

NEW UNIFORMS PLEASE

NEW SYSTEM OF UNIVERSITY PURCHASE MEETS WITH APPROVAL.

The new cadet uniforms have arrived and the quartermaster's department is busily engaged in sorting them out for the anxious freshmen who have been waiting for these suits for a long time.

Those who know say that the new uniforms are better made and natter than those of any previous year. They were purchased through the University authorities this year for the first time, and the plan has been so successful that it probably will become the regular method in the future. The uniforms will make their appearance some time next week.
