

**PLANS FOR MONSTER RALLY**

TEAM WILL BE GIVEN AN OVA-TION TUESDAY MORNING.

EVERY ROOTER URGED TO ATTEND

ENTHUSIASM WILL BE STIRRED UP FOR KANSAS GAME.

Manager Eager Will Talk of the Kansas Trip—Cadet Band Will Furnish the Music.

The biggest university football rally of the year is scheduled to take place next Tuesday morning at 11 o'clock in Memorial hall. This rally is being called for the purpose of arousing enough enthusiasm to carry Nebraska's varsity team through the Sunflower state without a flinch.

The rally this time will be called on Tuesday instead of Thursday, because of the early departure of the team; also that the officials in charge may secure a fairly accurate estimate of the number of rooters and enthusiasts who will accompany the team on its southern trip. This number must be closely approximated in order that coaches may be ordered in advance.

The manager of the rally Tuesday has especially urged that every loyal Nebraskan come to the support of the team before the fight which means the most to the school takes place. Up to this time, Nebraska and Kansas have had about an even break, but it is the Cornhuskers' time to win this year, and the upperclassmen do not want even a possibility that the team might attribute defeat to a lack of enthusiasm in the student body.

The nature of the rally Tuesday will be practically the same as that of the previous football rallies. The band will be present and will deliver samples of the manner in which they

will conduct themselves while in Lawrence. "Dog" Eager will make a short speech on the Kansas trip, and probably give some "dope" on the final result of the game. Dr. Condra will uphold the rooting side of the campaign.

Preparations are being made to give the team a big send-off at the train; one which will even exceed the Minnesota departure. Because of the undecided time of leaving, nothing definite has been outlined, but it is rumored that the entire cadet battalion will be there, headed by the band.

Kenyon college is appealing to her alumni to wipe out a large athletic debt.

An investigation of what the graduates of the University of Illinois are doing has brought to light the fact that 84 per cent are doing the work for which they received training.

Robert Lee, a professional aviator, and a graduate of Michigan university, created great excitement upon his arrival in an aeroplane at Ann Arbor.

Northwestern university is backing a movement, which will establish a college at Singapore this year. There is not another college within a radius of 1,500 miles for the population of 60,000,000.

The freshman class at Pennsylvania is encountering difficulties in organizing a cross country team. Thus far only one has reported.

The registration of 2214 at the University of Kansas includes students from eleven states, and from Holland, Russia, Turkey and Cuba.

The senior class at Illinois has initiated a movement looking to the abolishment of final examinations in the second semester of the senior year.
