

Directory of Advertisers

The following merchants and business men of Lincoln are anxious to serve the University students. By placing their advertisements in the columns of the Daily Nebraskan they show that they want your trade. And you may be sure that the merchant who is willing to make a little effort to get your patronage is the one who is going to treat you honestly and considerately in attempting to keep it. So you—as well as the Nebraskan—will profit by trading with these people:

Young Men's and Boys' Department Second Floor,

BRILLIANT PLAY MARKS CLOSE OF SEMI-FINALS

Continued from Page 1

mann, Rector, forwards; Burkenrod, center; Howe, Crocker, guards. Lincoln — Hartman, Ager, forwards; Hugg, center; C. Mann, Hager, guards.

Wilber was defeated by South Omaha 40 to 23. Meneffee starred for the boys from the packing city. They had good team work and kept close guard on Prucha, Wilber's star, all the time. Prucha, who is the whole Wilber team, could not get away to make many trials for goal.

The line-up: Wilber—Prucha, Shimerda, forwards; Savage, center; Chouloupka, Aksamit, guards. South Omaha—Meneffee, Collins, forwards; Shields, center; Barry, Phillip, guards.

The heavy Beatrice team bore down the light-weight Geneva boys in a game which was chiefly featured by the gameness of Geneva's fight. The score was 36 to 19. Both displayed wonderful team work and Geneva played with its usual speed. Luse for Beatrice made a number of very difficult goals and Stockton made a good record on free throws.

The line-up: Geneva — Severns, Shickley, forwards; Garrett, center; P. Sloan, Schneider, guards. Beatrice—Luse, Stockton, forwards; Hobbs, center; Rutherford, Riecker, guards.

The final games will be played at the Armory tonight between Lincoln, South Omaha and Beatrice. The games start at 8 o'clock. The dope rather favors Beatrice as winner on its showing last night.

Clevinger and Brannon refereed the games last night and will be on the job again this evening. They are giving excellent satisfaction.

NOW HAS MODERN EQUIPMENT

FIRE DID SERVICE FOR ANATOMY DEPARTMENT IN BURNING OLD APPARATUS.

The fire that ravaged the third floor of the Mechanic Arts building performed a valuable service for the anatomy department of the school of medicine. Before the fire, the department was laboring under very adverse conditions with poor facilities for carrying on the work of dissec-

tion. The apparatus was old and rather antiquated and the items of light and ventilation were not well cared for.

Since the fire the third floor has been completely remodeled and the equipment that has been installed is thoroughly modern. The anatomy laboratory has been divided up into a number of dissecting rooms, all well lighted and ventilated. These rooms are equipped with new dissecting tables which are constructed throughout of metal and are a great improvement over the old wooden tables which they replace. Each room is provided with a drawing table for the convenience of the workers. A tar floor has been laid throughout to deaden the noise which was annoying to the persons below.

A new and modern lecture room adjoins the laboratory and has been fitted up with a complete set of anatomical charts. Adjoining the lecture room is the locker room, which will be equipped with large steel lockers which, however, have not yet arrived. The installation of this locker room permits students to change quickly from their laboratory costume to their street clothes.

One of the most valuable additions to the equipment of the department is a stereoscopic machine for projecting diagrams of the ideal dissections of Dr. Cunningham, the world's foremost anatomist. These diagrams are actual photographs of dissections which the machine enlarges and renders more clear. It would almost be possible to obtain a complete idea of anatomy merely from the study of these photographs. Under these new and favorable conditions the delayed work in anatomy is going on rapidly.

STUDENTS ON A STRIKE.

Nearly Three Hundred Desert Classes at Ripon College.

The strike germ, so prevalent among the various labor unions of the country, has invaded a rather new field. According to a dispatch from Ripon college, at Ripon, Wisconsin, the student body has gone on a strike following the dismissal of five of their fellows for infractions of school rules. Only a very small per cent of the 300 students attended class yesterday, the others spending their time loitering about the streets or doing picket duty near the campus.
