University of Missouri Draws Chief Honors in Stock Judging Contest at Chicago Show.

The University of Missouri drew chief honors when the twelve judges of the agricultural students' contest announced their official figures and the number of points scored by the rival colleges Sunday. The competition is held annually in connection with Chicago's international live stock exhibition.

Missouri won the team trophy and had the additional honor of taking the first four places on the honor list. Forty-five students from nine colleges competed.

- The ten ranking students are:
- W. R. Hechler, University of Missouri, 1,089 points.
 - Walter S. Williams, University of Missouri, 1,087 points.
 - T. R. Douglass, University of Missouri, 1,075 points.
 - S. T. Simpson, University of Missouri, 1,074 points.
 - C. M. Henderson, Texas Agricultural college, 1,074 points.
 - L. Tompkins, Iowa State college, 1,071 points.
 - A. J. McMillan, Manitoba Agricultural college, 1,060.
 - George S. Templeton, University of Missouri, 1,064.
 - W. P. Forbes, University of Nebraska, 1,051.
 - F. F. Warner, University of Nebraska, 1,043.

The Missouri students beat all opponents in judging horses, cattle and hogs and were second in judging sheep, Texas students leading.

A fund of \$5,000 has been donated for twenty agricultural scholarships to be distributed among the colleges whose students have been most successful in the judging contests, according to these awards.

GIRLS TO PRACTICE.

Feminine Basketball Artists to Toss Goals.

Football has had its day, now it is time for basketball to take its turn.

For several weeks the men have been in training and just last night Miss Gittings issued a notice urging the young ladies who want to try for places on the class teams to get out for practice at once. The girls' basketball tournament to decide class superiority will be held before the close of the first semester. Practice will, therefore, commence this week in earnest.

The tournaments in past years have

not been held until spring, but Miss Gittings states that by playing off the basketball championship early in the year, the girls will have a chance to play other indoor games in the spring. Girls' indoor track meets may be held, and indoor baseball teams will be organized. This will give a much needed variety, so the girls say, to the athletics for women. It may be that tennis teams for women will be attempted in the spring— Who knows?

Girls' basketball practice will begin this week. The schedule for practice is as follows:

- Monday, 1 o'clock, seniors and freshmen.
- Tuesday, 1 o'clock, sophomores and freshmen.
- Thursday, 1 o'clock, sophomores and juniors.
- Friday, 1 o'clock, seniors and freshmen.

MAYER BROS.

There is not one good reason for any man not wearing

Hart Schaffner & Marx Clothes

SOME SAY THEY ARE TOO HIGH PRICED, but that is no argument at all; the price is so insignificant that it should not be considered for one second. In fact, the value you receive from these clothes is so far ahead of what you get elsewhere that they should be considered as real bargains.

IF \$10.00 IS THE PRICE YOU WANT TO PAY for a Suit or Overcoat, you will get here the best to be had at that price. If you want to pay \$35 or \$40 you will get the very finest garments made, and it's the same way with all intermediate prices.

IT'S THE EXCLUSIVE STYLE, THE RICHNESS and wearing qualities of the fabrics, the fit and the high-class tailoring you get here that should appeal to you more than price, but when you can get all these for less than you would pay elsewhere for just ordinary clothes, it leaves no possible excuse for any man not buying his clothes at Armstrong's.

Suits and Overcoats \$10 to \$40
