**SPECIAL CLASSES FOR UNIMEN**  
 AN OPPORTUNITY TO TAKE UTILITARIAN STUDIES.  
 Afternoon and Evening Classes in  
 Shorthand, Bookkeeping, Typewriting,  
 Penmanship At Nebraska School of Business.

**EXPERIENCE OF UNIVERSITY MEN**  
 The Nebraska School of Business, located in the Hall Bros. building, 1519 O street, is organizing special afternoon and evening classes at convenient hours for university students who wish to study either shorthand, typewriting, bookkeeping or penmanship. The evening classes meet three evenings each week—Monday, Wednesday and Friday. University students may arrange for any number of hours per week that they may wish to take, and the rates for tuition will be very reasonable. The instruction is given by teachers of long experience and recognized ability.  
 Mr. Glenn O. Taylor, B. A., LL. B., speaking from his own experience, says: "I have no hesitation in saying that I believe the freshman in college makes a mistake if he does not avail himself of the opportunity of studying shorthand and typewriting. The student who has a knowledge of shorthand has not only a very rapid means of taking notes from class work to be used later as references in preparation for reviews and examinations, but also has a knowledge which may be readily turned into money during his spare hours and vacations. Moreover, such student, when his college course is finished, is assured immediate employment in the commercial world."  
 Mr. Frank Oates, a student of the N. S. B., who held a position with the B. & M. in this city last year, is now paying his way through Northwestern, at Evanston, with his shorthand and typewriting.  
 Any university students interested in these special classes are invited to call at the school and obtain further particulars. The school is located on O street in the Hall Bros. building, just east of the F. & M. bank.
