

The Daily Nebraskan

Vol. X. No. 38

UNIVERSITY OF NEBRASKA, LINCOLN, WEDNESDAY, NOVEMBER 16, 1910.

Price 5 Cents.

COUNTY FAIR COMES NEXT

GIRLS WILL RAKE IN SHEKELS ON SATURDAY NIGHT.

ADVICE IS: COME WELL PREPARED

EVERYTHING FROM SNAKE EATER TO BABY SHOW.

Vaudeville, Opera, Doll Shows and Bohemian Dances Are on the Bill.

The University of Nebraska is again to be the recipient of that entertainment which has always demonstrated itself to be the best on the social schedule—the annual County Fair. The time for the big fair is Saturday evening November 19. The place will be the east end of the armory.

According to the by-laws, which arose as a consequence of the first presentation of the County Fair, this method of entertainment was adopted by the Y. W. C. A. social committee as an annual event, to be conducted under the auspices of the association and in the interest of the association's monetary system. The nature of the event, familiar to most of the students, provides that every university sorority or girls' literary society shall be represented by a booth, the type of which is optional, and the purpose of which is to help boost the proceeds of the fair. Students, therefore, who attend the annual County Fair should come amply supplied with "chicken feed" in order that they may not be barred from any of the "living wonder," "snake eater," or "senorita" attractions.

Real Live Janibaries.

A review of the list of sub-entertainments is enough to arouse the curiosity of the most unsuspecting individual. For instance, a remarkable reproduction of the "pike" will be offered, including everything from native Janibaries to the customary "shoot the chutes." Every one who failed to see the original "pike" at St. Louis is urged to avail himself of the coming opportunity to be "taken in" by the attractions.

Every booth will tell a story of its own, as is significant by the medley of competing attractions and their respective owners. Numbering from right to left, the booth will be designed as follows: 1-check stand, operated by Alta Gooden, G. M. C. A.; 2 "College Life" by Kappa Alpha Theta; 3 one act comedy by Alpha Phi; 4 picture gallery, by Delta Gamma; 5 "Baby Show," by Chi Omega; 6 vaudeville, by Union Literary society; 7 "opera," whether grand or comic not specified, by Delta Delta Delta; 8 "Doll" show, by Delta Zeta; 9 Bohemian dances by Komensky club; 10 vaudeville, by Alpha Chi Omega; 11 "An Old Sweetheart of Mine," by Achoth; 12 a wheel operated on the roulette plan by Pi Beta Phi; 13 "The Chanticleer," by Kappa Kappa Gamma; 14 Comedy by Palladian Literary society; 15 a "feed" booth by German students; 16 "In the Woods," by Alpha Omicron Pi, also an incidental "feed"; 17 Black Masque will be represented on the "pike" with things eatable.

GILMORE TO RESIGN.

Chaplain of Cadets Goes to a New Pastorate.

Rev. Charles Gilmore, chaplain of the university regiment of cadets, will deliver a farewell address to the cadets Sunday afternoon at the Oliver theater. Cadets will attend in uniform. Rev. Mr. Gilmore was appointed chaplain last year, with the rank of captain, and went to camp with the regiment. He will hand in his resignation today. He has accepted a pastorate at Eighty-four, Pa.

PROFESSOR FRYE BRINGS SUIT TO CONSERVE SOME PROPERTY

Professor P. H. Frye, head of the rhetoric department, Monday began proceedings in the supreme court of New York to have Minnie Hackett Trowbridge declared to be incompetent to manage either her person or estate. Mrs. Trowbridge is the widow of the late Francis E. Trowbridge, and is sixty years old. She has no children, descendants of children, no brothers or sisters, and the petitioner said that he believed that she was the owner of the house in which she lives, its contents and personal property, securities and money in banks,

worth in all several hundred thousand dollars.

Professor Frye set forth that he is a cousin, one removed, of Mrs. Trowbridge, and that her only next of kin are Ketellas, a fourth cousin, Edith Peabody Wetmore, a fourth cousin, and James K. Hackett, the actor, a half-uncle. Professor Frye set forth in his petition that since November 28, 1908, Mrs. Trowbridge has, as the result of a paralytic stroke, become unable to take care of her person or estate and is unable to care for her household. Mrs. Trowbridge and the relatives named will be served with notice of the action.

DIGEST LECTURES.

Law Students Receiving Valuable Instruction.

R. A. Dalley has been here during the past week giving lectures to the law students on the technical use of the American Digest. The work constitutes five lectures per week to each of three divisions in the nature of laboratory work in the practice of using the American Digest, a compilation of all cases in the United States.

VOTE ON AMENDMENTS.

Members Will Be Elected to the Board of Directors.

Amendments to the University of Nebraska Y. M. C. A. constitution will be voted on tonight. There will also be an election of the board of directors, which board will be composed of five faculty members, eight university students, and four Lincoln men, the latter to be composed of one alumnus of Nebraska, one pastor, one member of the city Y. M. C. A. board of directors, and one chosen at random.

This board of directors will take the place of the former advisory board and will be one of the modifications made in the adoption of the new constitution.

CLASS GAMES.

Seniors and Sophomores Beat Juniors and Freshmen by Score of 2 to 0 and 6 to 2.

