son finished sixth this year, running the five miles over the difficult Wisconsin course probably a minute faster than the time which gave him third place last year on the comparatively easy Jackson Park course in Chicago.

Ran Strong Race.

Captain Milek ran a strong race and would undoubtedly have finished within the first ten had he not stopped to assist Bates. Swanson ran a nervy race and finished as well as could have been expected with the fast competition. Hayes has not improved in his training for the last three or four weeks, and his finishing far down in the list was not unexpected.

The outcome of the race was a great disappointment to the Nebraska team; however, an accident, such as happened to Bates, might occur at any time and we can congratulate ourselves that, in the seven years we have competed in this annual contest, it has occurred but once.

TWO BIG GAMES LEFT IN EAST

Penn-Cornell and Army-Navy Battles Remain to Be Decided—Records of Teams.

Two big games—the Pennsylvania-Cornell battle at Philadelphia on Thanksgiving day and the Army-Navy struggle next Saturday—are left on the eastern schedule. When these are played, eastern "experts" will give their various opinions on the questions of what college is entitled to the championship and what players deserve places on the All American eleven.

The following are the number of games won, lost, and tied and the total points scored against fifteen of the eastern colleges:

	W.	L.	Tied.	Pts.	Opp'ts' Pts.
Harvard	8	0	1	55	5
Navy	7	0	1	96	0
Penn	8	1	1	151	13
Army	6	1	0	122	26
Trinity	7	1	0	122	26
Cornell	5	1	1	151	32
Brown	6	2	1	183	41

Yale	6	2	2	90	39
Princeton	7	1	0	101	5
Lafayette	6	2	0	94	21
Dartmouth	5	2	0	111	27
Syracuse	4	3	1	47	39
Amherst	4	3	1	56	31
Wesleyan	4	4	1	62	41

timber, which next year will win honors for "Old Nebraska."

Scrubs Indispensable.

Anyone who has had any connection with the development of a football eleven knows how indispensable the "scrubs" are for its success. If the practice scrimmages it gets the taste 'varsity receives stiff opposition in for real battle which puts it into shape for the hard games.

It is from the ranks of the second team that our best players are recruited. The "never say die" spirit which makes a football player is sure to be found in a man who has spent a year or two on the "scrub" team. Such men never loaf, never quit, but work every minute they are on the field, whether in practice or in a game.

I might name each member of the "scrub" team and speak of his prowess, but it would be like calling the roll of a victorious battalion after a long campaign. It would be impossible to determine to which should be given the greater praise. Therefore I wish to say that the "scrubs" this season have shown the true "Nebraska spirit." I wish to sincerely thank them each and every one in behalf of the coaches and the 'varsity for their good work during the season of 1910.
