

LOFGREN AND MIELENZ INDICTED

TWO MEMBERS OF SIGMA ALPHA EPSILON SENTENCED TO RHODESIA.

Gus Lofgren and Howard Mielenz were taken to "Hotel de Peste" yesterday to serve a two weeks' sentence for smallpox. The two men pleaded guilty yesterday to a charge of unsanitary physique and were taken to the pest house without further ceremony. Lofgren and Mielenz are both members of Sigma Alpha Epsilon and had been living at the fraternity house. The city health authorities fumigated the chapter house yesterday afternoon and went the rounds on the vaccination of the fraternity men.

Lofgren, it is said, is not very sick and is only broken out in a few places. In fact, when a Nebraskan reporter telephoned to the hospital last evening, Lofgren seemed to be in a mighty jolly mood, while Mielenz was sick in bed with a high fever. There are now ten inmates at Rhodesia, nine patients and a matron. C. J. Schultz and F. A. Jones were both released last week. Jean Cain is still in quarantine.

Is more essential to a good dresser than a big outlay of money.

There was a time when you could not get a good, stylish suit of clothes without paying an enormous price, and it had to be made to order. Things are different now; you can come to this store and buy just as fine a suit as you want at a very reasonable price.

Suits and Overcoats that are perfectly tailored, that fit, that are every thread all wool and that we guarantee to satisfy you in every way.

A DELIGHTFUL SONG RECITAL.

Mrs. Conant Again Pleases Audience With Her Singing.

Mrs. E. B. Conant delighted a large audience yesterday morning at the Temple theater with her song recital. Mrs. Conant has been heard often by university audiences, and every time it seems makes a better impression. Her program was cleverly selected. One of the most popular numbers was the group of Indian songs by Charles Cadman, who lives among the Indians, studying their music and who interprets it in beautiful songs.
