NATION'S EXECUTIVE GUARDED BY CADETS

LINE OF MARCH PATROLED BY
UNDER CLASSMEN.

OFFICERS HAVE CHARGE OF STREETS

Four Hundred Uniformed University
Students Form the President's
Bodyguard.

The University cadets, officers and men, were in their glory yesterday when they acted as military guard and escort to President William H. Taft.

At the Burlington station the nation's chief executive was met by a detachment of cadets who formed an aisle between the train and the automobile which was waiting to take him to the hotel. The president saluted this company of cadets.

Patrolled Streets.

The cadets' with arms at "shoulder," patrolled the streets during the entire two hours of the president's stay in the city. After the banquet at the Lincoln hotel, the presidential parade passed down Ninth street and east on O street, and after taking a round-about course, arrived at the Auditorium. All along the way he passed through streets kept clear by cadet officers and privates.

An Amusing Incident.

An amusing incident occurred at the Lincoln hotel corner when a cadet officer ordered a dray wagon to get off of the street. The wagon was backed up against the curbing ready to unload a shipment of plumbing supplies, but no effort was being made to get rid of the load, the wagon being filled with anxious men waiting to see the president from a high position. The officer, however, sympathized with those who were on the walk and could not see through the wagon. Orders were speedily issued for all wagons to be cleared from the streets. The officer was met with a refusal. The driver did not care to move on. But the officer proved himself master of the situation and he ordered him to move or submit to arrest.

It was the duty of the cadets to keep all onlookers on the walks. No street cars, wagons or pedestrians were allowed on the streets during the passing of the procession. The men proved themselves to be excellent guards.

Order Was Perfect.

All along O street order was perfect and no trouble occurred. The only time when the cadets had to use force was at Thirteenth and M, just after the president had left the Auditorium. Crowds of eager men and women swarmed out on to the street as if they would follow the presidential auto. They were repelled by the cadets, who were forced to use guns and sabres in holding the mob. The disorder was quieted in a few seconds with little unnecessary excitement. No other trouble of any sort was reported.

WILLIAM H. TAFT

PRESIDENT OF THE UNITED STATES

JERRY WARNER RETURNS

ALL MISSOURI VALLEY QUARTER-
BACK REGISTERS AT
LAST.

Shortly after one o'clock Monday afternoon a man giving his address as David City, Nebr., and his name as Leon C. Warner, was registered at the University of Nebraska. This may mean more to some of the students when it is disclosed that his nickname is "Jerry."

Jerry Warner has come back to college, and that means that Jerry Warner will wear a Cornhusker football suit during the coming season. Just what further it means will be hard to forecast.

Is Second Year.

Warner has been at Nebraska two years, but played his first varsity football last season when he starred at quarter to such an extent that he was picked for the All-Missouri Valley.

He became interested in a farming venture the past summer, and for a time decided that he was through with college, but when he came to Lincoln on a visit recently he found the call too strong and decided to put on a uniform.

Out in Suit.

Warner was out at practice last night in his old position, and put the back-field through its paces in whirlwind fashion. This gives Coach Stiehm the man to complete what promises to be a phenomenal back-field, and adds the last drop to the Cornhusker cup of joy.

SENIORS MEET THURSDAY

HOLMES ONLY CANDIDATE FOR
PRESIDENT—MEEKER
IS SICK.

The Seniors hold their election next Thursday morning in Memorial Hall. Little interest is being aroused over this election since there are no opposing candidates. Searle Holmes, who announced his intention of trying for the big plum over a week ago, has as yet been unsuccessful in forcing out a rival.

Holmes is a graduate of the Omaha High School and is a member of the Phi Gamma Delta fraternity. He is an innocent and for several years has been a prominent figure in the student body. He is interested in dramatics, having played an important role in the Junior Play of last year.

Meeker in Hospital.

Dave Meeker, who is out for the Sophomore presidency, has been taken to Saint Elizabeth's hospital, where he is recovering from a serious illness. His friends expect him to be out in a few days.

Cherrington Heard From.

Ben Cherrington, 1911, Phi Kappa Psi, writes from the University of California, at Berkeley, that he is well settled in his work as secretary of the University Y. M. C. A. He states that although California University is a great institution, he longs to be back at Nebraska.

Cherrington completed his academic course at Nebraska last June.
