CORNHUSKER HUMBLE AMES AGGIES 76 TO 30

CAPTAIN REED'S MEN MAKE GOOD TIME IN THE MUD.

IMPROMPTU RELAY TEAM WINS

Christmas Gets Ahead of May in 100-Yard Dash and Anderson Proves Great Half-Miler.

Nebraska defeated Ames Saturday in the first dual track meet of the conference series in which Nebraska has participated by the score of 76 to 30. Although the victory was sweeping, it is significant to note this is the first time in the annals of the two institutions that Nebraska has conquered Ames on the latter's field. Considering the fact that the track was in miserable condition as a result of the rain the previous night, the records are high marks, and if duplicated in the Kansas meet will mean no easy time for the Jayhawkers next Saturday.

Eliminating the high and low hurdles, the track events were easy plums for Nebraska pickers, while the representatives in the field events increased the already large number of points by winning all but the high jump. In this Ames won both first and second places. In all Nebraska won the first and second honors in five events, including in this estimate the half mile and mile relays.

The relay events were the most interesting of the entire meet in one respect. According to the runners, they did not anticipate entering the half-mile relay and selected their winning team only at the eleventh hour, composed of May, Black, Powers and Christmas. With this team, already exhausted from another race, the Nebraskans cleared the tape far in the lead of the Aggie quartet. Christmas sprung a surprise in the 100-yard dash by passing Arthur May, who recently tied the world's record in the indoor 50-yard dash. Linstrum exhibited his usual form in the vault, winning first, with Russell second, at the height of 9 feet 8 inches. Anderson cleared the field of runners in the half mile, making the exceptionally good time of 2:01. Captain Reed manifested great speed in the 220 and 440, winning both events by good leads.

The summary of events is as follows:

100-yard dash—Christmas, Nebraska, first; May, Nebraska, second. Time, 10 2-5 seconds.

Pole vault—Linstrum, Nebraska, first; Russell, Nebraska, second. Height 9 feet 8 inches.

1/2 mile run—Anderson, Nebraska, first; Cockerel, Ames, second. Time, 4:46.

120-yard hurdles—Russell, Nebraska, first; Walker, Ames, second. Time, 17 2-5 seconds.

Discus throw—Collins, Nebraska, first; Vincent, Ames, second. Distance, 119 feet 8 inches.

440-yard dash—Reed, Nebraska, first; Anderson, Nebraska, second. Time, 50 4-5 seconds.

Running high jump—Corey and Crawford, Ames, tied at 5 feet.

Half-mile dash—Anderson, Nebraska, first; Becker, Nebraska, second. Time, 2:01.

Shot put—Collins, Nebraska, first; Vincent, Ames, second. Distance, 38 feet 9 inches.

220-yard dash—Reed, Nebraska, first; Christmas, Nebraska, second. Time, 22 2-5 seconds.

Broad jump—Munson, Nebraska,

first; Bristol, Ames, second. Distance, 20 feet 11 3-5 inches.

Half-mile relay—Won by Nebraska. Time, 1:35 3-5.

Mile relay—Won by Nebraska. Time, 3:37 3-5.

PAN-HELLENIC BANQUET

GREAT EVENT OF GREEK SOCIAL WORLD TAKES PLACE TONIGHT.

Arrangements are complete for the Pan-Hellenic banquet which will be held at the Lincoln hotel tonight. The banquet will be in honor of the board of regents, and most of them are in the city to attend. Hon. W. A. Selleck will preside as toastmaster. The following is the program of toasts:

University and City. Mayor Don L. Love.

Progress, Chancellor Avery.
Ancient Greece, George A. Adams.
Hopes, Edward A. Maggi.
Interfraternity Relations, Verne Hedge.

Factors in College Life, C. S. Allen.

TWO MORE CASES.

F. E. Wilcox and A. H. Hiltner Take the Smallpox.

Two students were discovered to have smallpox yesterday, and they were taken to the isolation hospital. They are F. E. Wilcox and A. H. Hiltner. Neither of the two are very sick. Several rooms where the students had been lately were thoroughly fumigated yesterday. University hall and the chemistry building were almost uninhabitable late in the afternoon.

BATES AND MUNSON OUT.

Two Track Men Seek Places on the Athletic Board.

E. S. Munson and W. L. Bates have filed their applications for election to the athletic board. The former is a member of the varsity track squad and holder of the university record in the broad jump. He is also a prominent wrestler. Bates is a junior, being president of his class last semester. He has been prominent in track work, having been a member of the cross-country team last fall and of the track team this spring.

WHO MAY VOTE.

Many Have False Idea that Students Are Prohibited.

Students entitled to vote at the elections today are those who claim Lincoln as their residence and have the other qualifications of the ordinary voter. The proposed bill to prohibit students voting did not pass the legislature. Many seem to have the impression that it had, and a number did not vote at the primaries for that reason. All those who have registered may vote and those who did not may do so by certificate, if they can furnish a valid reason for not having registered. The mere fact that one is a student at the university does not have any effect upon the matter.

