CROSS COUNTRY TEAMS
TO BE CHOSEN MONDAY

A cross-country run will be held next Monday at 4:15, starting and finishing at Twelfth and S streets. The route will be east to S and Fourteenth, north to Vine, east to Sixteenth, north on Sixteenth to the fair grounds, four laps on the track and back over same route.

The tryout will probably determine the Nebraska teams for the Missouri Valley conference meet to be held in Lawrence on the morning of our game with K. U. Also the men will be selected for the Chicago conference run at Iowa City on November 25th.

A large squad has been out daily and have been doing hard work. Besides the men of last year's team, there is a large amount of very good new material.

Nebraska's Chances Good.

In the run to be held at Iowa City, Nebraska has won four times in the last six years. In the 1910 contest the Cornhuskers were disqualified on account of one of the team failing to finish because of a twisted knee, although up to that time Nebraska was scheduled to win the run. As there is even more promising material to work with this season than last, the hope is that the scarlet and cream will come home victorious. This run is to come off on the same day as the Michigan game and our sympathies will be with the boys who cannot see it.

We don't like to crow, but the battleship Nebraska has the football championship of the navy.

Nebraska and her goat-getting teams are becoming to be the bogey of the Valley schools.

Iowa has started her wrestling season with a big squad on the mat. They have started to see that the Cornhuskers do not walk away with the championship of the western college wrestlers.
