NEBRASKA SETS RECORD BUT TWO INELIGIBLE MEN

Only two men ineligible in the entire football squad of more than sixty men, sets a new record for Nebraska and it is believed a new record for Missouri Valley colleges.

This year Coach Stiehm announces that all but two of his men stand with perfect records at the beginning of the eligibility year, Friday. Since then one man has made up the work in which he was deficient and the other will know today if his work is made up or whether or not he will be allowed to play before studying extra hours.

All the regulars who performed in Saturday's game had perfect school records.

SHINGUARDS

Be there next Saturday.

A meeting of the Wrestling club of Nebraska will be held Thursday morning at 11:30 o'clock. All boys who are interested in the sport are urged to attend the meeting and get acquainted with the men of the team and the head of the club, O. W. Miller.

Nebraska's scrubs went and saw and conquered at Peru, Saturday, trimming the Normal school eleven of that city 11 to 0. The game was speedy all through, the Cornhusker scrubs

being obliged to work hard for both touchdowns.

In regard to that get together building of ours, we wish to say that Indiana has just completed one at a cost of \$100,000. Over half this amount was raised among the students.

Coach Yost of Michigan, ordered a player by the name of Waldus Narcisus Dickinson to get off the gridiron with the remark, "Your initials get on my nerves young man." What will be the state of his nerves when he meets the Cornhuskers with Sylvester Shonka leading them.

Dog Eager has at last arrived at that stage of life when he needs a guardian during the football season. Eager was riding in that most scrumptious snort cart of his past the Delta Tau house Saturday, and seeing John McGurk of the fraternity arrayed in a football suit, he made a dash for the goal. McGurk tackled the machine, but was unable to down, getting bumped by our busy little manager.

EXTENSION AT MISSOURI.

A progressive extension bureau has been organized in connection with the University of Missouri.

Extension centers are located in all towns where interest in the work is shown. Nineteen new subjects have just been added to the curriculum, and a traveling teacher now keeps busy lecturing to the study groups.

TENNIS TOURNAMENT ON

MANY WOULD TRY FOR PLACES ON NEBRASKA TEAM.

Enthusiasm is strong for the men's fall tennis tournament. Twenty-six men have already entered and more are expected to sign up today. Play will begin this afternoon and all matches will be played off as soon as possible, on account of the possibility of rainy weather spoiling the courts.

Tennis is the only intercollegiate game in which freshmen are eligible to compete, as it comes under the list of minor college sports. Hence many of the first year men are handing their names in at the Rag office.

So far the University has but three courts and their condition at the present time is good, although there are many small pebbles and bits of cement on them.

Smith Will Play.

Capt. H. L. Smith will be the only man of last year's team who will be back next spring, although both Tate and Goodbody are in school at the present time.

Drawings were made this morning and are posted on a window of the library near the tennis courts. Following is the list of entrants in the tourney: W. Beck, G. C. Proud, R. F. Curtis, A. H. Hiltner, C. F. Andrews, G. M. Seemann, F. C. McConnell, Rodger McCullough, Phil McCollough, R. O. Jackson, Haggert, H. M. Davis, Sam Waugh, R. H. Finley, G. H. Williams, R. D. Flory, W. B. Harm, Oliver Hathaway, L. R. Robinson, J. T. Tate, M. F. Goodbody, Freeman, W. E. Liberman, L. T. Hunt, F. R. Trumbull, H. Goetze.
