

The Daily Nebraskan

Vol. X. No. 29

UNIVERSITY OF NEBRASKA, LINCOLN, THURSDAY, NOVEMBER 3, 1910.

Price 5 Cents.

BIG TORCH PARADE TONIGHT

TORCHES ON SALE ALL DAY

SUPPLY IS LIMITED AND MAY NOT MEET THE DEMAND.

CADET BAND TO LEAD THE MARCH

THIRTEEN SCARLET BLANKETS ARE ISSUED TO TEAM.

Nickname of Player Will Be Embroidered on a Football on Each Blanket.

Torches for the big parade to be held tonight are on sale in the Nebraskan office, in the basement of the Administration building, at 10 cents per torch. The number is limited and will likely fall far short of supplying the demand. Torches may be secured today at any time until 8:30 p. m., when the parade will commence, or until the supply is exhausted.

If the supply of lamps runs out before the demand is satisfied students who cannot secure them are expected to take part anyway. The next thing to frantically brandishing a fiery can of kerosene is making a noise that can be heard out at Havelock. All the torches in creation would make a poor send-off parade if they were not accompanied by real university noise. But the combination of flaming torch and howling student will do the work, and will at least awaken the people of Lincoln to the fact that the fall term has opened.

Will Be a Big Event.

From the interest shown among university students yesterday the parade promises to be the biggest event of its kind the school has ever seen. Hundreds of students who will not be able to accompany the Cornhuskers on their southern journey will do the next best thing, and do their share toward making the send-off the greatest ever. The right kind of enthusiasm has won many a game.

The team will be escorted from the campus in a big carry-all secured for the occasion. The carry-all is to be properly decorated—thanks to the girls—and the team will ride in splendor.

Band Will Lead Procession.

At the head of the procession will be the cadet band, the carry-all coming next. And following the Cornhuskers will be the 300 torches, blazing defiance to the Jayhawkers and lighting the pathway to victory.

The parade will start from the campus at Eleventh and R streets at 8:30 sharp. Students are urged to be there on time. The route will be as follows: East on R to Sixteenth; south on Sixteenth to O; west on O to Ninth; north on Ninth to the Union Pacific depot. At the depot the coach, the players, and any one who wants to make a speech, will tell how it is going to be done at Lawrence.

Blankets Have Arrived.

Thirteen new scarlet blankets, ordered for the team for use on the sidelines, have arrived and will be used for the first time in the Kansas game.

The blankets are the best that could be secured. In the center of each one is a huge block "N," cream colored, and just above the "N" is a large ear of corn, beautifully done with cream colored felt and scarlet silk. At the corner of each blanket is a small football, upon which is to be embroidered

the nickname of the player to whom it is issued.

The following nicknames have been attached to the members of the team: "Captain Jack" Temple, "Rabbit" Chauner, "Zack" Hornberger, "Sid" Collins, "Admiral" Harmon, "Sylia" Shonka, "Swede" Lofgren, "Jerry" Warner, "Turp" (Owen) Frank, "Hans" (Ernest) Frank, "Bones" Rathbone, "Jelly" Elliott, "Harry" Minor.

Hard Practice Yesterday.

The final hard practice before Saturday's game was held yesterday afternoon at the university farm. "King" Cole put his team through a hard scrimmage against the scrubs and gave them a brisk workout running signals and going through the plays which have been perfected for the Kansans. Work this afternoon, the last before the big game, will be light. The team will probably do nothing more than go through a little signal practice.

SENIORS, ATTENTION.

In order to make the "breakfast" a success, it will be necessary for every senior, who can, to attend. Secure tickets at once from any of the following committee: H. Ford, Mabelle Davis, Grace Richards, H. Noble, Florence Davis, W. T. Wolvington, H. Ball, L. A. Kiplinger, H. White.

W. H. PLASTERS,

Chairman.

SOPHOMORE PAYS A BET.

Freshman Gets Free Shines as a Result of the Olympics.

