The interfraternity athletic board is scheduled to meet in Dr. Clapp's office at 11 o'clock today. Matters pertaining to the interfraternity baseball games will occupy the attention of the board.

Miss Venus Leamer, '10, spent the week's end at the Delta Zeta house.

M. C. Shirey of Kearney was the guest of his son, Ray Shirey, at the Bushnell Guild Friday and Saturday.

Prof. F. J. Alway of the agricultural engineering department is still seriously ill at the hospital as a result of an operation last week.

Thirsty students were able to assuage their thirst at the fountain on the campus, it being turned on yesterday for the first time since last fall.

The new bulletin board is to have a concrete base and will be still further improved upon as occasion demands, it being the wish of the designers to make it the noblest thing on the campus.

The northeast corner of the athletic field has been in use lately for rifle practice. Although the cadets will take rifle practice on the range at camp, practice in sighting is being done here.

There will be a meeting of the Forestry club this evening in Nebraska hall. John S. Boyce will give an address on "Silvical Experiments in Forest Planting."

Missouri state university Greek letter organizations cannot initiate members until they have twenty-four hours credit according to a new ruling to go into effect next fall.

The Delta Zeta held their annual banquet at the New Lindell last Saturday evening. Mrs. Nettie Wiles Shugart was toastmistress. The patronesses, Mrs. Samuel Avery, Mrs. Chester Aldrich and Mrs. A. E. Sheldon, were present.

Professor Borrowman of the department of chemistry has an article in the March issue of the Journal of Industrial and Engineering Chemistry entitled "Chemistry and the Engineer." It discusses the importance of chemical knowledge in engineering work and is essentially what was given by the author in an address before the Nebraska section of the A. I. E. E.

E. G. Montgomery, professor of experimental agronomy, will shortly

**The Old Question**

of which came first the hen or the egg has never been answered.

But the problem of getting perfect, ready-made garments without paying tailor's prices is solved.

The correct solution of that problem is Kensington clothes.

Do you want the fit, style and workmanship of the best merchant tailors?

Yet do you hesitate to pay his price?

If so our Kensington are the clothes you want.

Leonard Heggeland, '10; Frank Wheelock, '10, and Lloyd Denslow, '08, were recent guests at the Delta Tau house.

Invitations for the Delta Tau Delta formal are out. The party will be given at the Lincoln next Friday. The annual banquet will be held the following evening.

publish a bulletin on "Perfect Flowers in Maize." In his investigations of this subject Mr. Montgomery has made several important discoveries and says of the one to be described in the forthcoming bulletin: "I venture the suggestion that these plants may resemble in some degree the original form from which our common maize was derived."

**Notice.**

Freshmen! Baseball practice at the athletic field today from 4 to 5. Bring material.
