

VARSIITY CLOTHES

The very latest for the University Man. The English roll, collar models, the extra longish coat, the trousers extra full, the beautiful weave of fabric, the verve and niftiness of style and fit. The real "snappy" things that young men will appreciate. In all the pretty shades of gray, brown and blue.

\$10 to \$40

Just what you want with due regard to your purse limitations. The time to make selections is right now, while the stocks are complete.