Because the freshmen won the Olympics a certain sophomore, who will not allow his name to be published, has been compelled to stoop to the humble task of shining a freshman's shoes. Before the Olympics this sophomore wagered with this freshman after this wise: If the sophomores won the freshman was to shine the shoes of the sophomore four times, and if the freshmen won the sophomore was to polish the shoes of the freshman three times. The sophomore had refused to bet without odds. The freshman's third shine is due today.

"OLD MAIDS" POOR TEACHERS.

Do Not Create Proper "Atmosphere" for Young Women.

President Frederick W. Hamilton of Tufts college has said that unmarried women teachers should not teach college girls because their influence is harmful.

"I do not believe that young girls who are just passing into young womanhood are in the proper environment if they are continually brought into close personal touch with elderly unmarried women. The larger proportion of women's colleges are in the hands of women teachers, however, and the educational atmosphere of the place is feminine, the peculiar type of femininity developed by highly cultured middle-aged unmarried women. Now, while this type may be very fine individually, it is not the proper one to create the atmosphere for the girls at the formative period of their lives. In the lower grades of the schools, too, and in the preparatory schools their influence is counteracted by the influence of the home. All elements that tend to narrow our college girls should be eliminated."

FIVE MEN HAVE BEEN CHOSEN

CROSS-COUNTRY TEAM SELECTED FOR CONFERENCE MEET.

ANDERSON'S TIME IS 28:54

BUT TWO OLD MEN OF THE 1910 TEAM.

Captain Melick, Anderson, Bates, Swanson and Hayes to Travel to Madison November 19.

The annual try-out for the university cross-country team was held last night at 4:20. Anderson, Melick, Bates, Hayes, Swanson, and Kennedy (freshman) winning the laurels. The first five men mentioned will compose the cross-country team that will contest at Madison, November 19th.

The try-out was one of the most successful and interesting ever held at Nebraska. The fact that the start and the finish of the race were staged on the athletic field added much to the interest, and caused many of the loyal supporters and enthusiasts to go out on the field and watch the event.

Fast Time.

The official time of the race was 28:54. Considering all the circumstances this is exceptionally good time. The weather wasn't what it might have been to pull off a fast race, and the roads in places were pretty slow to run for time. The time, however, usually required at the big middle west intercollegiate cross-country race lies between 28 and 28:30. The time of 28:54 is considered good for a race held so early in the season and under somewhat adverse circumstances.

The last lap of the race on the athletic field was a good one. Three runners, Anderson, Melick and Bates, were running almost even, and even at the close of the event there was some doubt as to the order in which they finished. Anderson was given first by a small fraction and Bates and Melick tied for second honors.

Twelve Men Entered.

Twelve men were entered in the event. The confident belief that there would be at least fifteen was shattered at the last moment by the non-appearance of some of the "doped" prospectives. The order in which the contestants finished is as follows, excluding Kinsman, Atkins and Chaplin, who did not finish:

L. R. Anderson, 28:54.

V. Bates, 29:00.

W. A. Melick, 29:00.

W. O. Swanson, 29:31.

A. Kennedy, 29:57, who does not

qualify for the varsity.

Hayes, 30:27.

C. Anderson, 30:27.

A. H. Hiltner, 31:25.

R. Rice, 32:25.

Lzicar Out.

One of the most significant features of the whole event was that G. Lzicar did not contest. He was on the varsity team last year and has been in training all this year. His failure to appear has not yet been accounted for. Throughout the year he was "doped" as a sure team member, consequently there will only be two old men on the varsity. These men are Melick and Anderson. The newcomers, Bates, Swanson and Hayes, however, showed great form in the try-out and are expected to be good representatives for Nebraska at Madison.

Dr. Clapp, who had charge of the entire event, did not venture any prophecy at the close of the race on the team's success at Madison. He expressed much disappointment at the fact that Lzicar did not come out, and is likewise unfamiliar with the circumstances which prevented him from so doing. He also made the statement that the team was not quite as evenly balanced as he would like to have had them. He affirms, however, that by the time of the Madison meet, he will have them working as smoothly as any Nebraska team that ever participated in this event.

