NOVEMBER 1, 1910.

The sophomores perhaps feel a great deal similar to the way that Kansas will feel next Saturday evening.

It is up to the members of the sophomore class to show now that they are real men and women. That the second year students should have the sympathy of the upper classmen is a recognized fact. They, however, should be good losers and prove to the rest of the members of the student body that although they lost, that they are not alone out after class spirit, but that Nebraska spirit is bubbling over in the hearts of the sophomores from a hidden fountain which cannot be quenched.

The freshmen class have won the right to wear caps. By defeating the sophomores so decisively Saturday, they deserve to be allowed the right

THE FORUM

To the Editor of the Nebraskan:

Inasmuch as R. S. M., '10, has seen fit to criticize, in your columns, the university authorities for neglecting to put in place "the beautiful lamps which we gave the university as a remembrance at the entrance of Library Hall," permit me to say that the reason for the delay is that the authorities are waiting for the class to pay for the lamps, as the manufacturers inform us that remittance has not been made to date.

The university authorities do not wish to criticize the class as a whole for the unbusinesslike character of the operations of its committees, but having adjusted the claims for damages arising from the unbusinesslike actions of the program committees, we do not now feel like asking the regents to pay for a present which the class is supposed to have made to the institution. Difficulties of this sort will be avoided in the future through the recent rule of the regents requiring all similar orders to be placed through this office.

Yours very truly,  
 E. H. CLARK,  
 Purchasing Agent.

To the Editor.

Dear Sir: The Sunday morning papers expressed surprise that the Omaha people who were at the Nebraska-Doane game would cheer for Doane rather than for Nebraska, especially in view of the fact that some of the university students yelled for Omaha during the Omaha-Lincoln game.

Perhaps this statement by an Omaha cadet will explain the attitude of some of the Omaha visitors who rooted for Doane. He said: "We went to the trouble of bringing our band to Lincoln, and did our part toward making the musical part of the program enjoyable. We did not care whether the university fellows cheered for Lincoln or not, we did not care if the university band played for Lincoln, but the reason we got sore was because the university band 'buted' in and played while our band was playing."

Yours truly,  
 A STUDENT.

ARE ACTIVE IN JUBILEE CONFERENCE HELD IN LINCOLN.

MEETINGS ARE A BENEFIT TO STUDENTS

MRS. AVERY PRESIDES AT A SESSION IN MUSIC HALL.

Considered Worth While to University People—Faculty Members Take Part.

The girls of the university Y. W. C. A. are all overflowing with the excitement created by the presence of the Women's Missionary Jubilee conference now being held in Lincoln. Meetings, assemblies, rallies, conferences and jubilees are the order of the day, and every one seems to be engaged therein.

A big mass meeting was held Sunday evening at the First Baptist church, at which the following people spoke: Mrs. John Silverthorn, representative of the women's board of Presbyterian missions; Miss McLauren, representative of the Baptist board; Miss Fenenga, missionary to Turkey; Mrs. W. A. Montgomery, chief executive of the missionary jubilee conferences.

Mrs. W. T. Elmore spoke at the noon meeting yesterday, which was her last appearance at the University of Nebraska before her return to India.

Successful Meetings.

Some very successful denominational meetings are being conducted, primarily for the purpose of informing the prospective missionaries concerning the missionary requirements of the respective boards. These are under the leadership of Miss Fenenga, Miss Walker and Mrs. Silverthorn.

The climax of all meetings being held under the supervision of the women's missionary jubilee came yesterday evening at 4 o'clock. This meeting was held in music hall and consisted of a splendid address by Dr. Mary R. Noble of India and Mrs. W. A. Montgomery of Rochester, N. Y. Mrs. Samuel Avery participated in the program by presiding over the meet-

The university of Nebraska urges all young people, who can, to take a four-year high school course and prepare to enter college. Some, however, cannot spend the time required by the high school and college courses. For the benefit of these, the University established, a number of years ago, the

School of Agriculture

which admits those who have completed

Courses given in Practical Agriculture, including Agronomy, Agricultural Botany and Chemistry, Animal Husbandry, Dairying, Domestic Science, Farm Machinery, Farm Management, Farm Veterinary Practice, Horticulture and the general branches.

to wear the numerated headgear. However as first year students they should remember that in winning the Olympics they have no more rights than they had previous to Saturday morning, with this one exception. First year students should remember that they have been here but six weeks, and also remember that the word of the upper classmen is tempered with experience. Any action on the part of the first year class which will tend to destroy the harmony of the university will call forth the criticism of the upper classmen in a manner that the freshmen will remember as long as they are students at the University of Nebraska.

"The Booster" is the name of a publication which is edited and managed by the students of the Temple high school. It is a neat little sheet, but one thing which does not look right is the class of some of the advertising it carries. Dancing academy ads and cigar store ads which are not allowed in a university publication should not be allowed in a high school paper which is under the supervision of the university.

Clifford L. Rein, 1918, is a graduate of the Loup City high school. He has represented this school for two years in interscholastic debating. As a graduate of the Loup City high school he won a scholarship entitling him to free admission to several denominational colleges. He won a place on the university squad in his freshman year. J. T. Votava, 1910, law 1911, of Edholm, is a graduate of the Fremont normal school, where he won the Tribune oratorical contest in 1904. He was a member of the university debating squad in 1906-1907, and debated with Wisconsin at Madison in 1908, and with Minnesota at Lincoln last year. He is a member of Phi Alpha Tau and Phi Delta Phi.

The judges of the debate at which these men were selected were Prof. G. E. Howard, Prof. Edwin Maxey, Prof. Geo. O. Virtue, Prof. G. A. Stephens, and Prof. M. M. Fogg. ing. Representatives of the various women's clubs of the university faculty were present. The meeting was considered by many of the officials to be in most respects the one most worth while and beneficial to the students.

Lincoln is considered very fortunate in securing the women's missionary jubilee. The leaders of the movement made an initial requirement that the thirty largest cities of the United States would be the first to qualify for the assembly jubilees.
