## AMES ORGANIZING TEAM TO TAKE VALLEY TITLE

Ames, Iowa.—Eight old men back in uniform and the largest squal in years out for practice has started the Farmers on a season that Ames supporters declare should be the banner year in the history of the Iowa college.

### Outplayed Minnesota.

Minnesota and Coe have been met by Ames and in both games it was clearly shown that the farmers of Iowa will be dangerous contenders for the Missouri Valley championship this year. Minnesota was actually outplayed by Ames, sporting writers who saw the game unanimously agreeing that the contest should have been won by the Iowans. Coe was walloped by Ames, the eleven of the Farmers showing on that day what a dangerous opponent they would have made Minnesota, had it played the Gophers on a day when the field was not muddy and heavy.

### Fear Cornhuskers.

Nebraska and Iowa City are the only schools that Ames feels that it will have trouble in defeating this fall, and the red and gold team is going out after the scalp of the Cornhuskers. Ames does not wish to lose the chance it has to wrest the Missouri Valley championship from Nebraska this year.

### Lineup.

Following is the lineup of the regulars: Captain Harte, right half; Weyrauch, sub right half; Taylor, left half; Vincent, fullback; Hurst, quarter back; Scott, quarterback; Chappell, right end; McDonald, Cunningham, left end; Hunt, Wall, left tackle; Pfund, Arenston, left guard; Ringheim, center; Juhl, Wilson, Wright, right guard; Rutledge, right tackle.

Fall track work, basketball, and the girl's hockey teams are organizing for the seasons which will commence in earnest at the close of football.

## TENNIS TOURNEY NOW ON.

Sharks and Fiends Keep Courts Busy At All Hours.

The tennis tournament to decide the team to represent Nebraska at the Missouri Valley conference next spring is now well under way. Everything is going at full blast and the space around the courts west of the Library is filled most of the day by tennis fiends and their friends. Some speedy tennis is being played

## WRESTLERS AND BOXERS ORGANIZING FOR SEASON

Prospects are good for wrestling to become one of the most important winter sports. Immediate activities will begin when the wrestling club is reorganized Thursday, October 12, at the Armory. O. W. Miller is acting president.

The wrestling club is a new organization, having been organized in 1910, but doing little in its first year. The plans for this year include a tournament of local men, a contest with Iowa, probably to be held at Lincoln, and a representative sent to the Western Interscholastic meet.

Some good material is sure to show up from among the lower classmen, and with the number of old men still in school, the local tourney will be a real meet.

### Teams To Go to Big Meet.

Winners in this contest will make up the teams to meet Iowa in a dual meet and to meet seven other schools in the Western Interscholastic meet.

Boxing will probably be confined to local exhibitions alone, this year, as no arrangements have been made for outside contests. Several good-sized classes are being organized, and prospects are that the exhibitions will be worth seeing.

## MINNESOTA LOSES ERDAHL.

Speedy Back of the Gophers Gives Up Gridiron For Studies.

Len Erdahl, who for four years past has been a member of the football squad or Varsity team of Minnesota, has been forced to give up football for the year, on account of studies.

Erdahl is one of the fastest backs who ever donned uniform in the middle west football world, and in spite of assertions to the contrary from the Gopher war camp, his loss will weaken the Minnesota backfield greatly. It means that Dr. Williams, the coach, will have to develop another back from raw material which he had cast into the scrub team.

Can we beat Minnesota?

### SUITED HIM.

Old Scout—How'd you like the Saturday, Old Timer?

Old Timer—It was Avery good game. To be Frank with you, it was a Purdy game. There was perfect harmony in the team. The boys played with lots to Stiehm. When the Kearney line opposed them, they were all Eager to be Chauner. And when Kansas Ag comes up, we'll Warner right now she'd better look out for Shonka or she'll look like a Gibson girl in a last year's gown.

## JAYHAWKERS STRONG.

The report from Lawrence has the Jayhawker warriors touted for a real football team intending to contest every inch for the Missouri Valley Conference championship. Coach Sherwin has a squad of forty-five men, all of whom he played against the Indians a week ago in a heavy scrimmage game. He expects to develop at least twenty-five husks out of his present squad. From the "K" men of last year he has Ahrens, the big center, Davidson, Baird, Hell, Kabler, the two Woodburys, Price and Brownlee. Captain Ammons will be used at either end or center, and Coolidge will probably be used at halfback.

## MINNESOTA WANTS EDITOR

HIGH SALARIED SITUATION OFFERED SOME ONE WITH EXPERIENCE.

The Dean of the College of Agriculture has just received an inquiry from the Minnesota agricultural experiment station, asking for an agricultural editor for extension bulletins. This man should have good training in English and English composition and should be sufficiently familiar with experiment station bulletins so that he can properly summarize the work presented in them and put it into attractive news form. A salary of \$1,800 or over is available to the proper man.

## BLACK MASKS MEET.

Eather Warner Elected President of Senior Organization.

The Black Mask society formally organized yesterday morning at 11 o'clock, under the direction of Breta Bills, a last year's member of the organization. The following officers were elected: President, Esther Warner; vice-president, Louise Barr; secretary and treasurer, Harriet Rymer. At this meeting the society laid further plans for the Girls' Squad, and discussed decorations for the section reserved in the grandstand. They arranged for season tickets to be on sale next Friday in the library, and in the Armory just after the football rally.

## CROSS-COUNTRY MEN OUT.

Big Squad Training for Western Intercollegiate Contest.

Thirty men have turned out for the cross-country squad and very good men have appeared besides a number of veterans who have returned.

Preparations are being made for the cross-country contest to be held in connection with the Olympics. This is the cross-country event in which new men show their worth, and Dr. R. G. Clapp anticipates a goodly number.

### Nebraska Represented.

Nebraska will be represented at the Western intercollegiate cross-country run to be held this year at Champaign, Illinois. This run has been held for the last seven years, five of which Nebraska has won. In the run of 1910, Nebraska was represented by an exceptionally strong team, but was disqualified by one representative's heart giving out within a short distance of the line. The run which is more than a distance of five miles, was made by Wisconsin in 26 minutes, 11 seconds, breaking all previous records.
