PROMOTERS PLEASED

WORK IN MANDOLIN CLUB PRO-
GRESSES—FIFTEEN MEN
ARE OUT.

The Mandolin Club held a meeting last night at the Sigma Nu house. The promoters of the club were more than pleased with the showing. This practice brought out more men than the one held a week ago. Spirit is increasing, for fifteen men were present with their stridged instruments.

Although the club is progressing, there is a great need for good guitar players, as but two guitar men have reported. All men interested and desiring a permanent place on the Mandolin Club are urged to report to Rowland P. Thomas, manager, who will make arrangements.

A meeting has been scheduled for next Thursday night, November 23, at the Phi Gamma Delta house.
