

CHAIRMAN HAHNE IS BUSY.

**Interclass Debates to Be Held Soon—
The Championship Forensic Con-
test Date is Set for April 11.**

Chairman E. H. Hahne of the interclass debating board is busily arranging for the class debates which will be held soon. The woman's suffrage question has been chosen for the two preliminary debates and will decide the two teams which are to compete in the final debate on April 11. It has been announced that all try-outs should be held before February 22, as the sophomore-freshman and the senior-junior debates will be held on March 8. If possible these two preliminary debates will be held at an earlier date.

The debating board, at a meeting this afternoon, will probably set the dates and choose a question for the final debate. The judges for the debates have not yet been chosen. This matter will also come up for discussion today. The following students are members of the interclass debating board: Seniors, Votava and Hahne; Juniors, Garrett and Power; sophomores, English and Rehn; freshmen, Mitchie and Epperson. Because of delay of appointment of the freshman members, the chairman appointed Fremont Mitchie and Chas. Epperson to serve temporarily or until others are selected by the freshman class.

REMOVAL OF MEDICAL SCHOOL.

Matter is Now Before House Committee for Investigation.

The house of representatives at its session yesterday passed one motion which is of interest in university circles. The motion was one putting the removal of the medical school from

Omaha in the hands of the same committee which is investigating the proposed removal of the university proper to the state farm. It seems that the legislature has been asked to provide a sum of money for a site for the medical college in Omaha. The buildings were to be built by private subscriptions. These subscriptions have not been forthcoming and the committee is asked to find out what would be the best means of providing for the school for doctors.

Notice, Freshmen.

Try-outs for the team to represent the class in the Charter day meet will be held Wednesday at 8 p. m. in the armory. The events are: 25-yard dash, high kick, high jump, relay, pole vault, shot put, tug-of-war, rope climb, middle-weight boxing and wrestling.

FREMONT MICHIE.

The Ohio state university will establish varsity baseball next spring.

Women's basketball as an intercollegiate sport has been discontinued at Stanford university.

The sum of \$3,000,000 is to be expended on the college of physicians and surgeons of the University of Columbia.

A bequest of \$100,000 has been granted to Yale for the erection of a new library, to be called the Day Mission library.
