NEARLY READY TO TALK

DEBATERS ON HOME STRETCH OF FORENSIC RACE.

GOV. SHALLENBERGER TO PRESIDE

BATTLE OF THOUGHT AND ARGUMENTS NEXT FRIDAY.

Seats Are Going Fast—Everybody Going—Closed Shop vs. Open Shop of Public Interest.

Practically everything is now completed in the way of preparation for the two annual intercollegiate debates in which Nebraska will participate, namely, Nebraska-Illinois at Urbana and Nebraska-Wisconsin at Lincoln. The juries have been selected; the management are making reservations for the contest at Lincoln; and full arrangements have been made for the departure of the team which will meet Illinois at Urbana. The question for discussion will be the closed shop versus the open shop, Nebraska upholding the affirmative at Lincoln and the negative at Urbana, Ill.

The judges that have been selected to decide the debates are: For the Nebraska-Wisconsin encounter at Lincoln, Hon. Warren Garst, former governor of Iowa; Prof. Frank I. Rerrioff, Ph. D., professor of political and social science of Drake university, and Prof. Benjamin Shambaugh of the department of political science, University of Iowa. None of these gentlemen has ever served as a judge in a debate in which the University of Nebraska was represented.

The Jury at Urbana.

The jury for the Nebraska-Illinois debate at Urbana is composed of the following gentlemen: Prof. I. A. Loos, LL. D., director of the school of social science and commerce, University of Iowa; Prof. A. A. Gilmore, law professor of the University of Wisconsin, and Mr. C. E. Buell, attorney at law, Madison, Wisconsin.

The team which will represent Nebraska in the Nebraska-Illinois debate will leave Lincoln Wednesday at 4:30, going over the Burlington, and will arrive in Urbana Thursday noon. The members of this team are Clifford L. Rein, '13, of Loup City; Anan R. Raymond, '11, of Fairmont, and George N. Foster, law '11, of Sterling. G. Russell Mann, '13, will accompany the team as alternate. Professor M. M. Fogg will also accompany the team.

The representatives of Nebraska in the Nebraska-Wisconsin debate at Lincoln are Byrne C. Marcellus, '11, of Lincoln; Arthur M. Oberfelder, '11, of Sidney, and George T. Votava, law '11, of Edholm. Clarence Clark, '12, will act as alternate to this team.

Gov. Shallenberger to Preside.

The Nebraska-Wisconsin debate, the only intercollegiate debate in Lincoln for the year, will be held in Memorial hall Friday evening at 8 o'clock. Governor A. C. Shallenberger of Nebraska will preside over the event and deliver a brief address while the judges are retired. The university cadet band will provide music for the occasion, giving a recital preliminary to the debate.

E. H. Hahne, business manager for the debate, announces that every one who anticipates hearing the debate should reserve seats before Friday night. At the present date there are only 120 unreserved seats for sale. Thus far, 35 reservations have been made for Union Literary society, 25 for Palladian society, and 35 for the faculty members. All faculty members are requested to call for their reservations before Thursday noon. The members of Acacia fraternity

SYLVESTER SHONKA

Who Was Elected Captain of the 1911 Football Team, Immediately After the Haskell Game.

SHONKA THE NEW CAPTAIN

NOMINATED FOR THE POSITION BY OWEN FRANK.

OUTLOOK FOR NEXT YEAR IS GOOD

CORNHUSKERS PLAY A JOKE ON THE SPECTATORS.

Manager Eager Is Looking for a Bigger Football Schedule for Next Year.

Sylvester V. Shonka, star center and tackle on the Cornhusker team for two years, has been elected captain of the team for 1911, to succeed Captain Jack Temple. He was nominated by Owen Frank and there were no other candidates. It was the general opinion before the election that Frank would be elected and that Shonka would not return.