Seniors and sophomores were the victors in the games played Monday between the class teams at the University of Nebraska. The two winners will play Friday or Saturday to decide the championship. The winning team receives sweaters with the numerals of the class thereon.

The freshman-sophomore game was the opener. The freshmen carried the ball close to the sophomore goal, where they were held for downs. The sophomores tried to punt out from behind their own goal, but the kick was blocked and the ball recovered by a sophomore behind his own goal. The referee gave the freshmen a safety on the play. After that the sophomores braced and held the other team fairly even until toward the last of the second quarter. Mulligan made a sixty-yard return of a punt to the freshman ten-yard line. Two plunges failed to gain, but Potter squirmed his way around the freshman left end for the winning touchdown. Mulligan kicked goal. After that the game was a see-saw with the advantage leaning

either way at times, but neither getting within scoring distance.

The senior-junior game went to the class of 1911 by the score of 2 to 0. The seniors scored a safety in the first quarter when after carrying the ball from the center of the field, they were held for downs close to the junior goal. The junior center threw the ball over his back's head when a punt was attempted and a safety resulted. The seniors lost a touchdown in the second half when Balderson, the captain, fumbled on the junior goal line. Fumbles at other critical times prevented good opportunities of scoring. The juniors advanced the ball but little, Christmas getting away for a few long runs and a couple of forward passes taking the ball once to the senior ten-yard line, where the latter team braced and took the ball on downs.

LEAVE THURSDAY.

Cross-Country Team to Depart for Madison.

Final preparations are being made by the cross-country team which will represent Nebraska in the mid-west intercollegiate track meet. In view of the fact that Nebraska, since the installation of an intercollegiate cross-country event, has won either first or second in every contest, a great deal of interest in being manifested by the students in the outcome of the 1910 conquest at Madison.

Concerning the prospects of success, Dr. Clapp seems more dubious this year than he has previously been. In a statement issued last night by Dr. Clapp, he made the assertion that the representatives for Nebraska this year are all excellent runners, but that their co-operation as a team was not up to the standard. He maintained that previous victories by Nebraska had been won not only on the merits of the individual men but on the merits of the team as a unit.

The team will leave Thursday evening at 4 o'clock on the Rock Island, and will arrive in Madison Friday noon. Every team will probably go over the course Friday afternoon. The race will be called Saturday morning, November 19.

Notice, Freshmen.

Every freshman who wishes a cap or "tam" must leave name, size of cap and twenty-five cents deposit before 6 p. m. Thursday. This is positively your last chance.

COMMITTEE.

FOURTEEN "N'S" AWARDED

FOOTBALL MEN GET LETTERS FOR THIS SEASON.

COACHES CHOSIN FOR BASKETBALL

FIELD AND CHERRINGTON WILL HANDLE THE TEAM.

No Decision Has Yet Been Made Regarding an All-Year Coach.

Fourteen football letters were awarded at a meeting of the athletic board yesterday. Following are the names of the 1910 "N" men: Temple, captain, tackle; Chauner, end; Hornberger, guard; Harmon, guard; Elliott, guard; Collins, center; Shonka, tackle; Lofgren, end; Warner, quarter; O. Frank, halfback; E. Frank, halfback; Minor, halfback; Rathbone, fullback; Sturmer, guard.

O. M. Field, assistant physical director of the university, and B. M. Cherrington were named as coaches for the basketball team. The coaches have called a practice for tonight at the armory, when they will start work in earnest for the coming year.

Regular Coaches.

O. M. Field was named as coach for the baseball team and Cherrington the 1911 track squad. Field is an old-timer at the baseball game, Cherrington was track coach last year. If he has material to work on next spring Nebraska will be as successful on the diamond as on the gridiron.

As far as an all-year coach is concerned, the matter is as far from a decision as ever. The committee which has been appointed to make the selection has not yet made a report. It has not been given out whether or not any applications have been received or whether any prospective coaches have been considered. The committee will report at a later meeting.

Change on Rules.

The rules provide that a man participating in three intercollegiate games, which are contests in the Missouri Valley conference or Chicago conference, entitle a man to a letter. By reason of his long service on the team and his participation in two of these games this year, Sturmer was awarded his letter. The rules also provide that in case of an injury, a man shall be awarded his letter, if he would have otherwise have won it. On this ground Elliott was given his initial.

The handicap track meet which was scheduled for Saturday, November 19, will probably be called off. The board felt that this would be advisable in view of the little amount of interest in the work shown by the men and the lack of practice.

TO SPEAK IN WASHINGTON.

University Faculty Members to Attend Meetings.

Chancellor Samuel Avery and Dean Burnett left Saturday, and Mr. Val Keyser, superintendent of farmers institutes, on Friday, for Washington, D. C., to attend meetings of presidents of state universities, the association of American agricultural colleges and experiment stations, and the American association of farmers' institute workers. Chancellor Avery is chairman of the college section of the association of American agricultural colleges and experiment stations. He will give an address on the subject, "Should colleges of agriculture, in view of federal support, charge tuition for non-resident students?" Dean Burnett will address the extension section on "Extension Schools of Agriculture." Mr. Val Keyser speaks before the American association of farmers' institute workers on "Boys' and Girls' institutes."
