JAYHAWKERS WEAKENING ON LINE DEFENSE PLAY

University of Kansas, Nov. 13.—In the ninth annual struggle between the Sooners and the Jayhawkers, Captain Capshaw booted a neat goal between the posts, in the first two minutes of play and Kansas was defeated by a score of 3 to 0.

The Jayhawker line was erratic. At times it braced when the Oklahomas were at the shadow of the Kansas goal, but their playing at other times was ragged and inconsistent. The lighter Sooner made their first downs at least ten times. The work of the Oklahoma back field was the best that has been seen on McCook field this season. In Capshaw, Courtright, Reed and Ambusher, Benjie Owens has a wonderful scoring quartette. Fast, hard runners, they are equally good on defense and offense.

Delaney, who it was hoped would win the game for Kansas by a drop kick, failed to sustain his former reputation and failed in three attempts at goal. The high wind and the intense cold are probably the cause of this, but there is no question that in all his kicks the leaking of the line caused him to hurry with disastrous results.

In the first quarter Captain Ammons of the Jayhawkers was thrown upon his shoulder which was injured several days ago and he was taken from the game. Today he cannot use his arm and it is feared that he will be unable to play in the game with Nebraska next Saturday.

Just what significance the result of the game with Oklahoma has is not fully known, except that the Kansas line is most undependable. Coach Sherwin absolutely refuses to discuss the probabilities of the Cornhusker game and this week is again bringing his men back to football fundamentals. What changes will be made, if any, are unknown.

The Kansas student body refuses to be downcast by the defeat last Saturday and are all expecting that the Jayhawkers will make the Cornhuskers take the bitter dose when the two teams meet.

NO DECISION ON PICTURES

QUESTION OF MOVING PICTURES OF MICHIGAN GAME STILL UNDECIDED.

The project of taking moving pictures of the Michigan game is still hanging fire. As yet nobody in authority has announced the decision reached by the University. Several alumni clubs have spoken of pushing the matter, but at present nothing definite can be learned.

The whole matter appears to depend on the showing that the team makes next Saturday at Lawrence. If the chances of a Cornhusker victory over Michigan are at all promising the entire discussion will change from "who ought to take the pictures" to "How much will we have to pay for the privilege," for a film showing the first victory that Nebraska has ever had over Michigan would be worth a good many hundred dollars. It is possible that "Dog" Eager may arrange to take the film himself for use in advertising the big contests due in 1912, but as yet he has not announced his intention of doing so.

VARSITY MAKES SEVEN TOUCHDOWNS TUESDAY

Five touchdowns on the freshmen and two on the scrubs were amassed by Mentor Stiehm's huskies Tuesday night in the secret practice of the week. The scrubs made one on the Cornhuskers, the first touchdown the irregulars have ever made on Nebraska.

With the freshmen team playing the Kansas offensive plays the Nebraska line proved that it was fully capable of solving the puzzles of the Jayhawker organization.

Russell Crosses Varsity Goal.

The Varsity suffered the first touchdown that the scrubs have been able to make on it all year, Russell going over for a straight football touchdown after the ball had been steadily marched under the Varsity goalposts. In return the Varsity made two on the scrubs.

Forward Passes Frequent.

Forward passes were played to the limit by the Nebraskans, long gains being made by them under the practiced hands of the speedy backs and ends. Other plays went off with clockwork precision and a snap and dash that proved too much for the usually stubborn defense provided by the Freshmen. Two of the touchdowns were made by the perfect defense of the Cornhuskers carrying a man right through the whole freshman team. Ernie Frank pulled off one in this wise on the kick-off.

Captain Shonka and his line brothers proved stonewalls of defense and terrors in opening wagon wide holes in the opposition.

NEW PLAN IN LIBRARY

THE REGULAR PATRONS TO BE GIVEN PREFERENCE OVER SPONGERS.

A plan has been suggested whereby only students who are using library books will be given seats in the library. Study rooms will be provided for other students who are studying their own text books.

With the advent of mid-semester a seat can hardly be found in the library. This congestion is increased by the unusually cold weather, as students are not able to stay outside.

FIRST TRY-OUTS TUESDAY

CANDIDATES FOR GLEE CLUB TO GIVE VENT TO THEIR VOCAL FEELINGS.

Tuesday evening the first try-outs for places on the Cornhusker Glee Club were held in the music hall at the Conservatory. The try-outs were private, only one person being heard at a time. For this reason a large number were compelled to wait until Wednesday evening for their opportunity.

A larger glee club is being picked this season, so there is a much better chance of making a place than there has been for a number of years. The number of old men back is proportionately small. All the places on the club are open, though the few old men have better chances of making their places than do inexperienced contestants.

In case of a close decision, the younger classmen will be given the preference, for a large number of freshmen and sophomores on the club this year will mean a much stronger club next year.

John Bull Takes Off His Cap

to the United States. The English know how to make good caps. They know how to weave good cloths, too—know better than we do. So we import their cloths—but make our own caps—put more go, swagger and jauntness in than the English thought possible.

That's why John Bull takes off his cap to the one American cap that's better than his—the HEIDCAP.
