**START ON TOUR OF STATE**

made for appearances at the most important cities on the Pacific coast. Preparations were made to start, when the San Francisco earthquake came, and the entire trip was abandoned. Through this unfortunate occurrence the interest in glee club work which had risen to a fever height, was gradually dropped. Finally after strenuous efforts had been made to keep the organization alive, the whole matter dropped and for almost four years the university had no real student musical organization except the cadet band.

**Forum Article.**

In the spring of 1910, about a month before the school year closed, an article appeared in the Forum of the Daily Nebraskan, in which the writer urged the formation of a glee club at the university. At that time the matter had been given little serious consideration. However, a number of prominent students took the problem in hand, with the result that the club was formed, but did little work, on account of the proximity of the close of school.

When the university year opened in September of this fall active work was taken up by the students interested in the club, and after holding a series of try-outs, by which means a number of the best singers the school afforded were secured, the club membership was made complete and regular work was commenced and semi-weekly practice has been continued all

fall. Preparations were made to take a trip through some of the western states during the holidays, but this plan was deemed inadvisable until the club had made a tour of the state, and if that proved successful then a more extensive list of engagements would be made.

This plan was followed with the result that a series of engagements were made for the Christmas recess, at which a number of towns will be visited after Monday, when the club made its initial appearance at Hastings. The list of towns to be visited is as follows:

**List of Appearances.**

December 19, Hastings; 20, Minden; 21, Fairfield; 22, Edgar; 23, Nelson; 24, Hebron; 25, Red Cloud; 26, open; 27, McCook; 28, Cambridge; 29, open; 30, Aurora; 31, Exeter; January 1, no appearance; 2, Tecumseh; 3, Auburn; 4, Nebraska City. The two dates which are open will be arranged. As January 1 comes on Sunday, no appearance will be made by the musicians. The date for Christmas Sunday, which was formerly scheduled for Fremont, has been changed to Red Cloud, where the club will appear under the auspices of one of the church organizations of that city.
