UNPROFANE ROOTING URGED BY CHANCELLOR

ASKS STUDENTS TO OMIT PROFANITY FROM ROOTING.

MONSTER MASS MEETING WAS HELD

Faculty and Students Speak at the Big Rally in Memorial Hall Thursday.

Chancellor Samuel Avery, in speaking to the students at the football rally yesterday morning, urged them to leave out all slang and profane words from football rooting. "While on the Pacific coast I attended a game between the University of Washington and the State Agricultural College teams. I noticed that the western institutions had a good college spirit, that the rooting was consistent and vociferous and also that there were no swear words used."

Chancellor Confident.

After a short discussion of the proper college spirit, the Chancellor said: "I am confident that our team will return victorious. Further than

that, I hope that the score will be something like 48 to 0 and that it will be a glorious cussless victory."

Dean Bessey, Fred Hunter, Coach Stiehm and "Sid" Collins were also called upon for speeches by Verne Bates, who was chairman of the rally. Dean Bessey, who has just returned from the Jayhawk country, characterized the members of our football team as the "noblemen" of the college. Hunter said that he was glad Nebraska stood for clean athletics at all times and he plead for good manly rooting as a part of the real Nebraska spirit.

Stiehm Becomes Personal.

"I understand that Nebraska and Kansas are closely related—in about the same way as two college boys both in love with the same co-ed—they are friends but rivals," said Coach Stiehm. His comparison brought out a round of applause. He said that he remembered a time at the University of Wisconsin when a little song by the name of "Cheer! Cheer!" was relegated to the back-

SPECIAL TRAIN UNCERTAIN

RAILWAY OFFICIALS IN DOUBT AS TO PATRONAGE OF STUDENT TRAIN TO KANSAS.

At eleven o'clock last night no definite decision had been made by the Union Pacific officials as to the running of a special train to Kansas for the Nebraska-Kansas game. An advance sale of eighty tickets was demanded by the railroad, and up to that time a sufficient number had not been sold, but it is thought that today will bring in more than enough orders to warrant the student train.

Return at Midnight.

If run it will leave Lincoln about 10 o'clock tonight, arriving in Lawrence early Saturday morning. The time of return is optional with a majority of the passengers, and the start from Lawrence need not be made until 12 midnight, according to the boosters of the trip. The fare is \$7.50 round trip; the road the Union Pacific. Both tourist and standard sleepers are available.

BELL BOYS ARE WARNED

LAW PROFESSOR OBJECTS TO INTRUSION DURING THE CLASS HOUR.

Professor Robbins of the Law School objects to his classes being interrupted by emissaries from the committee on delinquent students.

The other day an innocent messenger was given to understand that further intrusion would be dealt with in severe terms.

PICK JUDGING TEAM

SIX MEN CHOSEN TO REPRESENT NEBRASKA AT THE BIG STOCK SHOW.

After a competitive tryout in which an extraordinary number of aspirants participated, the team which will represent Nebraska at the International Students' Stock Judging Contest has been selected.

The names of the successful six arranged alphabetically are as follows: Louis Anderson, Bert Barber, W. A. Doolittle, J. C. Ludden, Don D. Maxfield, and W. J. Rupert.

Five on Team.

From the six five will be chosen on the basis of work done on a practice trip through Iowa, as teams for entry are limited to five men. The sixth will be alternate.

The squad is in charge of Prof. Ellis Rail, who also is coach.

They will leave on the practice trip at the beginning of Thanksgiving week, spending several days at Ames, and arriving in Chicago in time for the contest, December 2.

In previous years the Cornhusker teams have made good records, and Coach Rail is confident that his team this year will prove up to standard.

Miss Burr Resigns.

Miss Pearle Burr, who has been assisting in the library, has resigned to accept a position in the city library. Miss Burr has been in the library for three years.

The vacancy has been filled by Miss Grace Rood, a graduate of the Lincoln High School, and a sister of Miss Adelaide Rood, who is now a library assistant.

SONGS WANTED

Two reserved seats to the Nebraska-Michigan football game in Lincoln a week from Saturday are to be given away free.

Manager Earl O. Eager has promised two reserved seats to the person who will turn in the best football song for the rooters to sing at the Michigan game. If you need two good seats get busy.

The song merely has to be the best. You can model it on an existing tune or on an original tune, and you can write a parody or write original words. "Dog" doesn't care what you do so long as you write a song.

Turn in your songs at once to the sporting editor of the Rag, at the Rag office.

BLAZING TORCHES IN BIG SEND-OFF PARADE

CRUCIAL STRUGGLE DRAWS NEAR

Students Crowd Streets in Light of Flaring Torches to Be at Train.

An enthusiastic crowd of students, mostly "rooters," assembled at the campus last evening and, amid the glare and smoke of torches, escorted the triumphant Cornhuskers to the

depot. The street teemed with torch-bearers and musicians, the walks with co-eds and their masculine admirers; the city folk watched with open-mouthed admiration.

After the band had attracted the crowd, torches were lighted and the
