DEFEAT MISSOURI TIGERS BY PLAYING STRAIGHT FOOTBALL

(Continued from page 1.)

next Saturday. With Racely out of the game, the Cornhuskers have lost one of the most dangerous men in the Missouri Valley, for although he did not get opportunity to display his powers Saturday, the fleet athlete is apt to get away for a touchdown any time he carries the ball, and once given a clear field—well, the next thing is a try for goal. Warner and Purdy suffered minor injuries also, and will have to be handled carefully if they are to go in the game next Saturday.

Clothes Facts for Young Men

---not for "dead ones"---we can't interest them; but you "live wires" with flash in your eyes, grit in your muscles and hot blood in your veins---you are the chaps we like to see rushing in here.

Young men because of their critical know-what-looks-good taste in dress, are doing a lot to compel highest possible standards in clothes making.

Some pay more, some pay less, but \$25.00 is the average price paid for suit or overcoat by young men. Many of our young men customers have asked us just where does the difference lie between a \$25.00 suit or overcoat and a more expensive one? In this store the difference is wholly in woolens, linings and trimmings. Our \$25.00 garments are designed, cut and tailored by the same high class talent as the higher priced ones. It is important to the young man to remember that in buying here he gets same style and tailoring at \$25.00 as though he had paid more. We have the finest soft silky woolens in suits and overcoats all the way up to \$40.00, besides this great range of finest goods our four strong lines of suits and overcoats at 10.00, 15.00, 18.00 and \$20.00 can not be equaled in material, cut and make in the state of Nebraska at the prices named.
