WILL PICK FRESHMEN.

Coaches Have Schedule for First Year Men.

Come time within the next two weeks the basketball coaches will pick the freshman team. The freshman team is open to all players who are in the university for their first year, regardless of the class to which they belong.

Several games have been arranged among them a series with the Nebraska Aggies, with the city Y. M. C. A., and with the varsity scrubs. It is probable that later in the season a regular game will be scheduled with the varsity. The games are of enough importance to require good team work.

Wilber Wood will coach the first year squad. Practice will be held at the same time as the varsity, which is Monday and Wednesday nights at 8 o'clock, and on all other days of the week in the afternoons.

All those who intend to try for the varsity should put in an appearance this week to have any show. During the next two weeks passing, scrimmages, floor plays and practice games will be introduced.

PUTTING UP LAMPS.

Monument Left by Class of 1910 to Be Put in Place.

Monday morning workmen commenced to place in position the orna-

mental lamps which the members of the class of 1910 presented to the university last spring. Some difficulty arose this fall when the lamps were not erected on either side of the main entrance to Library hall, and upon investigation it was found that the presents had not been paid for. Members of the class started to investigate the cause of the delay and the money was soon forthcoming from the class officers, who declared they had been unable to make a settlement before.
