BIG CROWD SEES FIRST GAME

Regulars Slow In Starting But Make
a Whirlwind Finish.

Steadily outplaying the struggling Freshmen team, the Cornhuskers ran up a score of 47 to 0 in the practice game between the Varsity and the Freshmen at Nebraska Field.

The game, as a revelation of what the Cornhuskers were this year, was witnessed by more than 600 of the student body of the school. The bleachers were well filled by the crowd, cheering the good plays and feasting their eyes on the first real game they have seen this season.

Freshmen Start Well.

Starting out the game the Freshmen held the heavier Cornhuskers well, the Varsity plowing through their line for a goal by the short gain route in eight minutes. Jerry Warner started the game as quarter for the regulars, and he carried the ball over for the first touchdown, in eight minutes.

Ernest Frank scored the second time for the Varsity, plunging through the line for a touchdown in nearly the same time taken for the first goal.

Potter Goes Over.

In the second quarter, Purdy took the place at full instead of Gibson. Potter went in at quarter, and Raceley at the half Ernest Frank had filled. The playing in the second quarter proceeded but a few moments when Potter went over for a touchdown, after a long gain through the line by Purdy. The rest of the quarter was used by the Cornhusker eleven in making another score by Potter crossing.

In the third and last quarter, touchdowns came so fast that the Freshmen became completely demoralized. Frank went over for one, following a big gain by Sylvia Shonka, and Purdy made another in the next few moments of play.

Purdy Makes Long Run.

Purdy starred in a run through the entire Freshmen team from his own forty yard line on the first play after the kick-off, making a touchdown and Owen Frank carried the ball in a beautiful run from his 30-yard line on the next kick-off. The game ended shortly after in a kicked goal by the Varsity.

Although badly beaten the Freshmen team showed real football in its playing. The Freshmen backfield was a wonder, all four of the men playing star games.

Halligan a Star.

Halligan, the big fullback of the Freshmen, won the admiration of all the spectators by the manner in which he carried the ball and played the defensive, right in the middle of the mixup all through. Allen, the husky Freshman center, also played a good game.

Coach Stiehm watched the work of the Varsity closely all through the game and seemed well satisfied at the result. He shifted the lineup all through the game.

We are pleased to remark that some of you missed a good game yesterday.

What need of a rooter's club when there is a turnout like yesterday's to just a practice game. But come on Hawley, the band with the red and white hats will look good to us in tight places.

Jack Best was the busy little trainer after yesterday's mix. Strange what squeals Jack and his assistants can bring from these hardy footballers who don't mind being kicked in the head while playing.

We don't know how we are going to impress this on you, but really you need that season ticket and Eager needs the money.

Something must be wrong with Missouri. Out of a squad of over forty men, they are unable to bring out a single bear story. Trying out for center they have four Andersons. We thought that team was Missouri not Minnesota.
