FOOTBALL RALLY TODAY

ARE AFTER KANSAS GAME

CORNHUSKERS LAY LOW SATURDAY AFTERNOON.

DEFEAT DOANE BY 6 TO 0 SCORE

LINCOLN HIGH TAKES OMAHA HIGH INTO CAMP 9 TO 6.

Jayhawker Money Arrives in Lincoln
—"Tub" Reed Becomes Talkative—Rally This Morning at 11 O'clock.

Nebraska won from Doane, 6 to 0, and Lincoln high won from Omaha high, 9 to 6, in the double header football game played Saturday on Nebraska field.

Of the two games the one between the two high school teams was the most interesting and the hardest fought. Both Lincoln and Omaha had splendid teams and the university game, following the high school contest, looked tame by comparison.

Only about half the Cornhuskers who were put in against Doane are regular varsity men. Those who did not go in, among whom were Warner, Owen Frank and Collins, are being kept in shape for the game with Kansas on Saturday.

"Les" Mann Stars Again.
"Les" Mann proved himself the backbone of the Lincoln eleven. From his position at quarter he handled his team with a generalship seldom seen on the Nebraska grounds. On end runs he seldom failed to make his distance, with a dodging, ducking, twisting run on the same order as McGovern of Minnesota. Mann scored all of Lincoln's points, touchdown, kicked goal, and field goal.

Omaha scored first, crossing Lincoln's line for a touchdown in the first quarter. Voyle Rector kicked goal and the first quarter closed 6 to 0 in Omaha's favor. Lincoln started with a rush in the second quarter and after a few minutes of play Mann went across for a touchdown, kicking the goal. A few minutes later Mann sent a beautiful drop kick between the bars for three more points, and the half closed 9 to 6.

In the last half it was a game of see-saw. Neither side could gain, and the score did not change.

First Half, 0 to 0.
Nebraska and Doane played an even game in the first half, neither side scoring and neither team securing any decided advantages. Doane put up a better game than had been expected and the Cornhuskers had to scrap for the six points they made.

The lone touchdown was made by Rathbone in the third quarter. The Cornhuskers started the third quarter with the first display of real football they put up during the game. On a series of forward passes, end runs and line plunges they carried the ball from the center of the field to within four yards of the Doane goal, and Rathbone went through the line for the tally.

"We Must Beat Kansas."
"We must beat Kansas" is again the Nebraska slogan. The team leaves Friday night for Lawrence for the annual game with the Jayhawkers.

While the fight put up against Kansas last year, and the resultant score of 6 to 0, will go down in history as one of the university's best efforts, the boys are going to Lawrence Saturday prepared to make the fight of their lives.

Come Nebraska,
Come Nebraska,
Let's be fighting for Nebraska.
When we're through with those Jayhawkers
They'll not sing their rock-chalk song.

Tune—"What's the Matter with Father?"
What's the matter with Kansas?
They're all in.

What's the matter with Kansas?
They're playing pretty thin.
See us go through that paper line.
The score will be about 20 to 9.
What's the matter with Kansas?

FRESHMAN MEETING THURSDAY

VICTORS IN CLASS SCRAP ARE EXCEEDINGLY JUBILANT.

SOPHS DID NOT HAVE A SHOW

FIRST YEAR MEN WIN BY A SCORE OF 108 TO 20.

Cap Committee is Appointed and Will Report to the Class Thursday.

William Gilmore, president of the victorious freshman class, announced last night that there would be an important class meeting Thursday morning at 11:30 in the Temple theater. The first year men are jubilant over their great victory over the sophomores. The score for the Olympics of last Saturday was 108 to 20 and the freshmen had the long end of the count. They expected to win, but not by such a large margin. The scrap on Saturday is supposed to settle the matter of class supremacy for this year.

The freshmen had the edge on the sophomores at every stage of the game.

Sophs Win at Wrestling.
The second year men won all three of the wrestling bouts and one of the boxing matches, but lost all of the other events.

Three hundred and fifty men participated in the free-for-all cow bell fight, which was the big event of the program. The freshmen had the advantage in numbers and in superior organization. At the end of the twelve minute period, they had possession of the full quota of eleven bells, thereby adding 55 points to their score. Three men were injured further than the many bruises which scores sustained. Joseph Tickus of Walthill sustained a broken collar bone, Frank Cruse, 1420 Garden street, has a broken ankle, and Russell Dockwood of Omaha was injured about the head. Lockwood had sufficiently recovered Monday to attend classes.

