## CLASS CHAMPIONSHIPS DECIDED TODAY

FOOTBALL SUPREMACY TO BE  
SETTLED THIS AFTERNOON.

## ALL CLASSES ARE WELL PREPARED

Small Admission Will Be Charged to  
Defray Expenses of Buying  
Jerseys.

Sixteen men on the fullback's chest,  
Yo Ho and a bottle or rum.

For today ancient quarrels, live  
jealousies, and plain bloody awful  
carnage is due to turn the fair green  
waterlogged sward of Nebraska Field  
into a shambles, as they say in poetry  
(we believe).

Class football games are scheduled  
for this afternoon. Haughty seniors  
propose to rub the juniors' noses into  
grass-stain (alliteration, kid), and the  
revengeful sophs will try and pay  
back some of the indignities offered  
their brave band on Olympic day by  
walloping the freshmen.

### Original Football.

Coach Stiehm's brand of football  
dope is nil. No rules of the good old  
game as demonstrated by the pupils  
of our Jumbo coach will be seen to-  
day, but it is rumored that the two  
winning teams are two of the speediest  
class organizations that Nebraska's  
history holds, or has held.

### Secret and Shirtsleeve Practice.

Dark and secret practice has been  
held by three of the four class teams  
(anyway, we never saw it), and the  
senior team has been practicing in its  
shirtsleeves by the library building.  
With his trusty fountain pen in one  
hand and a stuffed handkerchief foot-  
ball in the other, one of our upper-  
classmen football stars is reputed to  
have made touchdowns.

But anyway you look at this gay  
little game of football the two mixes  
today are going to be the real classy  
and society brand of the athletics of  
our modern college days, and besides,  
the proceeds go to buy the faithful  
players sweaters. Show up and pay  
the wherewithal and get some pointers  
on how it is great to be crazy.

Each and every player will appear  
on the field in borrowed clothes—er,  
that is moleskins, and his face will  
be the kind that is made in applied  
mechanics. Both feet will be attached  
when he starts and probably rooted  
to the ground on occasions of the en-  
emy's end runs.

### Rooting Regular.

Rooting will be the only regular  
feature of the game. Regular cheer  
leaders, with calliope voices, arms  
that run in circles in all directions,  
and legs to match, will be on the field  
to lead the class rooters.

### Game Called Early.

The game will be called at 3:00 and  
the remainders of the two winning  
elevens will clash—or probably brush  
again and with each other again next  
Tuesday yet. Excuse us, we take  
German.

### Wilcox to Lecture.

Professor Wilcox will give an illus-  
trated lecture before the Agricultural  
club Saturday night. His subject will  
be "Glimpses of Tropical Agriculture."  
Science Hall, Temple.

## FOOTBALL BY KODAK

MOVING PICTURE CONCERN TO  
COVER NEBRASKA-MICHIGAN  
GAME.

Nebraska's big game with Michi-  
gan on November 25 will probably be  
reproduced in moving pictures. As a  
method for advertising the university  
nothing could be better, for with pic-  
tures of the great 1911 Cornhusker  
aggregation and a phonographic rec-  
ord of the rooters' efforts, traveling  
up and down the state, nothing but  
physical inability could keep great  
crowds of additional students from  
coming to the university next Septem-  
ber.

### Stiehm Endorses Plan.

Coach Stiehm was enthusiastic  
when asked as to his opinion. "Noth-  
ing could please me or the team indi-  
vidually better than to appear on the  
moving picture screen in a game with  
the best team Michigan has ever put  
out. It would make the boys feel that  
their efforts to give Nebraska a rous-  
ing good team were being appreci-  
ated."

### Varsity Likes the Idea.

A number of the members of the  
team were asked as to their ideas on  
the scheme and all thought it would  
be great. "Why," one of the regulars  
who made his N in 1910 said, "if they  
did this we would have so much foot-  
ball material here next fall that the  
Missouri Valley championship would  
be certain for another year. It looks  
to me as though this ought to have  
been done long ago."

As the Chancellor is out of the city  
nothing definite can be learned as to  
his approval of the scheme as yet, but  
as it will not cost the university a  
cent, the films more than paying for  
themselves by their exhibition, it is  
probable that he will arrange at once  
for the taking of the pictures.

Kansas is having moving pictures  
taken of the Kansas-Missouri game to  
be played the same day as the Ne-  
braska-Michigan game, and if Ne-  
braska lets this opportunity go by she  
will be dropping behind Kansas in the  
advertising game.

## INNOCENTS BOOST CLUB

ORGANIZATION OF METROPOLIS  
ASSOCIATION NOW ASSURED—  
HOLMES TO PRESIDE.

With the Innocents boosting the  
preliminary meeting of the proposed  
Omaha club, the success of the meet-  
ing is assured. It is to be held Tues-  
day morning at 11:30 o'clock in Me-  
morial Hall.

Members of the senior men's orga-  
nization declare they believe the pro-  
posed club will greatly benefit the  
university and swell its enrollment,  
if formed as suggested by its boosters,  
not as a political or social club, but  
with the sole purpose of securing  
more students from the vicinity of  
Omaha and the eastern part of the  
state for the university.

"The club is just what has been  
needed for years," declares one of the  
Innocents who is not from Omaha.  
"Similar clubs of students from other  
parts of the state ought to be formed  
along the same lines, without polit-  
ical and social intentions."

Searle Holmes of the Innocents will  
preside at the meeting next Tuesday.

