CHILDS HERE TODAY.

Candidate for Nebraska Coach to Meet Board.

Although no definite or suggestive action has been taken by the athletic board of the university relative to the all-year-round coach proposition, certain indirect occurrences have transpired upon which the "sports" may conjecture. C. C. Childs of Yale, who was numbered among the six applicants for the position of coach as recommended by the athletic board committee, will be in Lincoln today and dine at the Lindell hotel this noon with Chancellor Avery and the members of the board. The purpose of this visit is probably nothing more than the desire for a mutual interview between Mr. Childs and the members of the board, an opportunity for the former to investigate conditions of university athletics, and for the latter a reciprocal interview. It can not be said officially that C. C. Childs will be the next director of the gridiron warriors, but to the casual observer all indications point to his selection.

RECITAL FOR GRADUATION.

Miss Rita Thomas, Pianist, Appears at Temple Theater.

Last night in the Temple theater Rita Thomas gave a piano recital for graduation from the university school of music. Miss Thomas showed remarkable skill in the execution of the soft toned selections. Her rendition of "Sigmund's Love Song" from "The Valkyries," by Wagner, made a great impression upon the audience. It was the subject of favorable comment from music authorities who were in attendance. Her technique was said to be perfect.

Miss Thomas has been studying under Professor Robert W. Stevens of the university conservatory. She is a Nebraska City girl who has been exceptionally popular at the university and is a member of Delta Delta Delta sorority.

GESELLSCHAFT ELECTS.

Decide on Officers for the Ensuing Semester.

At the business meeting of the Germanistische Gesellschaft held last night in the Temple the following officers were elected: H. H. Wiebe, president; Mary Badger, vice-president; Edw. Huwaldt, secretary and treasurer. The Gesellschaft extends a hearty welcome to German students.

Register for Chorus Work.

Students desiring to register for chorus work may do so in the next few days. Registration for this branch will probably be open the rest of the week. More students have made application for the chorus this semester than ever before.

RUSHING STARTS SOON.

Greeks in Conquest for New Converts—Sororities Begin Work Today.

Now that final examinations are safely out of the way, another monstrous dragon stares at the sorority and fraternity public—rushing. The grand rush among the fraternities will begin next Friday and hold the attention of society for ten whole days. The sorority girls, being less strenuous than the men, will rush for two days only.

The short series of parties and calls, which will now command the earnest attention of the fraternity members, is not an ovation in any way at Nebraska. It occurs regularly twice during each school year, and after the grand rush is over the troubled seas of Greekdom all will again be quiet.

The second semester rushing season will open Friday at 6 p. m., and lasts for ten days. It promises to be a mild one, however, as the number of candidates is considerably smaller than last semester. The sororities begin their campaign for new members Thursday evening, and continue to Saturday noon. Under the new system, as soon as the season closes, the bids are sent out by mail, and the answers sent in the following Tuesday. This gives the girls a few days of anxious waiting, yet the plan as a whole has met with favor.