Cap Committee Appointed.

President Gilmore has appointed the freshman cap committee and caps will be ordered at once. Wesley Beck is chairman of the committee, with Charles Epperson and Miss Elsie Jaeggi as committee members. Several improvised caps appeared on the campus yesterday. One of them was a gray cap of ordinary golf style, with black numerals. A second piece of headgear was a blue cap similar to the cap worn by the sophomores. The numerals "14" were roughly embroidered in yellow. The improvised headgear attracted some attention.

SPECIAL TRAIN TO KANSAS

EXCELLENT ACCOMMODATIONS PLANNED FOR CORNHUSKERS.

RATE OF \$2.50 FOR THE TRIP

TOURIST AND PULLMAN SLEEPERS TO BE PROVIDED.

Excursion to Leave Lincoln at 9 p. m. Friday—Returning, Will Leave Lawrence Saturday Night.

Now that the time for the struggle draws near, everyone is thinking of the Kansas-Nebraska game which is to be fought out at Lawrence next Saturday afternoon. And the fact that the big game is going to be held away from home has not lessened the spirit one trifle. In fact the Jayhawkers are going to have a double proposition on their hands this year, for, if present plans do not miscarry there will be a rooting section sent with the team that will make the Kansans sit up and take notice.

Special Train.
To further this end, the Union Pacific is going to put on a special train from Lincoln to Lawrence and return that will accommodate a crowd big enough to fill all the spare room on McCook field, if such a delegation signifies its intention of going.

The train will be run by way of Marysville, and from there over the new line through Topeka to Lawrence. In this way a distance of twenty-one miles is gained, making the time of travel that much shorter.

Although the train may be called an excursion, yet it will far excel one in its appointments. Standard tourist and Pullman sleepers will be provided at reasonable rates. The charge for accommodations on the tourist will be one dollar each way, while one may ride a la Pullman for double that price. Besides these sleeping arrangements, comfortable chair cars and a cafe smoking car will complete the train.

The hours for arrival and departure have been arranged so as to satisfy the students' greatest convenience. The train will leave Lincoln about 9 or 10 o'clock Friday night, and will arrive in Lawrence in time for breakfast. Instead of leaving there as soon as the game is called, the train will wait until late in the evening before leaving in order that opportunity will be given, the students to visit their friends at K. U. As several fraternity and sorority functions are being planned by the Kansas Greeks in honor of their Nebraska invaders, this arrangement is expected to prove very satisfactory to all of those who are so concerned. The train will return to Lincoln probably in time for breakfast Sunday.

The Fare.

The fare will be seven dollars and a half for the round trip. Under existing conditions, a five dollar rate was impossible, as permission for the same must be in the hands of the railway commission a month in advance. The railroad officials, however, intend to make up for this by putting on a train that will make the trip a pleasure to all who go.

CROSS-COUNTRY TRY-OUT.

First Track Trials Will Be Held Next Wednesday.

The beginning of activity along the line of track athletics will be on Wednesday, November 2, at 4 p. m., when the first cross-country try-out will be held. All men who are interested are urged to try for the squad.

SONGS.

Tune—"Put on Your Old Gray Bonnet."
Get your old formation,
The best in creation,
And make the linesmen tag along.
With the ball a-going,
We will make our showing,
At the trembling Jayhawkers' song.

Get your old brass cornet,
And the old bass hornet,
We will go to Kansas without fears.
"Bones" with Frank, Sid and Chauner,
And the rest with Warner
Will bring back eleven ears.
—Foster.

Tune—"Wearing of the Green."
So we'll sing to old Nebraska,
And the Scarlet and the Cream;
We'll sing to old Nebraska,
And her gallant football team;
And when we get to heaven,
We'll give Nebraska's yell,
We'll give it down in
Yell—
"Cheer up, boys, there ain't no h—!"

WEAVERLING THE CHAMPION

DEFEATS FLORY IN THE TENNIS FINALS, 7-5, 6-3, 6-3.

