

COLLEGIATE SPORTS

By Stuart Gould

BIG DOIN'S THURSDAY FOR CORNHUSKER TEAM

Nebraska's Cornhuskers leave Lincoln Thursday night for Minneapolis, where they will meet the Minnesota Gophers in the annual clash between the two schools.

Every student in the school will be expected to be present at the big football rally in Memorial hall Thursday at 11:30, and to be in the parade and at the station to see the team off on the 6:00 o'clock train. The parade will be formed at the Uni campus, with the band leading it, at 5:00 o'clock.

To Have Carryall.

"Dog" Eager has almost promised that the team will be in the big carryall ready to join in the parade to the train. They will be pulled by no common horses either.

Put these dates down on your week's program. Be there at the football rally and do some rooting to show the team we are with them in spirit when the scarlet and cream lines up against the Gopher team.

Be there to give them a good send-off. There will be a few rooters to accompany the team on its long trip, but don't expect them to do your share of cheering the team.

Be there for the send-off.

RICHARDS MAKING GOOD.

Speaks to Illinois Student Body at First Convocation.

Professor Charles Russ Richards, who was dean of the college of engineering until he resigned recently, is reported to be already making a good impression with the students at the University of Illinois. At the first convocation there, Prof. Richards made a short address to over two thousand students. A letter just received by Prof. G. R. Chatburn from Prof. Ward of Illinois, who is also a former Nebraska man, states that Prof. Richards was well received at the convocation.

Make your dates early with Hagensick's Orchestra. Auto 2990.

Get Away with Season Tickets.

Somebody is going to see the games this year without expense to anybody but the athletic board. At the Co-Op where the season tickets are being sold, a couple of college Wallingfords strolled in, signed for and procured a couple of tickets, and walked out without leaving a deposit. Needless to say the Co-Op manager was disgusted and immediately set upon the trail of the frenzied financiers a number of amateur detectives in various disguises. Here is hoping that the genial manager of athletics is not losing any sleep over this matter.

SOCIALISTS IN COLLEGES.

The Intercollegiate Socialist society, with headquarters at 105 West 40th St., New York City, reports the existence of twenty-nine active chapters for the study of socialism in the colleges and universities of the United States. Of these, ten are in the middle west, ten in the middle Atlantic states, six in New England, and three on the Pacific coast. Eighteen of the twenty-nine chapters were organized during the college year of 1910-11.

All students should visit the "College Inn Barber Shop at 127 North 12th. S. L. Chaplin, Prop.

FORMER NEBRASKA STAR TATE MATTERS AIDS PRACTICE

Tate Matters of Omaha, one of the greatest of the past Cornhusker football stars, donned gridiron togs again Tuesday and put in the afternoon with the Nebraska eleven, aiding Coach Stiehm.

Matters not only aided in the coaching, but also got into the game against the Varsity to get a real touch of how good the Cornhuskers were this year. And Tate's smiling face after each scrimmage was enough to lift the spirits of the striving warriors.

Likes the Team.

"The team this year is good—one of the best teams in the fine line of Cornhusker elevens. That backfield is great," said Matters, after the practice.

Matters will be one of twenty rooters who will go from Omaha to see the big game.

PRAISES DR. ENGLAND.

Yale Professor Quotes Nebraska Economics Authority.

Professor Irving Fisher of Yale, in his recent text-book, "The Purchasing Power of Money," refers several times to the investigations in economics conducted by Dr. Minnie Troop England.

Miss England is a graduate of Nebraska and is well known as an authority on economical questions.

NEW BUILDING FOR FARM.

Preparations are now being made to move the old horticultural hall at the University Farm to a temporary site north of machinery hall, in order to vacate the site for the new plant industry building. The new building will house, besides the department of horticulture, the departments of entomology, experimental agronomy, and agricultural botany.

MANY OUT FOR DEGREES.

Dean Bessey reports that there are now five students working for the Ph. D. degree in the botany department. Five others are now doing work preparatory to the degree at some distant date. Twenty graduate students are entered for work in botany, and of these, fifteen expect to take the M. A. degree within a year or two.

C. H. Frey, florist, 1133 O St.

WOULD BE TREASURER.

Charles Hudson of Omaha, has announced himself a candidate for treasurer of the Freshman class. Hudson made an enviable record in Omaha high school and took part in all branches of school activities. He is out for the cross-country team, and will in all probability run in the Olympics. Warren Deming of Fairview, who is registered at the Farm, is also a candidate.

R. O. Warde, barber, Woods, 1206 O. St.

Tennis Postponed.

The tennis tournament has been delayed on account of the wet courts lately. Goodbody took his match from Robinson by default; Finley, a Freshman player of promise, defeated Seeman, 6-1, 6-5. Andrews and Jackson have played the second round, Andrews winning, 6-2, 6-0.

TO RAISE MONEY

Y. M. C. A. TO BEGIN CAMPAIGN FOR YEARLY SUBSCRIPTIONS.

On Wednesday and Thursday the Y. M. C. A. will conduct a campaign to raise money for its year's work. Sometime during those two days every man will be asked for some contribution. The plan is to make but one appeal this year. Subscriptions will be taken for so much a week and this will include one year's membership in the association. The committee in charge will meet Tuesday night for supper and there discuss plans for the campaign. All those interested in this work are urged to attend.

TO MAKE GIRLS SWIM.

Although the University has no swimming pool, swimming will be required of all girls in the normal department of Physical Education. Lessons will be given at the Lincoln Sanitarium.
