HIGH SCHOOL FETE DAY A GRAND GALA AFFAIR

GREATEST EVENT IN LIFE OF
SECONDARY SCHOOL.

MEDALS FOR THE WINNERS

Lincoln Commercial Club to Help Pay
Local Expenses and University
Donates Field.

One week from Friday will be a gala day for all the high schools of the state of Nebraska and indirectly a noteworthy event for university students, especially Greek letter men. On that date the Nebraska high school athletic meet, commonly termed high school fete day, will be held in Lincoln.

All athletes of Nebraska who are students of high schools incorporated in the Nebraska High School Athletic association are eligible to this meet. A maximum entry of ten and a minimum of two men per school is required in each event.

Support the Meet.

The meet will be held on the new Nebraska athletic field, this having been given to the high school association in order that the meet might be an assured success from the standpoint of favorable grounds. The Lincoln Commercial club has also co-operated with the association to guarantee the retention of Lincoln as the location of the annual meet and has made an appropriation to cover all the local expenses.

Beautiful gold, sterling silver and bronze medals will be awarded to first, second, and third place winners respectively. A banner will be donated to the winning relay team, although no individual medals will be granted to the members of the team. An extraordinarily handsome banner will be given the team winning the greatest number of points. Five, three, two and one points will be the scores of the first, second, third and fourth place winners, respectively.

On Track and Field.

The track and field events include all of those found in intercollegiate contests, namely, 100-yard dash, 220-yard dash, 440-yard run, one-mile run, 120 and 220-yard hurdles, one-half mile relay, pole vault, 12-pound shot put, running high jump, discus throw, running broad jump, and 12-pound hammer throw.

Nebraska high school fete day is one of the greatest events in the lives of Nebraska students. It is also an occasion of vital interest to all true Nebraska students. Consequently, it is urged by the local committee of the association that the university student body rally to the support of this 1911 meet and make it one of the best in history. There is no doubt that the fraternity men will take advantage of this opportunity, in view of the fact that this affords an excellent time for these university men to note the athletic qualities of prospective students.

FANNY DRAKE FOR SECRETARY.

Prominent Nebraska Graduate to
Take Charge of Y. W. C. A.

Miss Fannie Drake, a graduate of Nebraska university '06, has been chosen to succeed Miss Carrie Shultz as secretary of the university Y. W. C. A. The association considers itself especially fortunate in having secured Miss Drake, as she is well known and appreciated in university

circles. After graduating from the university Miss Drake went to New York city and spent a year in Dr. White's Bible school. From there she went to Rochester, N. Y., where she held the position of industrial secretary of the city Y. W. C. A. for three years, gaining a reputation while there as one of the foremost industrial secretaries in the country. For the past year she has been connected with the city association here and has interested herself to a marked degree in various civic, social and religious enterprises in Lincoln. Her large experience and training will without doubt prove valuable in her university work, which will begin in September.

GREAT LAW HOLIDAY

BARBECUE COMES OFF REGARD-
LESS OF WEATHER
CONDITIONS.

Fair weather or foul, the big law barbecue comes off today and from the plans of those in charge will be the real class of the year. At 9:50 o'clock four or five big cars will meet the students of the law department directly in front of the gate and the band and student body will go to the beach in these. More cars will leave Ninth and O at 11 o'clock for the convenience of those coming from Omaha, Nebraska City and other points. All seven of the supreme judges will adjourn court to attend and will leave on the 11 o'clock cars, together with a large number of attorneys who can not get away earlier.

The preparations have gone on in a lavish manner and there will be lunch galore. The big steer which has been reposing in the coolers of Schwarzhild & Sulzberger went on the spit at 4 o'clock this morning and the savory odors of roast beef will greet the lawyers as they reach the beach. Twelve hundred buns have been purchased and coffee and ice cream enough for six hundred are on the grounds awaiting the concentrated attack of the hungry laws.

Numerous athletic events are to be pulled off. There will be ball games and all the races in the racing vocabulary from relay to potato. The speaker of the day will be Dean Ringer of South Omaha, a university graduate. The intention of those in charge is to make the day one of fun and frolic and no time or expense has been spared.

ACTUALLY A LIMIT.

Reservations Not Paid for to Be Placed
on Sale Friday.

There is no joke about the limit in the number of tickets for the military dance. It is actually to be limited. The tickets are nearly all spoken for and a majority of them have been paid for. Chairman Hathaway announced last night that he wanted to assure his friends and the friends of other members of the committee that no tickets would be held after Friday noon. There is sufficient demand so that all unsold tickets will be released for sale Friday noon regardless of who the person is who has asked for the reservation. There is sure to be a mad rush for tickets at the last minute.