WINNER'S SOUTHPAW WORKS WELL

FLORY WINS FIRST THREE GAMES IN LAST TWO SETS.

Rumor Has It that Mixed Doubles May Be Played in the Spring Meet.

Ralph Weaverling defeated Flory Saturday in the final round of the university singles tennis championship tournament. This match was probably the last hard contest that will be waged between tennis enthusiasts of the school in 1910.

Weaverling won by a score of 7-5, 6-3, 6-3. Although the match was closely contested and well played by both participants, it was apparent to court visitors that Weaverling usually had the upper hand and was playing with the greater confidence. Flory is a young player and has not had the experience, which, more than anything else, carried Weaverling through the rounds successfully.

Nor can it be said that Flory played erratically. During the entire match he showed almost as much conservatism as did Weaverling, and played his strokes safely. He weakened, however, before some of Weaverling's remarkable recoveries, and could seldom manipulate a return on the latter player's back-hand Lawfords.

Weaverling Was "Right."

Weaverling was "right" throughout the match. From the very first he took the net, and was not baffled by lobs at any stage of the game. When he was not shifting for a favorable position to return a Lawford, he was smashing and driving at any attempts that might be made to lob over him. His southpaw worked to perfection and bothered Flory every time he tried to locate a side-line drive on the blind court.

The account of the match by sets is as follows: Weaverling took the net and retained it for a score of 5-3. At this point Flory rallied and pulled the score up to a deuce set. The succeeding two games went to Weaverling, and with them the first set.

In the second set Flory came back hard and succeeded in landing the first three games. He could not hold

MEN NAMED TO GO AGAINST WISCONSIN AND ILLINOIS.

READY FOR THE DEBATE AT URBANA

SQUAD THIS YEAR SHOWS MUCH GOOD MATERIAL.

Foster, Raymond, Rein, Mann, Marcellus, Oberfelder, Clark and Votava Selected.

The eight men who will represent the University of Nebraska in the coming debates with the University of Wisconsin and the University of Illinois have been picked. The team which will meet Illinois at Urbana is composed of G. N. Foster, A. R. Raymond, C. L. Rein and G. R. Mann. This team, of which the first four men will be the speaking team and Mann the alternate, will have the negative side of the following question: "Resolved, That the movement of organized labor for the closed shop should have the support of public opinion." The affirmative team will be composed of the following men: B. C. Marcellus, A. M. Oberfelder, J. T. Votava and C. L. Clark. These men will have the work of trying to defeat the team from Wisconsin at Lincoln.

C. L. Clark, 1912, for three years was on the Lincoln high school team, and won the championship of the school in 1908. He made the university squad in his sophomore year and was a member of the freshman team that captured the class championship in 1909.

George N. Foster, law 1910, is a graduate of the Sterling, Neb., high school and the Peru normal. For three years he represented Peru in debate with Kansas and Missouri normals and with Campbell college. He was a member of the Nebraska team that debated Iowa at Iowa City last year, when a 2 to 1 decision was rendered against the Nebraska speakers.

G. R. Mann, 1913, of Ord, won the central Nebraska teachers' association debate in 1904, and represented the Ord high school in the interscholastic debate in 1904, and again in 1905, winning first honors in 1905. He has taken part in twelve high school debates, and taught school three years before he entered the university in 1909. He also made the debating squad in his freshman year.

B. C. Marcellus, 1911, comes from Wisconsin, but is now a resident of Lincoln. He is a graduate of the Brook, Neb., high school, and in 1908 of the Peru state normal school. He has taught at the Crete high school for two years, and came to the university last year when he won membership on the squad and was appointed alternate on the team that met Minnesota. He is a member of the Dramatic club and Phi Alpha Tau, honorary debating fraternity.

A. M. Oberfelder, 1911, came from the Sidney, Neb., high school in 1907. In 1906 he won a prize for oratory in the state contest; in 1908-1909 he was on the sophomore team; and in 1909-1910, he was on the junior team that won the class championship on Phi Beta Kappa day. He was president of his class in his junior year, and is a member of the Innocents and Phi Alpha Tau.

Anan B. Raymond, 1911, was recently elected to the presidency of his class. He is a graduate of the Fairmont high school. He was a member of the team which won the interclass
