Most young men want to wear clothes which will win the approval of others as well as themselves.

The matter of clothes is a mighty important factor in the success or failure of every man—too important to pass by without careful thought.

Be critical in your decision—don't buy a suit because its a necessity—get clothes which show you up—which make your personality stand out like a sore thumb—wear Scotch Tailored Clothes.

The price is the one cheap feature about them—never more nor less—we would like to help you to choose your pattern.
