MICHIGAN WOLVERINES LINING UP UNDER YOST

Ann Arbor.—Last Saturday Michigan defeated Case 24 to 0. In the face of numerous bear stories circulated from the Wolverine camp lately, Coach Yost played practically all the men now on the squad. During the fore part of last week the football papers all over the country were flooded with stories of the crippled team; Garrels was bothered with boils, Kaynor broke his nose in scrimmage, Picard, Wiener and Carpel were out of the game on various excuses.

Coach Yost, however, has been drilling that sick team of his and they played fine ball against Case. The real defects of the Michigan side of the lineup were shown by the frequent penalties meted out for holding and offside play.

The Wolverines' present lineup looks as if they would have one of the old time teams that used to sweep the west so completely. Garrels is on left end with Captain Conklin playing the left tackle. Bogle, left guard; Patterson, center; Allmendinger, Quinn, right guard; Pontius, right

tackle; Wells, right end; Craig, Picard, quarter; Talbot and Harrington, left halves; Thompson, full; Hubel, Waynor, Coble, right half.

GIRLS BEGIN TOURNAMENT OF THEIR OWN—FOUR PRIZES GIVEN.

At a meeting in Miss Walker's office Thursday noon, ten girls signed up for the tennis tournament to be held within the next few days. Only singles are to be played. Four prizes are offered, a first and second, and two consolation prizes. The championship prize will be a silver cup and it and the second prize will be given by the association. Miss Pound and Miss Walker will offer the two consolation trophies.

Begin Today.

The preliminary games will be played off this afternoon and Saturday morning, according to the following schedule:

Friday afternoon, 4:00-5:00—Myrna Jones and Florence Farman; 5:00-6:00 (1) Hazel Mitek and Lottie Savage, (2) Lucile Bell and June Brown.

Saturday morning 10:00-11:00—Mildred Scoville and Gladys Bovee.

The finals and semi-finals will be arranged as soon as the winners of the first round have been determined and will probably be played off during the first of the week. This is the first year that a girls' tennis tournament has been attempted at Nebraska, but if it proves successful this year, it is hoped that it may be repeated in the future.
