## DAVID MEEKER WANTS SOPHOMORE LEADERSHIP

MISS MARIE DOUGLAS MAY BE VICE-PRESIDENT.

SOPHOMORES

AWAKENED

Both Announced Candidates are Prominent in Class-Others Not Yet Heard From.

David Meeker, '14, has begun his campaign for the presidency of the second year aspirant to announce himself, but the Sophomore honor is ordinarily much desired, and other candidates are said to have fond eyes fixed upon it.

Marie Douglas, '14, has been persuaded to try for the vice-presidency. Prominent in Class.

Meeker was a moving factor in the class last year, especially in the Olympies. He was chairman of the Freshmen hop and made a good rectory. His home is now at Imperial. He is a member of Sigma Alpha Epsilon.

Miss Douglas, Too.

Miss Douglas also is popular in the class, having been a star in several dramatic productions. She is a member of Alpha Phi.

Miss Douglas' home is in Platts-

No date has been fixed for the election, but according to the political dopesters, nothing will be done until the semester is some days further along.

"Competition for the honor of representing the University in intercol- of hard drill, and Coach Stiehm legiate debate is going to be unusually spirited this year," said Professor bility of one of the new men being alumnus of the School and College of M. M. Fogg, who is in charge of debate, yesterday.

"There is a large chance for new men to show what they can do for their University and the state, as many of the experienced debaters will not be here again to enter the contest."

When the contestants for forensic honors meet next week in preliminary debate, many new and younger men are expected to appear. The contest is open to all students of the University, and those interested may learn particulars from the intercollegiate debating bulletin board on the first floor of University hall.

#### A New Rhetoric Record.

Six hundred students are registered this semester in Rhetoric I. This is a new record for the department and will undoubtedly, when all late registrations are in, surpass the greatest possible hopes of the instructors.

#### AGRICULTURE GONE TO PRESS.

#### State Farm Official Magazine to Be Out Soon.

The October number of Agriculture, the official organ of the College of Agriculture, has gone to press and will soon make its appearance.

Agriculture was founded and published for eight years by Professor A. E. Davisson, late principal of the School of Agriculture, in the name of the alumni association of the school. Owing to ill health, Professor Davisson decided to discontinue the publication on March first, last. Thereupon the Agricultural club of the University took the publication upon its shoulders and made it representative Assistant Coach Rathbone has put of the School and College of Agricul-
