 New electric light wiring has been installed in the Nebraskan office. A great deal of cord was used before and the lights hung from steam pipes and everything else that would support them. This was deemed dangerous and permanent wiring seemed necessary.  
 In an exciting contest which lasted for seven innings Phi Kappa Psi defeated Phi Gamma Delta 3 to 2. The teams were evenly matched and it was one of the best games of the inter-fraternity series. Fields and Switzer were the batteries for the Phi Psis

Earl Mallory has been visiting in Lincoln.

Most young men want to wear clothes which will win the approval of others as well as themselves.

The matter of clothes is a mighty important factor in the success or failure of every man—too important to pass by without careful thought.

Be critical in your decision—don't buy a suit because its a necessity—get clothes which show you up—which make your personality stand out like a sore thumb—wear Scotch Tailored Clothes.

The price is the one cheap feature about them—never more nor less—we would like to help you to choose your pattern.

cause discontent, but there's no excuse for being discontented on this score now.

It's possible to get good clothes at nominal prices—it's also possible to get poor clothes at high prices.

We have clothes at low prices—\$14, \$18 and \$20, but they're "not cheap" clothes.

They have style and fit—and the maximum value of material and workmanship that can be put into clothes at that price.