Notice.

All students taking drill who are employed in the elections will be excused as soon as government inspection is over.

H. E. YATES,
Commandant.

SOPHOMORES WIN DEBATE.

Receive 2 to 1 Decision Over University of Omaha.

The sophomore debating team, composed of G. R. Mann, H. B. English and O. S. Radcliffe, won from the University of Omaha team by a two to one decision. The debate was held at the United Brethren church in Omaha last Friday evening. The question debated was, "Resolved, that corporations doing an interstate business should be incorporated and controlled by the federal government," the constitutionality of the question being waived. The judges were Attorneys MacDonald and Leavitt and Superintendent Speedy of the Benson schools.

CREIGHTON OVERCOME

NEBRASKA TENNIS PLAYERS RETURN TRIUMPHANT FROM OMAHA.

Winning the first tournament in the last four years of Nebraska history, the varsity tennis team defeated the Creighton quartet last Saturday by a score of 73-62. This was the first game of the season and offers some grounds for determining the prospects of Nebraska in the Missouri Valley conference tournament to be held at Kansas City on May 19 and 20.

According to a previous agreement, the team winning the greatest number of points should be awarded the tournament, in case the matches were tied. Incidentally this was the case, and Nebraska won by a close call. The local players won one double and two singles, thereby leaving the even draw.

The Nebraska players, both in singles and doubles, showed excellent form. Weavering and Smith, for Nebraska played the Catholics off their feet and won easily by a 6-4 6-2 tune. Smythe and Shirley, considered the best of the Omaha aggregation, opposed them. Goodbody and Tate lost to Adams and Bushnell by the score of 5-7, 6-4, 11-9. This obviously was the closest contested match of the series. The results of the single events were recorded as follows: Weaverling beat Shirley, 6-0, 6-2; Tate beat Bushnell, 6-3, 6-0; Smythe defeated Smith, 6-0, 6-2, and Adams defeated Goodbody by 6-4, 5-7 and 6-4.

NEW RULES ADOPTED.

Students' Publication Board Decides All Elections Be Held at Same Time.

A new ruling in regard to the election of student members to the student's publication board was adopted at a meeting of that body Monday evening. It provides that student members be elected by the three classes on the same day and at the same hour, to be designated by the secretary of the board. The secretary shall also notify the president of each class at least eight days before the election, and a notice thereof shall be published in the Nebraskan five days before and on the day of the election. It was also voted to give the editor of the Forestry Annual one hour credit.

The Matinee Musical last night presented Weber's opera, "Der Fieschütz," at the Temple. The solos were excellent. The University chorus, numbering 100, also sang. There was a fine orchestra. Mrs. Carrie B. Raymond acted as director.

PROGRAM FOR BIG HOLIDAY IS ALL COMPLETE

LAST CHANCE TO SECURE TICKETS OFFERED TODAY.

A GRAND JOLLIFICATION FESTIVAL

Ivy Day Oration by J. T. Votava, Glee Club Quartet, Dramatic Club Among Attractions.

The last chance to secure tickets for the big Ivy day program will be offered today, when students may procure the necessary pasteboards from committee members at various points on the campus. Tables will be placed in the library and on the campus, where but the small sum of twenty-five cents will admit you to the entire afternoon and evening program and also to the luncheon at the state farm tomorrow afternoon.

A program of excellent entertainment has been arranged for the big university holiday, and with no classes to interfere the entire student body is planning to spend a day of recreation and jollification. Fraternities and sororities and other university organizations are planning to attend in a body. Picnic parties have been planned and a feature of the day will be the serving of luncheon to all ticket holders absolutely free. No need to go back to Lincoln, as you can get a luncheon at 6 o'clock and stay and enjoy the evening program.

Innocents Announced.

Promptly at 5 o'clock the members of the Innocents society, that honorary organization of senior men, will appear among the people who have assembled, and tap the men of the present junior class on the shoulder who have been elected to the society and thus inform them of their nomination.

The big interclass athletic meet will give the university men interested in this line of activity an opportunity to win some beautiful medals and for one of the four classes to win the beautiful cup, which is on exhibition in the University Book Store.

The Dramatic club play is a "side splitter." Laughs from one end to the other dominate, and "The Fair Equestrienne" promises to be a comedy worth alone the price of admission to the whole program.

Glee Club Quartet.

The luncheon will be the best ever served at an event of this kind. This alone costs the committee almost the price of the tickets, the surplus funds to be used to defray minor expenses such as medals, tickets and programs.

The morning program will be held on the city campus and is free to all. The senior class is in charge of this part of the big day's events, while the whole university body will participate in the functions which have been planned for the afternoon and evening.

The band and the glee club quartet will give concerts in the evening which will be worthy of the attention of every student. For all these events and more, the students are asked to pay but twenty-five cents to defray the expenses of the day.

The big program is as follows:

PROGRAM. Morning.
