BAND TO ENTERTAIN LEGISLATORS TONIGHT

AFTER WEEKS OF PREPARATION
PROGRAM IS READY.

MUSIC IS FROM THE MASTERS

Majority of State Officers and the
Legislators Will Attend the
Concert as Guests.

After many weeks spent in preparation the band is now ready to give its concert at the Oliver theater. Practice has been going at double swing for the past ten days and the results are manifest. Those who have heard the rehearsals of the selections to be given tonight are more than praising in their criticisms.

The full band of sixty pieces under the direction of August Hagenow will render the program. Never in the history of the University of Nebraska has there been such an aggregation of musicians who take so much interest in their work. The legislators and state officers will be present.

The program as arranged contains some good music by the famous masters. Light catchy pieces of popular music will be played for encores, but have been left out of the regular program entirely.

Comical Contest.

What promises to be something unusual and comical is the "Comical Contest," in which the band tunes up and all draw numbers for the order of playing. The rules are then read and the performance causing the most laughter is to receive the prize. The judges take a vote after each variation. The jealousy of the drummers is unexpected and results in the bass drummer getting first place, his performance having produced the most hilarity.

Neat little programs have been printed. Besides the numbers a short sketch is given of each composer so that the audience may better understand who wrote the music and by what conditions he was surrounded.

Following is the program as given out yesterday:

War March of the Priests from "Athalia" Mendelssohn

COMPANY DRILL IN ORDER.

Hour to Be Devoted to Battalion and
Regimental Maneuvers.

After next week the seven companies of the cadet regiment will spend the drill hour in company drill. In preparation for the competitive drill to be held late in May, the work of the department from now on will be devoted chiefly to battalion and regimental maneuvers. A number of company smokers have been held during the past two weeks to arouse interest in drill, and the officers and non-commissioned officers of the companies are working hard to get their men into shape for the grand finale. Company D was the winner of the competitive drill held last year.

UNIFORMS TO COST LESS

BID OF CINCINNATI FIRM IS LOW-
EST AND CONTRACT
AWARDED.

Announcement was definitely made yesterday by the uniform committee, composed of Chancellor Avery and Commandant Yates, that the bid for the manufacture of the university cadet uniforms had again been given to a foreign firm—Pettibone Bros. Mfg. Co., Cincinnati, Ohio. This contract has been made as a result of free-for-all bidding from all local and foreign firms. Three local firms made bids for the contract; also eight other companies. Pettibone Bros. Mfg. Co. were the manufacturers of the uniforms made last year, and made a bid this year of \$11.40, the lowest bid for cadet uniforms in the history of the institution.

Judging from the samples which accompanied this bid, the uniforms for next year will be equally as good as any ever used at Nebraska, and probably much more serviceable. Until recently the purchase of uniforms was consigned to the local Pershing Rifles, but in view of the fact that this organization is not a complete representation of the cadet regiment, further contracts, through them, will not be permitted. This eliminates all middle-men profits, so that cadets hereafter will receive their military clothes at cost prices.

SONG RECITAL TODAY.

Bernice Halley Forrest to Appear at
Convocation in the Temple.

Mrs. Bernice Halley Forrest in a song recital is to be the attraction at convocation tomorrow. She will sing at the Temple theater. Miss Marjorie Anderson will be the accompanist. Mrs. Forrest has never yet been heard by a university audience, but it is said by those fortunate enough to have heard her that she has a wonderful voice.

The program is as follows:
When the Bloom Is on the Rye
Lo! Hear the Gentle Lark Bishop
The Bells Debussy
The Splendor Falls on Castle Walls
Tears, Idle Tears Whelpley
How's My Boy?
Sing Me a Song of a Lad that's Gone Homer

EXCISEMAN POWELL TALKS.

Addresses Y. M. C. A. on Fundamentals
of Character.

At the regular mid-week meeting of the Y. M. C. A., held last evening in the association rooms in the Temple, Exciseman U. G. Powell spoke on "Fundamentals of Character." The meeting was well attended and the address was well worth the time of those who heard it. Besides his duties as exciseman, Mr. Powell is rate clerk for the state railway commission and is well known throughout the state.