## MILITARY BALL PLANS BEGIN

NEWMAN AND VAN DUSEN GET  
PLUMS AT HANDS OF THE  
OFFICERS' CLUB.

A. L. Newman was elected chair-  
man of the military ball committee  
and Dana Van Dusen was selected as  
master of ceremonies at a meeting of  
the regimental officers last night.

The military ball is one of the big  
events of the college year. The com-  
mittee on all-university affairs has set  
December 15 as the date for this  
dance, but some opposition has arisen  
among the officers to this arrange-  
ment.

This big event was held in April  
last semester and many of the stu-  
dents think that it is preferable to  
hold it next spring rather than De-  
cember 15, which is less than a week  
before the Christmas vacation.

## STUDENT HONOR UP AGAIN

AUTHORITIES NOW CONSIDERING  
A CASE OF DISHONEST  
WORK.

A member of the faculty states that  
honor in scholarship has grown here,  
but that there is further need of "fair  
play."

### Case Up Before Authorities.

A case is up before the authorities  
where a freshman girl copied a rhet-  
oric theme from a magazine. It was  
so crudely disguised that she was at  
once detected, and when brought be-  
fore the dean, she did not seem to  
realize the gravity of the offense.

### Idea Gotten From Upperclassmen.

"The fact that she got the idea from  
an upperclass woman to whom she  
went for advice shows the need of a  
shouldering of responsibility by upper  
classmen in the further development  
of our honor system," said one mem-  
ber of the delinquent committee in  
discussing the case.

"Now during the pressure of mid-  
semester examinations is a good time  
to emphasize the university's attitude  
toward such matters. I would show  
less mercy in the case of an offense  
of this sort than of failure in studies."

## SOPHS DANCE TONIGHT

SECOND YEAR CLASS HOLD BIG  
INFORMAL AT THE  
LINCOLN.

The annual sophomore hop is  
scheduled for this evening at the Lin-  
coln Hotel. This is one of the big  
informal dances of the year, and  
Chairman Lin Driscoll announces that  
very few tickets remain.

Hagensick's orchestra will begin to  
play at 8:30 sharp and the grand  
march will follow immediately.

Richard F. Stout is master of cere-  
monies and L. D. Driscoll, chairman  
of the big informal.

## SENIOR PLAY DATE SET

ANNUAL PRODUCTION TO BE  
GIVEN AT THE LATE DATE  
OF JUNE 8TH, 1912.

June 8th is the date which has been  
set for the Senior Play. It was de-  
cided to hold it at this late date in  
order to accommodate commencement  
visitors.

## OMAHA THE MECCA OF NEBRASKA SCHOOLMASTERS

THE BIG GATHERING DISCUSSING  
WEIGHTY PROBLEMS.

## FIFTEEN HUNDRED TEACHERS IN SESSION

Superintendent Waterhouse of Fre-  
mont Proposes Novel Plan—Ne-  
braska Well Represented.

More than 1,500 teachers are in at-  
tendance at the big teachers' conven-  
tion at Omaha. Among those in at-  
tendance from the university are:  
Deans Bessey and Fordyce, Registrar  
E. M. Rutledge, and Professors P. B.  
Barker, N. A. Bengston, George R.  
Chatburn, C. W. Pugsley, A. M. Voss,  
H. K. Wolfe, Laurence Fossler, George  
Condra, C. E. Persinger, F. M. Fling,  
R. G. Clapp, P. M. Buck and Fred  
Hunter.

### Emphasize Physical Side.

The central topic of this year's  
meeting is the "Physical Side of  
School Life." On Wednesday, Dean  
Bessey spoke of the plan being adopt-  
ed in the east whereby every student  
is encouraged to participate in ath-  
letics. He warmly commended the  
idea of having lightweight, middle-  
weight, and heavyweight teams of all  
kinds as an incentive towards gen-  
eral participation in athletics.

### New Plan Proposed.

A motion was made by A. H. Water-  
house, of the Fremont schools, to  
make the position of state superin-  
tendent of public instruction ap-  
pointive instead of elective and take  
the office out of politics. A commit-  
tee of five was appointed to look into  
the subject and report on what steps  
must be taken to accomplish the end.  
It was suggested that the superintend-  
ent be appointed by the president of  
the Board of Regents, the president  
of the State Normal School, and the  
Governor.

## TENNIS SQUAD CHOSEN

EIGHT MEN GET PLACES ON THE  
TEMPORARY SQUAD—MAY BE  
CHALLENGED BY ANYONE.

As a result of the recent tennis  
tournament, a squad of eight men has  
been chosen to constitute a university  
team squad. The men appointed are  
as follows: R. D. Flory, C. F. An-  
drews, G. H. Williams, L. T. Hunt,  
Sam Waugh, Fred Trimble, M. F.  
Goodbody, and J. T. Tate.

Any of these men are subject to  
challenge and may be replaced by any  
one defeating them.

Members of the squad have the  
right of way on the tennis courts.

## CLINE ADDRESSES TEACHERS

NEBRASKA STUDENT ONE OF THE  
SPEAKERS AT THE BANQUET  
GIVEN TO CRABTREE.

E. M. Cline, a member of the junior  
law class, returned from Omaha yes-  
terday, where he was in attendance  
at the farewell banquet given to State  
Superintendent Crabtree, who leaves  
for Wisconsin in the near future.  
Cline was one of the speakers at the  
banquet, responding to the toast "A  
Tribute."
