CORNHUSKERS GET FOUR TOUCHDOWNS ON SCRUBS

Four touchdowns piled up to one made by the freshmen and scrubs was the record of the Cornhuskers scrimmage Wednesday night in the hottest practice game that Nebraska Field has witnessed this season. The scrimmage lasted thirty minutes, played in two quarters and was one of the best exhibitions that Nebraska has presented in playing straight football this year.

Line smashes, sometimes for first down gains, superb open play work attended with little of Nebraska's former fumbling, and generally snappy football characterized the team's playing in the game. The freshmen squad fought doggedly every inch of the way, stubbornly contesting every inch gained through the line and the speedy underclassmen backs watched the ends and the secondary defense like hawks in doing their share to hold back the march of the 'varsity towards the goal.

Jerry Warner landed one goal for the 'varsity, running the ball from the center of the field in a series of end runs and line smashes through the tackle, slipping through a big hole in the line for a ten-yard goal run. Jimmie Gibson plowed his way through the line for the next five points and shortly after the ball was put in play again, McKee, who was playing left end, intercepted a forward pass and raced for a touchdown from the forty-five yard line.

The freshman squad obtained the ball on a fumbled punt after the kick-off. Halligan, the big star fullback of the brown and gold eleven, ran the ball to the five-yard line from the thirty yard on a fake kick. Halligan went over on the next down on a line smash.

The last touchdown of the 'varsity came after a long fight, the ball passing from side to side several times. A long run by Russell, followed by clever work by Ernie Frank, who was playing quarter and Russell went over for the closing touchdown of the game.

Coach Stiehm went after his men on every default in the play in a manner that showed he meant business and intended to wallop the Jayhawkers in a manner that would leave not the slightest doubt in their minds that they had met a real football team.

He put in actual practice several of the plays worked out Monday and Tuesday, Jerry Warner putting his braves through them in speedy manner. The line showed all of the strength that won it such a reputation at Ames, while the backfield seems to be back in nearer its old shape.

MICHIGAN STAR OUT

CRAIG, THE WOLVERINE BACK, IS LAID UP FOR SOME TIME TO COME.

Jimmy Craig, whom many consider the best of the Michigan backs, will be out of the game for an indefinite time. Craig was taken out of the Syracuse game early in the second quarter, but was not thought to be seriously injured. He will probably be out of the Cornell game. He may be laid up much longer.

The rest of the team came through the Syracuse game without injuries, with the exception of Pontius, who received a kick in the head.

KANSAS ENTHUSIASTS PREPARED FOR NEBRASKA

Lawrence, Kansas—The interest in the coming contest with Washburn is lagging, for Nebraska continues to be the all absorbing football topic here. The latest news in regard to the preparation for the coming conflict is that a number of the old Kansas stars will be up to the old school to help the team and will stay till the Missouri game is over. Among these are Swede Carlson, Carl Pleasant, Stan Myers, Carl Rouse, St. Leger Mosse, and Bert Kennedy.

The scrimmages with the freshmen this week have shown that the Jayhawker line will be stronger in the squabble next Saturday than at any other time this season. Sherwin has been spending much time with his line men and as a result they are charging lower and have little trouble in breaking through the line.

The Jayhawkers will be ready for all the games remaining and will give all comers a hard battle.

DOANE COMES NEXT

FOOTBALLERS FROM CRETE ARE LIGHT, BUT ARE COMING UP TO FIGHT.

Doane college will journey to Lincoln Saturday to try its luck on the gridiron against Coach Stiehm's Cornhuskers.

The Crete boys will play an open defensive game, planning to keep the Cornhuskers as far from striking distance of the Doane goal as possible, kicking and by running the ball back by open play.

Doane's annual ambition in the football world is to plant the pigskin over the Nebraska goal if possible, even if Doane is defeated. With the open kicking game now in vogue there is even more opportunity for the Crete men to get within distance of making points on Nebraska than in the old straight football game.

Doane Not Strong.

Doane's football strength is not great this year. Wesleyan beat Doane 6 to 0 recently, and the collegians from Crete are light in weight, according to report from their camp. Speed may save them from a large score, but they will have to work hard to prevent the Huskies making it a marathon for thirty or forty points.

SHINGUARDS

"Dog" Eager says "Get out of this field. You wear out the grass and how do you expect the team to practice when they look at you."

Say, you loyal Nebraska rooters, get out and watch that freshman team buck the regulars. It is pretty, and besides you get to hear Stiehm talk to the men.

It is a little early, but who do you think will win the world's series next year?

Is everybody going to Lawrence? Sure, we are.

It comes to our knowledge that the end run play of the Cornhuskers has been called the "greased lightning on roller skates."

RUDGE & GUENZEL COMPANY

John Bull Takes Off His Cap

to the United States. The English know how to make good caps. They know how to weave good cloths, too—know better than we do. So we import their cloths—but make our own caps—put more go, swagger and jauntiness in than the English thought possible.

That's why John Bull takes off his cap to the one American cap that's better than his—the HEIDCAP.

1,000 first class dealers in America sell HEIDCAPS—and some in England.
