CORNHUSKERS CLASH WITH GOPHERS TODAY

MANY STUDENTS GO TO BIG GAME AT MINNEAPOLIS—SOME POTS.

OVER ONE HUNDRED GO UP NORTH

Home Rooters to Gather at Eleventh Street Newspaper Office for Returns.

This afternoon at half past three all eyes will be turned toward Northrup Field at Minneapolis, where the Cornhusker-Gopher game is to be played. A delegation of Nebraskans over a hundred strong, are at Minnesota to witness the match and cheer for Nebraska.

Chancellor Avery is at the University of Minnesota to attend an educational convention. But let it be whispered here that wild horses will not be able to keep the Chancellor away from the game on Northrup Field. It is reported that Chancellor Avery will be a guest of honor at today's big game.

Nebraskans Support Team.

Including the band, over one hundred loyal Cornhusker backers are estimated to have gone to see the match on Northrup Field.

Every fraternity and club sent some representatives, several "pots" of money being made up by students and drawn for, the winner to pay his expenses with the money won.

A number of the Nebraska men went Thursday evening with the team in order to take in the social and other affairs planned at Minneapolis for last night. Still more left with the band yesterday evening.

It is expected that some of the rooters will return immediately after the game, but many will remain to escort the expected conquerors back to the Cornhusker state, their dear old campus and Nebraska Field.

Crowd to Hear Returns.

Returns from the game will be received at the office of the Daily Star, Eleventh and M streets.

Yellmaster Bob Hawley last night issued the following bulletin of information.

"The Daily Star has leased a wire for tomorrow and will give reports of the game, play by play.

The cheer leaders want the rooters to come organized. Rooting will be conducted as at a regular game.

Reports will be sent to the team in Minneapolis of the actions of Lincoln rooters.

We want 4,000 rooters at Eleventh and M at 3 p. m." "BOB."

FRESHMAN PARTY TONIGHT

Y. M. C. A. TO ASSIST FIRST YEAR MEN BY ACQUAINTANCE SOCIAL.

The reception to men of the freshman class will be given this evening at 8 o'clock in Memorial hall by the University Y. M. C. A. In connection with this first big social gathering of the newly organized class, the official tryouts among the freshmen for next Saturday's Olympics will be held.

A committee of freshmen has been appointed by President Robert MacFarland to co-operate with the Y. M. C. A. social committee.

An excellent program of entertainment has been arranged and a good time is assured.

To Organize for Fight.

The purpose of the social is to acquaint the new classmen more thoroughly with one another and assist them in their organization.

Wrestling, boxing and tug-of-war preliminaries will be held. Mark Bly and O. Miller will referee the wrestling and Physical Director Pineo of the city Y. M. C. A. will handle the boxing contests.

There are a large number of entries and there will be some exciting contests. In case of a victory over Minnesota the freshmen will celebrate in fitting fashion.

The committee in charge of the reception are, J. Calhoun, chairman; Sam Waugh, Robert Finley, George Dutton, S. C. Arenson, W. F. Becker, and D. A. Koehler.

Randall Curtis is chairman of the Y. M. C. A. social committee.

Potter to Lead March.

Through an error in transcribing the names of junior appointments, the master of ceremonies for the junior hop, Herbert Potter, was omitted. No plans have as yet been made for the hop. Not even a date has been selected.

Fighting Sophs Out.

If you are handy with your dukes, turn out Tuesday evening, 8 o'clock, at the Armory. Open to all second year men and freshmen laws. Training for Olympics.

CHAN. TRIMBLE, Chairman.

ALL READY AT MINNEAPOLIS

MANAGER EAGER WIRES LATEST NEWS FROM GOPHER CAMP.

(Special to the Daily Nebraskan.)

Minneapolis, Minn., Oct. 20.—Nebraska arrived in good shape Friday, the boys feeling fine and confident that they will fight Minnesota to win.

Feeling in Minneapolis concerning the game is divided. Many have heard of Nebraska this year and believe that the game will be slightly in favor of the Cornhuskers, while others hold allegiance to the Gophers.

Northrup Field is in fine shape, the weather forecasts point to a good day, and there are prospects of a great game and the biggest crowd of the season.

We are going to win.

EARL O. EAGER.

LETTER FROM LYLE ROBERTS.

Nebraskan Correspondent at Minnesota Sends News From the Front.

(Special to the Daily Nebraskan.)

Minneapolis, Minn., Oct. 20.—There has been open practice this week on Northrup Field. Dr. Williams realizes the importance of the coming struggle with the Cornhuskers, and will allow nothing to interfere with the secret practice. It is rumored, however, that the team is getting back to its old time form, and is perfecting the machine which has proven so invincible in the past.

The team as it now stands or even as it shall stand next Saturday (today), is not necessarily the permanent Gopher eleven. Coach Williams has many new men to try out from whom he must choose this year and several are to be tried in their first big game Saturday. Upon their work in that game will depend their permanence on the team. This will add interest to the game with Nebraska and will put vim in the Gopher eleven.

Rosenwald Back.

The return of Rosenwald to the game will probably mean a shift of Capron to quarter, Pickering taking full back, but this is not definitely decided. Stevens may be moved to full and Pickering remain at quarter.

Wednesday being a holiday at Minnesota, the Gophers had an especially strenuous day of practice. Two sessions of practice were held and although very tiring for the men, went far toward perfecting a unified team. Dr. Williams said after the practice that it was the hardest single practice the Gophers have had for years.

Enthusiasm is running high and monster mass meetings are being held.

FRESHMAN-SOPHOMORE OLYMPICS ON SATURDAY

BIG SCRAP OF UNDERCLASSMEN TO PRECEDE BIG MISSOURI BALL GAME.

COACH STIEHM TO REFEREE SCRAP

The Free-for-All To Be Run Off in New and Novel Manner—List of the Stunts.

Next Saturday morning the freshman and sophomore classes will contest for supremacy in the annual Olympics. It will be a grand melee to precede the Missouri football game. Coach Stiehm will referee the match.

The annual Olympics, the most looked for event of the school year, is one of the most cherished institutions of the Cornhusker. At times in the past this event has been quite dangerous, nothing in the way of weapons being barred, but shotguns and baseball bats. Compared to these stirring times the present day event is a tame affair.

Juniors to be Linemen.

Coach Ewald O. Stiehm will referee. His presence will inspire respect from the underclassmen. Members of the junior class will be on hand to assist as linesmen and possibly (but not probably) search each and every member of both classes for contraband weapons. On this list has been placed brass knuckles, cobble stones, bricks, crowbars, bats, firearms of all kinds, black jacks, dynamite, and skyrockets.

The main events will be boxing, wrestling, tug-of-war, cross-country, feature athletic dissipation, and the main event the grand free-for-all.

The Big Events.

There will be three glove contests, one each for the light, middle, and heavyweight classes. It is rumored that the freshmen have a dark horse in the form of an ex-professional pugilist. Three mat events will also be held for the championship of the three wrestling weights.

The cross-country is an event that is generally conceded to the sophomores, Kennedy being a member of the cross-country squad, but the freshmen have a strong chance to win. It will be about a three mile run, the start and finish to be on Nebraska Field.

Manager Eager is so proud of his newly sodded pasture that he has requested that the tug-of-war be held some other place. It will take place probably at the west end beyond the goal posts.
