

MAXEY AT CONVOCATION

LAW PROFESSOR TO SPEAK ON TROUBLE BETWEEN ITALY AND TURKEY.

Dr. Edwin Maxey, of the Law College, will discuss the situation between Italy and Turkey today at convocation. This war has attracted international attention, not because of its own significance, but because of Turkey's perilous relations to Europe, and more especially, because of its bearing upon the movement for international peace.

Dr. Maxey is well informed on the subject and his address will be of interest to all.

See Les Hyde when in need of programs, menus and other printing.
