THE PAN-HELLENIC BANQUET

GOVERNOR ALDRICH AND BILL EATON TO BE ON THE TOAST LIST.

Nothing is being left undone to make the Pan-Hellenic banquet come up to the standard of the past. A large orchestra has already been engaged to furnish music for the occasion. Some of the best speakers in the state have been secured and the toast list promises to be one of the best ever got up for a university banquet. Governor Aldrich will be among them and most likely Bill Eaton, the humorist, who make such a decided hit a year ago.
 The banquet will be held at the Lincoln hotel on the evening of May 2, the night before Ivy day. Because of the success achieved last year nearly every man who is eligible to attend has signified his intention of being present. Most of the fraternities will attend in a body and no dinners will be served at any of the chapter houses that evening.

MILLER'S SOLO PLEAS.

University Chorus Shows Much Improvement.
 The vesper service yesterday afternoon was fairly well attended. The vocal solos by Prof. Charles H. Miller, supervisor of music in the Lincoln city schools, proved to be the real feature of the program. The string quartet and organ were heard as usual and the chorus sang "Hosanna." The chorus showed much improvement and is singing much better than at the first of the series. Mrs. Raymond is to be congratulated on the harmony which has been developed in the chorus work. There will be only one more vesper service this season. It will be held next Friday afternoon at 5 o'clock.
