You're interested in shoes every day; you wear 'em, and if they're not right, they wear you. "Right" means a lot of things—quality, style, fit, durability, service. We see that our shoes are "right" as long as you want us to.

**WE'RE MAKING** a special point just now of extra good shoes at \$4 and \$5 for the men who are willing to spend that much money and want the best to be found at these prices. We're putting before them a stock of shoes that cannot be matched in any other shoe store—more real value in the shoes, in the materials, in the unusual shoemaking—than \$4 and \$5 ever bought before. You will see it without having it pointed out to you when you come to look at our latest autumn window display.

## TATE WINS TENNIS FINALS

NEW YORK MAN, PLAYING IN EXCELLENT FORM, DEFEATS M. F. GOODBODY.

In one of the best played matches ever seen on the university courts, J. T. Tate, of New York, defeated M. F. Goodbody of the same place in three straight sets, 6-1, 6-4, 6-1, for the championship of the university. The tournament has been in progress for several weeks, but owing to unsettled weather the final play was put off until today. Although the score would indicate an easy victory, such was not the case. Every point was fought for until the last stroke was played and the whole match was an exhibition of good form against indifferent play. There was no doubt that Goodbody was "off." He netted as many balls as he put over and his serve was very uncertain.

On the other hand, Tate put up one of the finest exhibitions of brilliant net work that has been seen on these courts for months, and was invincible in the back court. His back-hand Lawford was working beautifully, and his smashes were both speedy and well placed. The tennis outlook for next spring is very good, and Nebraska will have a good chance to cop the tennis plum.

#### SOUSA.

Auditorium, November 11th.

Sousa and his band have returned from their tour of the Antipodes and on their way east they will stop here long enough to give two concerts at the Auditorium on November 11th. The famous conductor and composer declares that he has had an enjoyable trip, but he asserts that if his reputation depended only on marches and if he was asked to go around the world playing marches he would step out and retire. "I have made some reputation from the standpoint of versatility and progress," says Sousa, "and to follow the traditional line is not for me. I flatter myself I have built up a new instrumental composition that can compare with the best symphony orchestra in the world, and I would never agree to confine myself to one kind of composition or one composer, even though that composer be myself."

An offer from a Chicago moving picture concern to take pictures of the Chicago-Minnesota game November 4 was emphatically turned down because Coach Williams protested that his plays would be revealed to the other conference coaches.