For the first lap and a half of the race on the athletic field, Anderson took his lead and retained it throughout the race. Bates and Captain Melick soon shifted to the front rank positions and also held them through the entire race. Kenedy, Hayes and Swanson were alternately fighting for third position for the best half of the race. Very few shifts in the order were made in the last three laps.

Dr. Clapp acted as official starter. Cherrington and Field were the judges of the finish and time keepers.

READING BY MISS HOWELL.

Will Give Dramatic Interpretation of 'Jeanne d'Arc.'

Miss H. Alice Howell, head of the elocution department of the university, will give an interpretative reading Saturday evening at the Temple theater, at 8 o'clock. The subject chosen is "Jeanne d'Arc," one of entrancing interest, and possible of masterly dramatic interpretation. Admission is free.

GIVE "SLUFFERS" A CHANCE.

Dr. Bessey Makes Special Dispensation for Absentees.

Dr. Bessey announced to his botany classes yesterday that he was going to give students who had been absent from quiz periods a chance to make up the work they missed. This make-up quiz will be held on next Tuesday. It is his intention to have three divisions so as to accommodate all of the students. The first tests will be given at 8 o'clock. The other two sections will meet at 12 and 4 o'clock.

Students who got low grades will also be permitted to attempt to raise the test marks, where sufficient cause is found. The questions will not all be on the subject covered by the missed test, and no two of the sections on Tuesday will be given the same set of questions. The mid-semester examination in botany will be given at the regular class periods on next Wednesday.

EVERYBODY TAKE A HORN

STUDENTS GOING TO KANSAS ARE ASKED TO HAVE MEGAPHONES.

TO HAVE ORGANIZED ROOTING

NEBRASKA SUPPORTERS TO MEET TEAM AT LAWRENCE.

Berths to Be Ordered Today—Will Arrive in Lawrence Early Saturday Morning—Team Comes Over the Santa Fe.

"Get a megaphone," is the latest order from the football headquarters. Manager "Dog" Eager yesterday urged all loyal Nebraska students to go to Kansas well provided with megaphones. "A man with a megaphone is worth three men without," is the way the manager put it. "Small megaphones are best," he said, "and a little scarlet and cream decoration helps some."

"At one of the games in recent years, Nebraska entertained a bunch of visiting rooters, every man of whom was equipped with a megaphone, and the rooting was simply great. Each megaphone had a ribbon shoulder strap of the school colors, and when not in use the noise producer was slung from the shoulder."

Manager Eager said last night that he was so impressed with the appearance of that rooting aggregation, when marching four abreast as they came up from the depot, that he feared they would outroot Nebraska. Nebraska had hard work to keep pace with the two score of rooters with megaphones. The yells fairly rung as from an army of rooters, when they got started. "That is the sort of rooting we want at Kansas," he said, "a megaphone is a necessary part of the game."

Yell Leaders Going.

A. M. Oberfelder and Nye Morehouse, the university yell leaders, will go to Lawrence with the crowd. They will be there with the big horns to tell the enthusiasts when to break out and keep them at it from the start of the game until the victory is won. The cadet band will also help make things lively down at the Kansas town. The band is composed of about sixty-five musicians this year.

Arrive Early Saturday.

The excursion train will reach Lawrence at about seven o'clock Saturday morning, about three hours ahead of the team. The Nebraska team will spend Friday night in Kansas City. The boys will go to Lawrence on the Santa Fe, reaching the college town at 10:45 o'clock. The train will be met by the cadet band and Nebraska rooters, and escorted up town with real Nebraska style. A snake dance is one of the possibilities.

Asked to Get Berths.

Students who expect to go to Lawrence are being urged to order berths today. The special train will be equipped with enough cars to accommodate everybody, if tickets are purchased today. The team will leave tonight, via Missouri Pacific, but the excursion will be over the Union Pacific route, leaving Lincoln tomorrow evening. The new war cry is, "On to Lawrence, we must beat Kansas."

A complete course in journalism has been installed at the University of Wisconsin.