CASE OF WASTED GALLANTRY.

Failure of Clerk to Distinguish
Deltas Causes Trouble.

A story of a case of wasted gallantry is being told on one of the prominent fraternities in school. A certain sorority with which said fraternity is particularly friendly was holding a banquet last Saturday night at the Lincoln hotel. The boys decided it would be a nice thing to send the girls some flowers and a member of the fraternity was accordingly delegated to attend to the matter. It seems he telephoned the Lindell hotel and was given to understand that the banquet was being given there, and upon the strength of this information sent a messenger boy up with the posies. It happened that another sorority with a similar name was holding a banquet there, the trouble being that the clerk could not distinguish one "Delta" from another. As a consequence of this little blunder the flowers went to the wrong party, and the said fraternity is now wondering why it failed to make the hit anticipated.

GYMNASTIC EXHIBITION FRIDAY

THE PYRAMID DANCE TO BE BIG
FEATURE EVENT OF THE
PROGRAM.

Several details regarding the seventh annual gymnastic exhibition to be held in the Armory Friday, March 24, have been made known by the directors of the departments represented. The demonstration of the first year gymnastics, including callisthenics, apparatus exercises, and games by members of the first year class under the direction of O. F. Field will be the best of the men's first year work.

The pyramid dance, also under the direction of Mr. Field, will probably be the feature of the men's exercises. This will be a novel exercise, and, if anticipations are true and the men hold up their present standard of work, it will in appearance excel all other events. The work on the long horse will be a good representation of apparatus work, while the pyramids by the members of the Gymnastice Leaders' club will be a commendable supplement to the number.

Ruby has challenged Munson to wrestle for the welter-weight championship of the university. The fact that Ruby threw his man easily at Iowa and Munson is some heavier promises to make this event interesting and exciting. Munson has accepted.

NEBRASKA WRESTLERS TRIUMPH OVER IOWA

ELLIOTT, MILLER AND RUBY PUT
THEIR MEN DOWN.

SIX STRAIGHT FALLS END CONTEST

Cornhuskers Experience No Difficulties
In Upsetting the Hawkeye
Prospects.

The first intercollegiate wrestling tournament in which Nebraska university participated, between Nebraska and Iowa, was won decisively by the Nebraska representatives. It was held Tuesday night in the Armory of the Iowa state university, Iowa City.

The Nebraskans won their matches in straight falls, requiring six falls in the three events. Elliott, of Nebraska, threw Occoner of Iowa easily; time of falls, 41 minutes and 9 minutes, respectively. Ruby, weight 140, defeated McMillan, of equal weight, in straight falls; time 16 and 21 minutes. Miller, weight 156, tossed Webb, weight 162, twice successively; time 8 minutes and 1 hour and 15 minutes.

A Big Success.

The success of Nebraska in this first of the intercollegiate contests is certainly a credit to the school and the representatives. That wrestling tournaments will be installed as a part of the annual intercollegiate athletic meets is now almost an assured fact. That Nebraska should win in every weight event is also remarkable. Although Elliott had the best of the weight with his contestant, the ease with which he downed him showed that a larger man would have had as meager chances. In the other events, the Iowa wrestlers were picked by many of the Iowa papers as easy winners, since they were of equal weight and possessed the so-called "prowess," but nevertheless the Iowa men failed to get a single fall.

The seniors at the State high school are to have a class play this year, and judging from the enthusiasm evinced by members of the cast it will be a finished production. The name of the play chosen is "The Sophomore," and it will be staged in the Temple theater April 11. The principals are Miss Clara Hill and Albert Coleman.

President Phillips of the sophomore class has announced an important meeting of the class for Thursday, April 6. An election of managing editor and business manager of the 1912 Cornhusker will be held, and several other matters of class interest will come up. Sophomores are urged to keep this date in their mind, in order that the attendance may be large.
