

Manager Eager urges that every student who can possibly do so accompany the team on the trip to Lawrence. While the railroads have refused to grant special rates, the manager does not want to see Nebraska outdone by Kansas. Last year Kansas sent up one of the largest delegations of rooters they have ever sent. And there were no special railroad rates.

#### Getting Ready for Denver.

The Cornhuskers are putting in some hard work getting ready for the game with Denver. The Mountaineers come Saturday for the next big game on Nebraska's schedule. With the exception of Elliott, whose place at guard will be filled by Harmon, the line-up will probably be the same as the one used in the Minnesota game. Elliott, who came out of the Minnesota game with a broken collar bone, will probably be out for the remainder of the season. Harmon is playing a good game and the line will be little weakened by Elliott's loss, although he was conceded to be the best man of the two.

#### Weather is Improving.

From a football standpoint the weather is picking up. Although yesterday was cold enough to be uncomfortable for the few spectators and sporting editors who gathered to watch the practice, it was just about right for the football men. Their work went through with a snap and ginger which could not be aroused when the weather was so excessively warm. If the cool spell continues until Saturday—an advance of a few degrees would improve it—the Denver game will be an improvement on those that have gone before.

#### Coach Wants Better Offense.

Coach Cole is pounding away at offensive play and is spending most of his time drilling the team in running with the ball and putting up better interference. The new shift play, a creation of "King" Cole's, and a number of other new formations are all looking toward the improvement of the Cornhuskers' offensive play.

On the defense Nebraska is strong. The line is just as good as last year's line. The Nebraskans not only stopped time and again, the heavy line plunges of Minnesota last Saturday, but Temple, Collins and Shonka stopped many plays by tearing holes in the line and breaking up interference almost before it was formed.

#### What is Denver Doing?

Some dopsters have it that Denver is playing a better game this year than last. Others send out the information that the team is weaker than

last year. So far, neither side of the question has put up much proof of its contention, and Denver's strength, or lack thereof, is much a matter of conjecture.

#### Job Open for Someone.

No coach has yet been selected for the basketball team. Practice has commenced and a decision must be made soon if the coming season is to be a successful one.

An all round man is wanted for the place as coach—a man who can put up a winning basketball team and who can also take a hand in helping get the track men in shape. It is not known whether Hewitt, last year's basketball coach, will be back this fall or not.

#### RECITAL BY MRS. KNAPP.

Convocation Today at the Temple Auditorium.

The program for the next convocation will be a violin recital by Mrs. Silence Dales-Knapp, and is as follows:

Alr. . . . . Mattheson  
Walzer. . . . . Hegar  
Humoreske. . . . . Sinding  
L'legende. . . . . Zarzyski  
Mazurka. . . . . Zarzyski  
Miss Louise Zumwinkel at the piano.  
This program will be given at the Temple auditorium, Thursday at 11 a. m.

#### TO PLAN FOR OLYMPICS.

Freshman Committee Will Meet at 11 a. m. Today.

Chairman Purdy of the freshman Olympics committee has called a meeting to be held at 11 o'clock today in the Temple. Plans for the class scrap events to be held on October 29. The freshmen were late in getting started but expect to put up a list of entries which will give the sophomores a busy time. The committee members are: Purdy, Epperson, Beck, Nouse, Danielson and Mitchell.

#### CLASSES WELL ATTENDED.

Y. M. C. A. Bible Study Divisions Have to Be Limited.

The Bible study classes of the university Y. M. C. A., which commenced this week, are being well attended by the students, many of the classes having to place a limitation on registrations. Professor Brownell, who is conducting a class in the "Life of Christ" course, has been swamped with registrations and has limited the class to fifty. Sixteen other smaller classes in Bible study will be started this week in different parts of the city.

#### MEETING OF GERMAN CLUB.

New Members of Organization to Be Elected Tonight.

