Price 5 Cents.

TENNIS TOURNAMENT FOR VALLEY CONFERENCE TEAMS

TWO SCHOOLS HAVE ANSWERED IN THE AFFIRMATIVE.

A CONTEST WITH CREIGHTON

Universities Believed to Generally Favor Plan of Kansas City Athletic Association.

Culminating from several circular letters published by the Kansas City Athletic association it is at present almost certain that a Missouri Valley conference tennis tournament will be held at Kansas City, May 18 and 19. This announcement was yesterday made known by R. E. Weaverling, president of the local club.

Nebraska and Missouri Favorable.

For several years it has been the desire of tennis players of the colleges in the conference to meet in an annual official tournament. The definite action of the Kansas association has, therefore, received much favorable endorsement from the better class conference schools. According to the by-laws of the conference, at least three schools must express an affirmative answer to the submitted tennis proposition. Up to date, Nebraska and Missouri have made such expression, and, in all probability, Kansas will soon follow suit. If Kansas does not take the initiative, Drake or Washington may be expected to favor the tournament. In either instance it is sure to be a reality.

The Creighton Match.

Further announcement was made by the local club authorities that Nebraska would meet Creighton for the intercollegiate championship on April 29. This is the first time that these schools have scheduled a contest for the court, but it promises to be one of the best matches in which Nebraska will participate. Creighton has always been strong at the racquet game, having the big advantages afforded by the Omaha clubs. The Nebraska representatives for this event will be Weaverling and Smith, doubles, and Goodbody and Tate, doubles. Goodbody was recently called to New York City because of his father's death, and in case he does not return by the 29th another member of the squad will tie up with Tate.

The only other intercollegiate match for Nebraska this spring, aside from the conference contests, will be the annual event with Wesleyan. Wesleyan is reported as strong as ever this year, which, to say the least, is sufficient recommendation to warrant the prospects of ample good varsity material. Nothing decisive has yet been done relative to the local spring tournament, although it is rumored that this will not be a feature of the tennis program this year. Considerable dissatisfaction was manifest last year among the squad members because of so much inexcusable delay in pulling off matches in the local events. Resulting from this, it is highly probable that the local tournament will be dispensed with this year.

FRANK AND HASCALL OUT.

Announce Candidacy for Places on the Athletic Board.

Owen Frank and V. C. Hascall yesterday announced themselves as candidates for the athletic board. Both are third year men at the university and have been prominent in athletics. "Turp" Frank has won his "N" in football, baseball and basketball and has been a member of the athletic board by appointment since February in the place of S.V. Shonka. He is vice-president of the Y. M. C. A. "Stub" Hascall won an "N" in football in the season of 1909. He has had considerable experience in managing athletic teams, and is at present business manager of the Daily Nebraskan.

A HORRIBLE MISTAKE RECTIFIED

Date for the Sophomore Hop is April 28, and No Conflict.

Mistakes will happen. Yesterday the Daily Nebraskan made announcement of the sophomore hop for the twenty-second day of the month. The member of the committee who gave the data to the reporter made a mistake, or in everyday language, he had his dates mixed. The sophomore dance is not to be held on next Saturday night, but one week from then. The correct date is April 28, and not as announced yesterday.

Some anxiety was caused by the misleading article for one of the sororities, which is to hold its annual formal party at the Lincoln on Saturday, began to wonder whether the sophomores or the sorority actually had the charter for the hall. A call at the Nebraskan office by a couple of the sorority girls brought the happy information that it was only one of those awful unavoidable blunders, which make explanations necessary.

SENIORS MAY BUY TICKETS.

Can Make Reservations for Annual Class Play Friday.

In accordance with the usual custom tickets for the senior play will be placed on sale shortly. Although the play will not be staged until May 26, in order that members of the graduating class may have the opportunity of making reservations before the general public is accorded the right, and also that the play committee may have ample funds to stage the play successfully the plan of assessing each senior two dollars to meet this expense will be followed. This same assessment will purchase tickets in that amount. The price this year will be one dollar for the lower floor and 50 cents for the balcony.

Seniors can reserve their tickets Friday, April 21, at a table in the hall of the library building, from 1 till 4 o'clock. As the assessment is paid, each will be given a receipt numbered and registered which will entitle them to choose seats in accordance with that number when the sale at the Oliver commences. For instance, the senior obtaining number one, will have first choice of seats for the performance. Monday the same plan will be followed for members of the junior class, and on Tuesday member of the two lower classes will have an opportunity to purchase reservations.