The election of Shonka insures a strong foundation upon which next year's team can be built up. He will be back, on the line, and there will be in addition Harmon, Hornberger, Owen Frank, Rathbone and Ernest Frank, who won their letters this year. The rest of the places can be filled to just as good advantage as they have been this year from the candidates who are now freshmen.

The Indian Massacre.

As a fitting close to a season of victory after victory, the Cornhuskers played a joke on the spectators at the Thanksgiving day game with Haskell. It was a clever joke, and well perpetrated. It was not one of those subtle and hard to understand pokes, but it was one that everyone could see and appreciate. Even Haskell saw it. 119 to 0.

The Cornhuskers never did such a trick before in all their lives, and probably never will again. It is not good for the gate receipts, for people will stay away if they have nothing but a Thanksgiving day farce to look forward to. Not that the Haskell game was a farce, or anything that way, but several people thought it was. The crowd was as big as any of the year. Thanksgiving crowds generally are. They expected to see Nebraska win. They did. They were also disappointed. So were the Indians.

Some Bigger Games.

All this, not particularly the Haskell clean-up, but all of them, has made the outlook for bigger games next season unusually bright. Nebraska has demonstrated that her eleven can travel in the fastest company in the west. With the possible exception of Minnesota, not a team in the middle west, in either Chicago or Missouri Valley conference, played better football during the season just passed than the Cornhuskers.

Armed with this kind of a record, Manager Eager has set forth in quest of games with Iowa, Illinois and other teams in the Chicago conference, to take the place of games with Peru, Doane and perhaps Haskell, as there is a general impression prevalent that after this year, possibly after next year, Haskell will be dropped from the Nebraska schedule.

ROOF GOING ON.

Repairs on Mechanic Arts Advance Rapidly.

Workmen began to erect the rafters for the new roof of Mechanic Arts hall, which was partially burned Saturday, November 12. The new roof will be slightly higher than the one which was destroyed, and the drawing rooms on the fourth floor of the building will be better lighted than they were before the fire. The windows in this part of the building will be enlarged and make better light for the students in this department.

have also laid away a good representation of reserved seats.

Others After Tickets.

Reservations are also expected by the management from a good number of other institutions, namely: university state farm, Lincoln high school, Temple high school, and other high schools adjacent to Lincoln.

Everything possible is being done by the management of the local debate to make it a financial success. Posters have been placed in every prominent business house in town and 300 circular letters have been issued to some of the prominent business men and politicians of the state. Tickets are now on sale at Porter's, although they may be procured from a number of students.

WHO GETS THE SWEATERS?

Freshmen Disqualified and Seniors in a Quandary.

At a meeting of the interclass athletic board last Tuesday morning, the protest of the seniors in regard to the eligibility of two freshmen played in the senior-freshman football game, was sustained. The awarding of sweaters to either the freshmen or seniors was left to the decision of a committee composed of one member from each of the disinterested classes and the registrar. This will be final.

MATHEMATICIANS MEET.

Southwestern Section Gather at Lincoln.

The southwestern section of the American Mathematical society held its annual meeting during the Thanksgiving recess at the University of Nebraska. On Friday evening Dean Davis entertained the members informally at his home. Saturday was devoted to the presentation and discussion of papers, Dean Davis presiding.

At the business session it was voted to hold the next meeting at Washington university, St. Louis. Prof. Roever of that institution was elected as chairman, Prof. Kellogg of Missouri as secretary, and Prof. Brenke of Nebraska as the third member of the executive committee. A committee consisting of Professors Brenke, Young, Hedrick and Roever was appointed to consider plans for promoting the interests of the section.

COMMITTEE DECIDES.

Winners of Senior-Junior Game Declared "Champs."

At a meeting of the committee Monday evening which was appointed to decide the interclass football championship the following report was made:

To the Interclass Athletic Board:

Your committee appointed to award the interclass championship football honors finds that the freshman and sophomore teams were disqualified by reason of playing ineligible men in a regular scheduled game.

We therefore declare the winners of the senior-junior game as interclass football champions for the season of 1910.