The German club (Deutsche Gesellschaft) will hold one of the most important meetings of the year tonight at the home of Mr. and Mrs. Frank Reinsch, 309 North Twenty fourth street.

The membership of the club is limited to thirty, and only twenty-two old members are back in school. This leaves eight new members to be elected from the recommended list issued by the professors of the department. Only those students taking German 7 or a higher course are eligible. Every member of the club is requested to be present and vote. There is a large number of eligibles this year. A good time has been assured to all who attend this meeting at the new home of Mr. and Mrs. Reinsch.

### PLANS ARE NOW COMPLETE

MOVEMENT HAS BEEN OFFICIALLY ANNOUNCED.

### STUDENT PASTOR WILL BE IN CHARGE

METHOD OF HELPING STUDENTS DIFFERENT IN THIS CASE.

Manse to Be Secured Near the University for Rev. D. R. Leland, Where He May Be Visited by All.

The plans for the Presbyterian church of Nebraska in regard to the establishment of a fund for university students who need financial aid have now been officially announced. The movement, which received the sanction of the Presbyterian synod a short time ago and which was published Tuesday, has now been definitely launched. The details of the movement, as given by Rev. Dean R. Leland, are as follows:

Various plans have been employed in large universities of the middle west for the last six or eight years in an effort to meet the religious needs of the students of the respective universities. These needs have been interpreted in different ways and the plan of work adopted in accordance with the interpretation.

#### Some Have Guilds.

At some state universities and school centers the denominations have adopted guild houses, such as the Bushnell guild of the Congregational church of Lincoln. In other university centers a university church has been erected. This plan was adopted by the Catholic church in the University of Wisconsin and in several churches at the University of Illinois.

But in most universities the Presbyterian church has approved the plan of installing a university pastor for the Presbyterian students, whose specific duty is to act as personal advisor and friend, offering an opportunity for helping the student in his religious needs and counseling him in matters touching his future work.

In order to carry out this movement, the First Presbyterian church of Lincoln about a year ago called Rev. Dean Leland to develop this kind of work at Nebraska. It was generally expected that the whole Presbyterian church of the state would sooner or later desire to have a share in executing this work. The expectations came true, and at a recent meeting of the synod at Beatrice, which closed Monday evening, an association was formed, called the Presbyterian Association of the University of Nebraska, with the following purpose in view:

#### The Purpose.

"The association is organized to conserve and develop the religious life of the Presbyterian students of the state university through pastoral counsel and oversight, and by co-operation with the board of education within the university itself, to supply those opportunities of religious instruction, worship, and practical Christian service, which is admitted by all furnish the necessary elements in all true education and life."

In the organization of this association, the affairs will be conducted by an executive council of seven men. The church has appointed Rev. W. W. Lawrence, Mr. M. W. Folsom, Professor A. A. Reed of the First Presbyterian church, Lincoln; Mr. Fred M. Mason of Westminster church, Lincoln; Rev. Dr. B. M. Long of the Second Presbyterian church, Lincoln; Mr.

Warren Switzler of Omaha, and Rev. Dr. Leon Young of Beatrice.

A manse for the university pastor Rev. Dr. Dean R. Leland, will be secured near the university campus, which is intended not as a guild house or dormitory, but a home where students will be welcomed at all times thus carrying out the idea of the university pastorate for the students of a particular denomination.

No part of the funds, however, that may be collected will be used for any other purpose than that of the necessary expenses to conduct the work.

#### OLYMPICS MEETING TODAY.

Committee Will Outline List of Class Scrap Events.

E. H. Hahne, chairman of the Olympics committee, has called a meeting of the senior and junior committee men for this morning. The meeting will be held in U106 at 11:30 o'clock. Plans for the coming class scrap will be outlined at that time. It is reported that a number of important changes will be made in the list of events as run off last year.

#### FACULTY MEN'S DINNER.

Feed to Be Held at the Lindell Hotel Tonight at 6:30.

