

# The Daily Nebraskan

Vol. IX. No. 80

UNIVERSITY OF NEBRASKA, LINCOLN, THURSDAY, FEBRUARY 9, 1911.

Price 5 Cents.

## KNOW THEIR FATES TODAY

HEADS OF TWO CLASSES TO BE DECIDED IN ELECTIONS.

PERSONAL FEELING FIGURES MUCH

CONSIDERABLE MUD-SLINGING IN SENIOR CAMPAIGN.

Three Men in Upper, Two in Lower, Seek Honors—Candidates All Prominent—Sophomores Are Dignified.

Today the grand finale of the fiercest political battle ever fought at the university will be presented in Memorial hall by a picked cast from the class of 1911. The curtain will rise at 11:30. Never, in the history of the university, has a fiercer fight been waged in a senior class. The electioneering of last year was far from quiet, but the calls of the office seekers during the past few weeks have rivaled all those of former years.

### Muddy at Times.

The three candidates for the presidency of the senior class have been working hard. Their friends also have been carrying on a buttonhole campaign of a strenuous nature. Harry Hathaway, A. B. Amberson and Yale Holland, the three aspirants for leadership, have been shaking hands at a lively rate for the past few days. The campaign has not been without a large amount of mud-slinging. Slimy black mud has been hurled back and forth from one campaign committee to another. It has been strictly a personal campaign.

### The Three Possibilities.

A. B. Amberson, who hails from Superior, has been prominent in class and school athletics. He has been a member of victorious track and cross-country teams. He is a member of the Innocents.

Harry Hathaway, who was the next candidate to enter the field, is a member of Delta Upsilon fraternity, is one of the founders of the Platform club, and has been prominent in class affairs. He was master of ceremonies for the junior formal last year.

Yale Holland of Lincoln was placed in the race by the senior laws. He is just finishing six years of life in the university, and is a member of the Dramatic club and of Sigma Chi fraternity. He is widely known in university circles.

And with this election the curtain will fall on the last of a glorious political history. It will be the last scene of the fiercest drama ever presented by the class of 1911.

### Sophs Elect Today.

C. F. Phillips and R. K. Ammerman will be sized up at today's meeting of the second year class. One of them will be selected by the class. The campaign in the sophomore class has been a quiet, dignified affair, as compared to that of the seniors.

Phillips is a Beatrice man. He has been one of the foremost workers in his class. He was chairman of the Olympic committee, is at present chairman of the committee on arrangements for the freshman-sophomore indoor athletic contest, and a member of the Delta Chi fraternity and of the Platform club.

Ammerman is a graduate of the St. Joseph, Mo., high school. He is a member of Phi Gamma Delta fraternity, and of Phi Delta Phi, the honoratory law fraternity.

### Meet in Temple.

President Sears has announced that

## APPLICANTS FOR NEBRASKA COACHSHIP HAVE RECORDS

The results of the athletic board meeting Tuesday evening are still a source of much student gossip. That the recommendation of the committee was in many ways a surprise to the student body is apparent from the character of most of the comments. Since the recommendation of six men for the all-year-round coach has been made, and since the coach will in all probability be selected from this submitted list, it is interesting to take a short resume of the records of each of these men and see at least some of the qualities of the prospective coaches.

### S. S. Metzger.

Graduated from the University of Pennsylvania in 1904. Played on the Pennsylvania football team in 1901, 1902 and 1903, serving as captain of the team in 1903. In 1907 Mr. Metzger coached the University of Pennsylvania freshman team, developing an intercollegiate championship eleven in this class. In 1908 he was field coach of the Pennsylvania varsity team, which won the eastern intercollegiate championship. Re-elected to this position for the season of 1909, but resigned to enter business. Was a sprinter and hurdler on the University of Pennsylvania track team.

### John Marks.

Graduate of Dartmouth college. Played halfback and fullback on the Minneapolis high school football team for four years, captaining the team in his senior year. Was a track athlete competing in the hurdles, sprints and broad jump, captain of the team in his junior and senior years. He played fullback for three years on the Dartmouth varsity. At Dartmouth he took part in the sprints, broad jump, shot-put and discus. Last year was football coach at St. Viator college.

### C. C. Childs.

Graduates from Yale university this coming June. Before going to Yale was a student at Kenyon college, Ohio, where he was a member of the football, track and basketball teams, in glee and mandolin clubs, and various other organization. Been a student at Yale university for three

years. Member of the Yale football team for two years, being a utility guard the past season. On the track team, but has specialized particularly in the weight events. Member of the Yale wrestling team and candidate for the varsity crew.

### E. O. Stiehm.

Graduate University of Wisconsin 1908. Played on the Atkinson high school championship football team in 1903 and 1904. Wisconsin freshman team 1905. Wisconsin varsity 1906-07-08 in the position of center. Member of the University of Wisconsin basketball team for four years, usually playing the position of center. Competed on the Wisconsin track team only one year, and that in the weight events. He has had considerable experience in baseball. In college year of 1908-09 was director of athletics at Atkinson high school, Atkinson, Wis. 1909-10 director of athletics, Ripon college, Ripon, Wis.

