### STIEHM HERE THURSDAY.

#### Rippon College Coach is Candidate for Job at Nebraska.

Ewald O. Stiehm, director of athletics at Rippon college, Rippon, Wisconsin, has been invited by the athletic board to visit the University of Nebraska. Stiehm will be in the city all day Thursday, arriving this evening. No arrangements have yet been made for his entertainment, but it is probable that members of the athletic board, board of regents and the captains of the athletic teams for next season will take lunch with him at one of the hotels Thursday noon.

The mission of Mr. Stiehm is to get acquainted with conditions at Nebraska. He has not been offered the coachship, neither has the athletic board decided not to call C. C. Childs. There has been some feeling since the visit of Mr. Childs that the board should not act too hastily in the matter. While Childs made a very favorable impression upon the members of the board and of the student body at large, his name has not come before the board for action and probably no decision will be rendered until the first of the week. Some of the other candidates may be invited to come to Lincoln to meet the athletic authorities before any vote is taken on the coach proposition.

### TWO PROFS QUIT JOB.

Chester C. Childs.

The gossip bug on the campus has it that C. C. Childs of Yale university will undoubtedly be the all-year coach for athletics at the University of Nebraska. While no action has been taken by the athletic board and none of the members have publicly committed themselves, students in general are of the opinion that he will be the choice of the board. The athletic

### Notice to Sophomores.

All those who intend to try-out for the sophomore debating team should meet in U106 Thursday at 11 o'clock, either in person or by proxy to draw for places for the order of speaking.

"Mice and Men" was recently presented by a cast at the University of Syracuse with marked success.

### NETA MAKES A HIT.

#### Cannon Ball Extra Greatly Pleases the Students.

University students hastening to their classes Monday morning were amazed and in some instances frightened when they noticed a small red object rolling down the "cannon ball line." Closer inspection showed it to be none other than a beautiful little street car, painted red and with the name "Oneta" inscribed on the sides. The Oneta was, and undoubtedly will be for some time, the cause of much comment among university students.

Traction company officials declare that the Oneta is not an experiment, but that it has come to stay, and will be run every ten minutes as the "cannon ball extra."

Perhaps new to many, the Oneta, or the "Neta" as it has already been dubbed, is not entirely new. Years ago it was a familiar sight in the city, having been first used as a picnic car. Later "Brad" Slaughter used it as his private car.

The Oneta is a neat little affair, some fifteen feet in length and will seat uncomfortably some ten people. It is, in fact, as a student was heard to remark when the Oneta approached with a load of passengers, "There isn't even room for suspicion."

### RULES OF DEBATE.

#### All in School First Year Debate With Freshmen.

A number of students seem to be in doubt as to which class they can debate with. In regard to freshman laws the constitution reads: "Any one who is spending his first year in collegiate work shall be considered, for the purpose of these debates, a freshman." Hence, freshman laws who have never had a year in any college, debate with the freshmen. Others debate with the class with which they ordinarily vote.

The try-outs for all class teams will be held Wednesday, February 22, and all prospective contestants should see the members of the board at once. The time limit will be eight minutes, except for the first speaker, who will be allowed six minutes with a three-minute rebuttal. Others will have no separate rebuttal speeches, but will be expected to refute some of the argument in the regular time allotted them.
