is important whether you elect public officers or whether you elect the kind of clothes you wish to wear.

Ready-to-wear clothes are divided into two classes.

First, clothes that not only look well but are made well from the foundation up—genuine value in every feature.

Second, and by far the larger class—clothes that fail to qualify in the first.

All of ours are in class No. 1—\$15 to \$40.

You must elect one or the other—why hesitate?

produce "Koenpnickestrasse 120." The production at Columbia was a very elaborate one, it really being a joint enterprise of both Columbia and Barnard colleges. The play was given on two consecutive evenings, with a matinee in between. It was very enthusiastically received by crowded houses at every performance, in that respect resembling our local production.

One hundred thousand dollars is given to Harvard, the income after the amount reaches \$150,000 to be used for assisting worthy poor boys seeking a college education, under the terms of the will of Harriet E. Goddnow of Sterling.

Most young men want to wear clothes which will win the approval of others as well as themselves.

The matter of clothes is a mighty important factor in the success or failure of every man—too important to pass by without careful thought.

Be critical in your decision—don't buy a suit because its a necessity—get clothes which show you up—which make your personality stand out like a sore thumb—wear Scotch Tailored Clothes.

The price is the one cheap feature about them—never more nor less—we would like to help you to choose **your** pattern.
