### JUNIORS GET PATRIOTIC.

Decide to Wear Colors During the Junior Week.

At a meeting of the junior class held in the Temple yesterday it was decided to wear the class colors during junior week. All were of the opinion that it would be a good thing for the juniors to bear some mark by which they could be distinguished from the other classes of the university. Other devices, it was thought, might be adopted later. No committee announcements were made. These will be given out within the next week or so.

There were no contests for the minor offices and but little time was required for their election. The results were as follows: Vice-president, Cecil Cobb; secretary, Florence Rush; treasurer, Dale Boyles; and sergeant-at-arms, W. L. Bates.