### Edward L. Greene.

Prepared for college at Phillips-Exeter academy. Graduated from University of Pennsylvania in 1907. Played right half on the University of Pennsylvania team 1904, 1905, 1906 and 1907, serving as captain in 1906. In track athletics he took part in the broad jump, hurdles and quarter mile relay team, all this work under the coaching of Mike Murphy. Had considerable experience as basketball player, but never represented University of Pennsylvania in this sport. Played semi-professional baseball. Coach in football at the North Carolina agricultural and mechanical college for past two years. Turned out the Southern Atlantic championship team in 1910.

### Z. G. Clevenger.

University of Indiana, played on the football and baseball teams. University of Indiana, 1900, 1901 and 1902. Graduate manager of athletics University of Indiana two years. Graduate of course in athletics Chautauqua school of physical education. Director of physical training and athletics, Nebraska Wesleyan university four years.

## BOHEMIAN LIFE.

Lecture by Professor Hrbkova Will Be Interesting.

A treat is in store for those who are interested in life in foreign countries, if they attend Professor Sarka Hrbkova's lecture at convocation this morning. Miss Hrbkova is head of the department of Slavonic languages and her subject will be "Bohemian Life." The lecture will be illustrated by a set of stereopticon slides, which are said to be very beautiful and life-like.

## NEBRASKA-MISSOURI

(Special to the Nebraskan) Columbia, Mo., Feb. 8.—The Nebraska basketball team went down to defeat before Missouri tonight. The final score was 39 to 26.

## TWO INDOOR MEETS COMING

PLANS FOR CHARTER DAY EVENT NOW ABOUT COMPLETE.

FRESH-SOPH CLASH SATURDAY

INTEREST IN LOWER CLASSES IS NOT RUNNING HIGH.

Sophomores Pick Relay Team Yesterday—Try-outs for Charter Day Contest to Be Held Saturday.

Detailed preparations are now being made for the annual Charter day indoor athletic meet. As previously announced, this event is to be strictly "open" to all students of the university which feature is being introduced for the first time in the records of the school. Because of such a qualification, the meet promises to be one of the most successful ever pulled off, especially so since it is void of the former factional feeling which pervaded the events.

To facilitate the work of the management, individual students have been appointed to encourage entries and coach the participants, one student being assigned to each event of the meet. The appointments are as follows: A. May, sprints; R. M. Graham, pole vault and running high jump; S. M. Collins, shot put; L. C. Hummel, fence vault; G. Hansen, high kick; G. H. Barnes, rope climb. The relay race will be the only encounter between the separate classes. Each class must select a representative team.

### Try-outs Saturday.

All try-outs for the Charter day meet will be held next Saturday afternoon at 3 o'clock. All entries must be made by this time. The try-outs will be held in order that the numerous applicants for athletic glories may be sifted down to the "select few." Consequently, all who contemplate engaging in the Charter day meet should be present in the Armory Saturday. Six contestants will be permitted for each event except the sprint, with twelve legitimate entries.

### Freshman-Sophomore Meet.

The freshman-sophomore indoor athletic meet will be pulled off Saturday night in the university armory. Those who have been most prominent in installing this new feature in the athletics of the school are becoming discouraged on account of the interest manifested by the students of the respective classes. It is hoped, however, that enough entries will be made by Saturday to insure the success of the meet. Since this is a new plan of testing the athletic ability of the two lower classes, and since certain "friendly" rivalry invariably is entertained by the members of both classes, the inauguration of the indoor event was anticipated to be the solution for the settlement of these petty differences. At the try-out for the sophomore relay team held yesterday noon very few were present, the team being selected as follows: Jarret Oliver, G. Lzcar, M. C. Hargrave and C. H. Worley. The freshman relay team has not been selected.

### ENGLISH CLUB.

The English club will meet with Misses Pound and McPhee Saturday night at the home of the former, 1632 L street.

the meeting will be held at 11:30 o'clock this morning in the Temple theater. The interclass contest committee will report. After the Omaha debate challenge has been considered the election will proceed, and the fates will decide who is to wield the gavel during the semester.

### CRAIG SPEAKS.

Omaha Engineer Talks to Engineering Society About Pavements.

Geo. W. Craig, city engineer of Omaha, addressed the Engineering society last night on "Modern Street Pavements."

He spoke of the history and development of pavements up to the present day, and dealt in particular with those used now, giving the methods of conducting standard tests, manufacture, laying, maintenance and life of them.

Dean Richards will address the A. I. E. E. and A. S. M. E. in a joint meeting tonight on "Modern Refrigerating Machinery" in room M. E. 206. This meeting is open to the public.