Every senior play for the past five

years has been played to a crowded house. This year the demand will be greater than ever, as it comes before the general student body. "Heartease" will undoubtedly prove one of the most popular ever presented by a university cast, as it is especially adapted for such an undertaking. This will also be a big social event of the year, and every box will be occupied by members of the different university organizations. Members of the graduating class especially are urged to make their reservations before the choice seats are taken.

PERSHING'S WIN CONTEST.

Defeat Workizer Rifles by Narrow Margin—Chancellor Reviews.

The Pershing Rifles won the third annual competitive drill with the Workizer Rifles at the university farm yesterday. The two companies did exceptionally fine work, the Pershings having a margin of about 20 points. They secured 964 points out of a possible 1,000.

The officers of the Pershings are: Bennett, captain; Lord, first lieutenant, and Krug, second lieutenant. Most of the forty members are non-commissioned officers. The Workizers were commanded by Major Anderson. A majority of their men were commissioned officers.

The Pershings drilled with a snap and with spirit and their time was three minutes better than that of the Workizers. Captain Yates and L. E. Frankforter were the judges.

After the contest the second battalion was reviewed by Chancellor Avery. The university band was present to furnish music for the review and the dress parade. Afterwards, the boys gave a short concert and were treated to pop when they had played "How Dry I Am."

SENATOR ALBERT AT REUNION

Senator I. L. Albert, the author of the bank guaranty law, has accepted an invitation to speak at the law barbecue and reunion to be held at Capital Beach, May 10. He is more popularly known as the man who drafted the famous law and successfully contended for it through the courts. But he is a speaker of considerable ability and is well versed in legal doctrines.

Professor Conant, chairman of the supply committee, has been working hard and secured the services of experts to barbecue the large beef that is to serve in allaying the hungry appetites of the solons. Other good things will be plentiful and served in the most up-to-date style.

A number of boats have been chartered so that those inclined toward aquatic sports may indulge in rowing. There will also be races on water and land, as well as baseball games. Members of the law school have been sending out invitations and on returning from vacation reported that many of the alumni of the college in their respective towns had declared that nothing would prevent them from being present at the reunion. So far it is almost certain that there will be at least 400 men present. Street car service to and from the beach will be provided throughout the entire day.

HARKNESS OF ILLINOIS IS Y. M. C. A. SECRETARY

ACCEPTANCE RECEIVED BY THE BOARD YESTERDAY.

TO TAKE UP WORK AUGUST 1

Has Had Experience Along Association Lines and Much is Expected of Him at Nebraska.

L. G. Harkness of Illinois has accepted the unanimous call of the Y. M. C. A. board and will be the general secretary of the university institution, his duties to begin about August 1. Definite word was received yesterday by Professor Barker as to Mr. Harkness' decision. He was tendered the call some weeks ago and after considering offers from several other universities, decided in favor of Nebraska, being much impressed with the type of men he met while in Lincoln and considering the field for expansion and progression an excellent one.

The board is extremely gratified over the decision of the new secretary to come to Nebraska. Mr. Harkness is a graduate of the University of Illinois in the engineering department. He has served since finishing his college course as associate secretary of the Illinois association. He is a man of high ideals and will without doubt be able to greatly extend the work of the association. He was chosen from four of the most prominent Y. M. C. A. college men in the country and his acceptance of the offer is a compliment to the board and to the university.

MUGS ARE FED AT LINCOLN.

Mystic Law Organization Meets for Regular Cramming Party.

The Mystic Mugs held their regular bi-monthly banquet at the Lincoln Wednesday evening, August C. Schmidt presided as toastmaster and some humorous and some otherwise toasts were responded to. The general subject of the toasts was "trusts." The following were the subjects: "Trust Distinguished from a Debt, Bailment, Equitable Charge, Executorship," W. R. Griswold; "Trust of a Chose in Action Distinguished from an Assignment," J. H. Bloedorn; "Consideration and Statute of Frauds," M. Wasson; "Rights of and Notice to Cestui que Trust," Paul Yates, and "Cestui que Trust as a Claimant Against Trustee Not the Owner of a Trust," T. J. Andrews.

Marvin Sommerville, who has just returned from an extended trip in Texas and Mexico, gave a graphic description of a real Spanish bull fight which he saw at Matamoras, just across the Mexican border line.

The Mugs had the pleasure also of meeting Baron d'Estournales de Constant, who was at the hotel to attend a banquet given in his honor by a group of Lincoln citizens. The baron was presented to the members of the Mystic Mugs and spoke briefly to them. He expressed his gratitude upon being introduced to so representative group of Nebraska students.

Track Team Try-Outs Saturday