The University Faculty Men's club will hold a dinner Thursday evening at 6:30 o'clock at the Lindell. As plans for the extension of the club will be discussed, every member is urged to be present. Before this year the place of meeting was the Lincoln and the time at 7 o'clock. Members are requested to please take note of the change in both time and place.

#### GIRLS' MASS MEETING.

To Encourage Interest in Athletics Among Co-Eds.

The football rally which has been scheduled for Thursday morning at 11:30 has been changed to a girls' mass meeting. This change has been made so that the interests of the university women in athletics may be awakened. A special section has been reserved in the grandstand for the university girls holding general admission tickets, and efforts will be made to get more of the co-eds to purchase the tickets, which will admit university students and faculty members to all the athletic events of the year. The meeting will be in charge of the Black Masque, the society of senior girls.

#### FOOTBALL MEN ON THEIR HONOR

Kansas Players Adopt New System to Keep Training Rules.

The "honor system" has been adopted by the Kansas coaches in regard to the football games. Coach Kennedy announced that a committee of three composed of Pete Hall, Ammons and Captain Johnson, the only three "K" men on the squad, had been appointed as a sort of surveillance committee to see that the members of the team obeyed the training rules.

He warned the members of the squad that if they were reported and found guilty of dancing, theater-going, smoking, staying up late at night or violating the training rules in any way they would be asked to turn in their suits. The coach said this morning:

"It is hard to train properly without a training table, and this action is the only alternative. So far I am well pleased with the attitude of the men. All of them show a disposition to obey the rules and keep in the best possible physical condition."

### TAKES A SHOT AT DAHLMAN

RICHARD L. METCALFE SPEAKS BEFORE Y. M. C. A.

### "COUNTY OPTION" HIS SUBJECT

SAYS DAHLMAN WAS NOMINATED BY "WET" REPUBLICANS.

Has Put Three Questions to Lawyers of the State Which Have Not Been Answered as Yet.

Richard L. Metcalfe, associate editor of the Commoner, spoke last night before the members of the university Y. M. C. A. at their regular mid-week meeting, at the request of the association, on the subject of "County Option."

Mr. Metcalfe criticised the action of the democratic party in opposing the county option question. He also stated that if the democratic party is to be a whiskey party, that he didn't want to come back into the democratic fold. In his talk of about an hour Mr. Metcalfe stated that wet republicans nominated Dahlman under beer standards.

Mr. Metcalfe said in part: "I have asked a large number of lawyers all over the state three questions, and so far I have not received a satisfactory answer. These questions are as follows:

"1. Is it true that the saloon is a lie?

"2. Is it true that people outside the cities bear the liabilities of the city?

"3. Do men have a right to express their opinion of their liabilities?

"I have found that one 'wet' county contaminates others and these must bear the liabilities. But the only solution to this problem is state-wide prohibition. But this is too great a step at the present time. The people who profess favoritism to county option attack the saloon first. The solution is not here; it is in the men who favor the saloon.

"However, I believe that if Dahlman is elected that a movement for state-wide prohibition will be started at once. I know of organizations in this state which are such that only this one thing could result. At Grand Island there is a bartenders' union that is the worst of any I ever experienced.

"Dahlman is all right personally, but his policies are wrong. He was nominated by 'wet' republicans under beer standards. The democratic party approves the eight o'clock closing law, but with Dahlman in office it will be repudiated.

"This is the worst campaign I have ever experienced. It has become a personal campaign, and every morning the papers are full of charges and counter charges. This is the result of 'special interests' which have been put up. It means the destruction of the democratic party. I feel that if the democratic party is to be a whiskey party, then I don't want to 'come back.'

"It depends upon you university students to force the question in the right way, that is, in an argumentative manner. Put it on an argumentative basis, and then the issues of the day will be brought out clearly.

"I believe that the democratic party will defeat Dahlman, however, I am now on my way to other parts of the state where I will discuss the issues and try to put them before the people in their true light."