SAM FOSTER THIS EVENING.

Speaks on Boy Scout Movement at
Y. M. C. A.

At the mid-week meeting tonight at 6:45 at the Y. M. C. A. rooms in the Temple, Sam Foster will discuss the

boy scout movement. Every college man in his home community is more or less a model for the boys of his acquaintance. Every one has heard of the boy scout movement and is more or less familiar with the methods used. The movement advances from the theoretical to the practical stage when competent leaders are chosen to take up the work. Mr. Foster is the boys' secretary at the city Y. M. C. A. He will discuss the principles of scout craft and point out how college men may exert a large influence among the boys of their home town by starting such a move. Sam is an interesting speaker and his experience and work among the boys has given him a keen insight into the work of the boy scout.

DEAN RICHARDS TO INSPECT.

Colonel Kremer Asks Him to Be Pres-
ent at Review.

Dean Richards has accepted the invitation of Colonel Kremer to inspect the university cadet regiment at the review on Thursday evening. This honor is seldom accorded to the members of the university faculty, but Nebraska's popular engineering college dean, who is to go to a new position at the University of Illinois, will be honored in this way. The Thursday evening military drills are always open to the public and a small body of students usually turns out to occupy the bleachers.

SWENSON TAKES ORATORICAL.

Radcliffe Gets Second Place in Speak-
ing Contest.

With "Opportunity for True Success" as his subject, J. M. Swenson won first place in the annual oratorical contest held under the auspices of the college of law. It was held in the science hall of the Temple Monday evening. Clayton Radcliffe was second. The orations were good and well delivered. A small crowd was present.

VIKINGS INITIATE.

Eight Men Are Taken into the Junior
Society.

The Vikings, the junior men's society, held an initiation last evening. Viking is a society composed of junior men and is supposed to stand for much the same as the Innocents to the seniors, Iron Sphinx to the sophomores and Spikes to the freshmen. The following were taken in: Thad Saunders, Clayton Radcliffe, Howard Gullfohl, Miner Sherwood, Arthur May, Mac Woodard, Wayne Carroll and William Randall.

MISS SIMPSON'S RECITAL.

OFFICERS CLUB DECIDES FOR COMPANY SPONSORS

CHOICE TO BE MADE BY FIRST
SERGEANT.

CLAIM CADETS ARE INSPIRED

Names to Remain a Secret Until For-
mally Announced at Military
Ball Saturday.

Sponsors are to be selected as honorary members of each of the seven military companies. Such was the decision of the Officers' club at its meeting held last night. The movement to have an elaborate system of co-ed soldiers, one for each company, has at last proved to be of consequence and sponsors will inspire the men to greater valor on the field of drill.

The sponsor will be chosen by the first sergeant of the company and the name submitted to the officers for their approval. This will be a special honor of the young women who are lucky enough to be selected, and it is planned to have the captains present them to the companies at a special ceremony some day next week. This will probably be on Thursday evening, although no announcement of the date has been made.

Cozy Corners.

Announcement of the sponsor elections will be made Saturday evening at the military ball. It is planned to keep the names secret up to that time. A number of other new stunts are being planned for the big military dance. Cozy corners are to be constructed for the occasion. The decorations will be elaborate. Walt's full orchestra of twelve pieces will furnish the music, assisted by the university cadet band. The band will appear in full military attire. A number of tents will be set up to form "headquarters row." The committee is working night and day to make this first annual military ball a grand success.

GIRLS PLAY BASE BALL

TRACK MEET AND ATHLETIC CON-
TEST TO BE HELD
FRIDAY.

The girls of the university have mastered the game of indoor baseball and a match game will culminate the season. Two teams will be chosen, with Lottie Savage and Gladys Bunt acting as captains. All the enthusiasm belonging formerly to basketball has transferred itself to the knowledge and practice of the national game. Come out and see the skill which the girls exhibit and have as much fun out of it as they do if you can.

Before this game a short track athletic contest will be held, in which any of the university girls may enter by registering with Miss Gittings before Friday. A silver cup will be given the all-round champion. The events will be as follows: 25-yard dash, 50-yard dash, hurdle race, running high jump, and shot put.

The meet takes place on the athletic field Friday, May 12, at 4 p. m. The track events will occupy the hour from 4 until 5, and the baseball game from 5 until 6. All women of the student body and the faculty will be admitted. All men, however, are barred.
